

Provider Verification Needed

Before MDHHS can pay your child care provider, you must complete this form.

Here's what you need to do:

1 Choose a child care provider.

- If your child care provider is a License Exempt provider and is not currently enrolled with the State of Michigan, they must complete the Child Development and Care (CDC) License Exempt Provider Application. The application can be found online at: <https://www.Michigan.gov/childcare>.

2 Sign and submit this form to MDHHS.

- **Submit online** at <https://Michigan.gov/mibridges>
- **Mail your form** in the envelope we sent you
- **Turn in your form** at your local MDHHS office

MDHHS will send you and your child care provider notices once the form is processed. If approved, the child care provider can begin billing.
