Lead Abatement Worker Certification

A certified lead abatement worker conducts lead abatement activities under the supervision of a certified lead abatement supervisor.

How to get certified

- ○ Meet the certification requirements:
  - ✓ No experience or education required
- ○ Pass a three-day lead abatement worker training course
- ○ Apply for state certification
- ○ Pass the state exam

Other information you should know

- ○ Certification must be renewed each year by paying a renewal fee and submitting a renewal application by March 31. Once certified, you must take a refresher course and the state exam every three years to retain certification status.
- ○ Contact the Healthy Homes Section Certification Team at 1-866-691-5323 or by email at HHSInfo@michigan.gov.

Authority: P.A. 368 of 1978, as amended
