

MICHIGAN DEPARTMENT OF HEALTH AND HUMAN SERVICES
HEALTHY HOMES SECTION

Occupant Protection Plan

All abatement projects must not be started before an Occupant Protection Plan (OPP) specific to the structure is developed by a Michigan certified Lead Abatement Supervisor. The plan shall describe measures and management procedures that shall be taken to protect the building occupants (Michigan Lead Hazard Control Rules).

Company:

Abatement Start Date:

Property Address:

Abatement End Date:

Work will be under the control of (certified supervisors):

Certification Number:

P-

P-

P-

THE RESIDENT(S) WILL BE:

Relocated until the work is completed and clearance has been achieved.

Restricted from the work areas until clearance is confirmed by using the following methods:

WORK AREA

METHOD OF RESTRICTING ACCESS

The following work practices will be used to minimize contamination in the residence:

Work area containment

Wet methods
