* Suppression of non-zero counts less than six (6) and complimentary suppression of values 6 and greater that would allow suppressed values to be calculated

^a U.S. Census American Community Survey 2016 5-year population estimates (table B25034 - Housing)

[†] Includes tests where the type of sample was not reported

X Census housing data not available for these zip codes

- Percentage for suppressed counts

[†] A child enrolled in Medicaid at any time in the year is included in the definition of Medicaid enrollment.

* Suppression of non-zero counts less than six (6) and complimentary suppression of values 6 and greater that would allow suppressed values to be calculated

^a U.S. Census American Community Survey 2016 5-year population estimates (table B25034 - Housing)

[†] Includes tests where the type of sample was not reported

X Census housing data not available for these zip codes

- Percentage for suppressed counts
