

Bright start for kids.
Brighter future for Michigan.

Dear Families,

Big news for little learners! I'm happy to share that our (ISD/PROGRAM) is participating in the PreK for All initiative, bringing FREE PreK to our community.

PreK for All is Here!

Thanks to a historic investment in the state budget, access to free, high-quality PreK has expanded in Michigan! Starting in the fall of 2024, all Michigan four-year-olds can qualify for free PreK education. And it's available right here in (ISD/PROGRAM NAME)!

What is PreK for All?

This is an initiative to ensure that every child in Michigan, regardless of where they live, has access to free, full-time, high-quality PreK, prioritizing those who need it most. PreK is Pre-kindergarten for 4-year-olds. Research shows attending a quality PreK program has a positive impact on a child's life by preparing them for success in kindergarten and beyond.

What This Means for Your Family:

1. **Free Early Education.** If your child will be 4 years old by December 1, they can qualify for free PreK. This saves families an average of \$10,000 per year.
2. **Quality Learning.** Michigan's PreK program is ranked #1 in the nation for quality.
3. **Social Skills.** Children learn to share, take turns and get along.
4. **Kindergarten Readiness.** At this age, children's brains are like sponges. They soak in early math, science and reading skills.

Our (ISD/PROGRAM) offers PreK to families through our Great Start Readiness Program (GSRP). There is still time to register as we still have some openings available for this school year.

We offer:
