Lead Abatement Firm Certification

Certified lead abatement firms perform lead abatement services in older homes.

How to get certified

- ○ Meet the certification requirements:
  - ✓ Must have a certified lead supervisor on staff
  - ✓ Must have proof of current workers' compensation insurance
- ○ Apply for state certification

Other information you should know

- ○ Lead abatement firm certifications expire December 31 each year
- ○ Contact the Healthy Homes Section Certification Team at 1-866-691-5323 or by email at HHSInfo@michigan.gov

Authority: P.A. 368 of 1978, as amended
