Call for Presenters: MIHP 2026 May Coordinator Meetings

Dear Maternal Infant Health Program (MIHP) Providers,

We are pleased to announce an opportunity for local MIHP providers to present at the upcoming virtual **MIHP May 2026 Coordinator Meetings**.

We are seeking **2–3 providers** per session who are interested in presenting their **MIHP Reflection Plan**. This is a great opportunity to highlight your team's work and share your experiences with peers across the state.

Presentation Details:

- *Length:* 5–10 minutes
- *Includes time for audience questions and discussion*
- *Focus:* Your Reflection Plan process, including:
 - Alignment with baseline criteria
 - Progress toward performance measures since 2023
 - Lessons learned, successes, or strategies that have supported improvement

This is a valuable opportunity to reflect, share, and celebrate the meaningful work happening across local MIHP programs.

If you are interested in presenting, please submit an email to mihp@michigan.gov with a brief paragraph regarding your presentation.

Selected presenters will be connected with an MDHHS MIHP staff member who will provide guidance and support in preparing for the presentation.

We look forward to learning from and celebrating the successes of our local MIHP providers!
