

Important MIHP Update- March 20, 2026

MIHP Agency Administrative Cost Funding Webinar

MDHHS MIHP is excited to share an opportunity to provide funding to agencies to assist with administrative costs. Dawn Shanafelt, Director of the division of maternal and infant health, will present information on the funding, its allowable use, and the mechanisms for distributing it to agencies. We strongly encourage you to have your finance manager or a representative from your finance department attend this meeting. It will not be recorded, so it is important that at least one representative from your agency attend. We will provide additional information after the meeting.

The webinar is scheduled to take place Tuesday, March 24, 2026, from 9:00 AM – 9:30 AM.
