

Important MIHP Update- May 22, 2024

Calling All Home Visitor Supervisors!

The [Supporting and Strengthening the Home Visiting Workforce](#) (SAS-HV) project team needs your expertise to inform a measure of reflective supervision for the field. Supervisors can complete the [1-hour survey](#) (and receive a \$35 gift card) if they provide individual supervision to home visitors implementing a model eligible for MIECHV funds. The program does not need to receive MIECHV funds currently. MIHP is **eligible** for participation.

To learn more about the project, read the [frequently asked questions](#). To complete the survey, view the [informational flyer](#). **Please do not post the survey link on social media.**

If you have questions or clarifications, please contact sashv@jbassoc.com.
