

Consumer Product Safety Commission Recalls – Summer 2024

[Fisher-Price Recalls Little People Mickey and Friends Figures Due to Choking Hazard](#)

Hazard: The heads of the Donald Duck and Daisy Duck figures can detach, posing a choking hazard to young children.

[Jool Baby Recalls Nova Baby Infant Swings Due to Suffocation Hazard; Violation of the Federal Safety Regulations](#)

Hazard: The swings pose a suffocation risk because they were marketed, intended, or designed for infant sleep, and they have an incline angle greater than 10 degrees in violation of the CPSC's [Infant Sleep Products Regulation](#) and the [Safe Sleep for Babies Act](#). In addition, the swing fails to meet mandatory warning requirements regarding sleep under the swing standard.

[SINGES 3-in-1 High Chair and Booster Seats Recalled Due to Fall Hazard; Violations of the Federal Safety Regulations for High Chairs and Booster Seats; Sold Exclusively at Walmart.com; Imported and Sold by Shenzhen Yingjieshang Trade](#)

Hazard: The recalled high chair, which converts into a booster seat, violates the safety regulations for both high chairs and booster seats. Multiple failures were identified including, but not limited to, insufficient restraint system, stability, static load, latching and locking mechanisms, leg openings, warnings, labels, and literature. The product can tip over or collapse and present a fall hazard to children.

[High-Powered Magnetic Ball Sets Recalled Due to Ingestion Hazard; Violation of the Federal Safety Regulation for Toy Magnet Sets; Sold Exclusively on Walmart.com through Joybuy](#)

Hazard: The recalled 5mm magnetic ball sets violate the mandatory federal toy magnet regulation because they contain one or more magnets that fit within CPSC's small parts cylinder and the magnets are stronger than permitted. When high-powered magnets are swallowed, the ingested magnets can attract each other, or another metal object, and become lodged in the digestive system. This can result in perforations, twisting and/or blockage of the intestines, infection, blood poisoning and death.

[Forias Pack and Play Mattresses Recalled Due to Suffocation Hazard for Infants; Violations of the Federal Safety Regulation for Crib Mattresses; Sold Exclusively on Amazon.com by Forias Direct \(Recall Alert\)](#)

Hazard: The recalled mattress violates multiple provisions of the Safety Standard for Crib Mattresses, including the thickness test, and is missing the required warnings and labels. The product poses a suffocation hazard to infants.

[Bubble Bear Crib Mattresses Recalled Due to Fire Hazard; Violations of the Federal Safety Regulation for Mattresses; Sold Exclusively on Amazon.com by Coral Island](#)

Hazard: The recalled crib mattresses violate the federal safety regulation for mattresses by failing to meet the flammability and labeling requirements, posing a fire hazard to children.

[Crate & Barrel Recalls Hampshire Cribs Due to Fall Hazard](#)

Hazard: The mattress support pins can become loose and allow the mattress to fall, posing a fall hazard to children.

[Gasacids Children's Helmets Recalled Due to Risk of Head Injury; Violation of Federal Safety Regulation for Bicycle Helmets; Imported by Fengwang Sports; Sold Exclusively on Temu.com](#)

Hazard: The helmets do not comply with the positional stability, dynamic strength of retention system, impact attenuation, and certification requirements in violation of the CPSC federal safety regulation for bicycle helmets. The helmets can fail to protect in the event of a crash, posing a risk of head injury.

[Dixon Ticonderoga Recalls Creativity Street Foam Pattern Rollers Due to Violation of Federal Lead Content Ban](#)

Hazard: The recalled foam pattern rollers are intended for children and contain levels of lead that exceed the federal lead content ban in the rollers' handles. Lead is toxic if ingested by young children and can cause adverse health effects.
