

Expanding ACEs Informed Care in Michigan's Home Visiting System

Goal 1: Supporting MIHP's Statewide Rollout & Evaluation of ACEs Prevention POC2

- Streamlined family resources
- Journey mapping evaluation
- ACEs Community of Practice

Goal 2: Adaption of ACEs HV Interventions for Other Models

- Collaborate to identify gaps in resources
- Create model-aligned guidance for HFA & PAT (engaging local sites)
- Create generalized guidance across models

Goal 3: ACEs Informed Care Trainings for HV Staff

- Create & launch up to 3 self-paced training modules
- Manage CE credits & post-training evaluation
