Proposed Medicaid Policy 2608-Maternal & 2609-Maternal

The Michigan Department of Health and Human Services periodically issues notices of proposed policy. These documents inform interested parties of proposed changes in Michigan Medicaid policy.

Proposed policy must undergo a public comment period before becoming final. The notices provide a way for interested parties to comment on proposed policy. People may comment by electronic or postal mail before the comment due date. Notice contents are, in effect, a draft. They do not represent official Medicaid policy.

The following proposed policies have been issued for public comment:

- 2608-Maternal - Coverage of Planned Homebirth Services and Update to Medicaid Covered Doula Services
- 2609-Maternal - Fee-for-Service Coverage of Licensed Midwifery Services

Comments may be forwarded to the e-mail noted on the policy's transmittal sheet.

Proposed Medicaid policies may be accessed [here](#) on the MDHHS website.
