RACHAEL EUBANKS  
STATE TREASURER

February 2021

I am pleased to share with you what Student Scholarships, Grants and Outreach (SSGO), within the Michigan Department of Treasury – Office of Postsecondary Financial Planning, has accomplished during the 2020 fiscal year. The following report provides information about funds administered and the number of Michigan students awarded at each institution.

Our goal is always to enhance the customer service experience and to expand outreach resources to help Michigan students afford college. We focus efforts on working with high school counselors to encourage students to complete the Free Application for Federal Student Aid (FAFSA) and Tuition Incentive Program (TIP) application.

The MiSSG data management system allows for easy access for students, counselors, and financial aid administrators. Students can quickly set up a portal account where they can view their award information in real-time. Counselors can easily identify which of their students need to file a FAFSA or complete their TIP application. Colleges can view student awards and certify enrollment directly from MiSSG.

During Academic Year 2019-20, SSGO assisted 71,659 students with more than \$138 million in aid.

SSGO looks forward to continuing our focus on the customer service experience and working with students and parents regarding eligibility for State awards.

Sincerely,

A handwritten signature in cursive script, reading "Diann Cosme".
