

City of Benton Harbor Community Health and Environmental Resource Fair

Tuesday, February 28

4 p.m. to 6 p.m.

**Virginia Edwards Community Center
721 Nate Wells Sr. Drive,
Benton Harbor, MI 49022**

Available at the event:

Free Home Lead
Inspection Sign Up

Filters* and Hands-On
Filter Installation Education

Home Water Testing Kits

Bottled Water

*Filter use is recommended until MDHHS confirms the source of lead in your home's plumbing has been fixed, removed, or replaced as part of the free home lead inspection process.

Join us to learn about lead in the home, filter usage and how to protect your family, access to bottled water, as well as lead service line information.
