# HEALTH AND SAFETY UPDATES

## Initial Health & Safety Training Courses for Licensed Child Care Providers

- Content has been updated and reorganized to allow for health and safety topics that are required before caring for children to be in one course (Module A).
- Health & Safety for Licensed Child Care Providers  
Module A (2 hrs.), Module B (3 hrs.), Module C (2 hrs.), and Transportation (1 hr.)
- Transportation is a stand-alone course, similar to Infant Safe Sleep for Child Care Providers.
- Newly designed courses will also be hosted at Michigan Virtual.
- New courses are expected to launch the first week of June 2023. Once new courses are available, Course 1 and Course 2 will no longer be available for registration. Providers that have registered will have 90 days to complete.
- Funding is currently available to allow for the new courses to be offered for **FREE!**
- Providers that completed Course 1 and 2 will not need to complete the new series (A, B, C and Transportation).
