GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF TREASURY
LANSING

RACHAEL EUBANKS
STATE TREASURER

Dear Financial Aid Administrator:

Student Scholarships, Grants and Outreach (SSGO), a division within the Office of Postsecondary Financial Planning in the Michigan Department of Treasury, works to remove barriers for Michigan students by providing State financial aid programs, resources, and information.

SSGO administers State financial aid and Outreach resource programs. Our programs provide nearly \$122 million to more than 62,000 students annually. We cannot do the work that we do without relying on our partners; high school counselors, college access professionals, and YOU!

SSGO works to:

- Determine eligibility and policies for programs, while complying with legislative intent.
- Disburse funds to postsecondary institutions on behalf of students.
- Utilize the MiSSG data management system to identify eligible students for institutions, provide reporting and data, and manage program funds.
- Promote college access initiatives.

The *State Programs Procedures Manual - Overview of Operations for Financial Aid Professionals* provides an overview of the programs we offer and the eligibility requirements. Our goal is to help you assist your students by providing information on the administration of [Michigan's scholarship and grant programs](#) and to maintain compliance with the administration of State financial aid programs.

As our partner, we want to work with you. If you have questions or suggestions, please contact our Customer Care Center at 1-888-447-2687 or mistudentaid@michigan.gov. We appreciate your support as we work together to help Michigan students make college accessible, affordable, and attainable.

Sincerely,

A handwritten signature in black ink that reads "Diann Cosme".

MiSSG Data Management System

MiSSG provides students, high school counselors, and college financial aid personnel access to records, applications, and information from SSGO.

Overview of MiSSG for College Administrators

[MiSSG](#) allows financial aid professionals, referred to as School Users, to work with student records to:

- Clear errors
- Run reports
- Verify student eligibility

Perform awarding tasks, such as:

- Certification
- Requesting reimbursement
- Award adjustments

MiSSG also tracks and posts quarterly payments from SSGO to postsecondary institutions.

How to Access MiSSG as a School User

Annually an aid director must complete and submit the [College Security Access Form](#) before any user accounts will be created for personnel at that institution. Each user at the institution will need to have a security level assigned for each program which will determine which features inside MiSSG are available.

'View-Only' Users

- Send MiSSG emails
- View award program data
- View school profile
- View school transactions, history, and payments
- View student records, transactions, and payments
- View institution eligibility rosters

'Update' Users

- View and perform everything that 'View-Only' users can
- Update school profile, contact information, and records
- Add comments
- Clear ineligibility reasons from student records (such as citizenship, residency, etc.)
- Certify student enrollment and award amounts
- Request reimbursements
- Receive payment emails
- Request award reinstatement

'Administrator' Users

- View and perform everything that 'View Only' and 'Update' users can
- Make award payment adjustments
- Edit the institution's annual budget

Login information will be emailed to new users shortly after the form is processed by SSGO.

To maintain MiSSG access, the aid director must complete and submit a new [College Security Access Form](#) each academic year.

FAFSA Transaction Updates

MiSSG will load all 2023-24 FAFSA transactions through July 6. After this date, only the first transaction for the student will be loaded automatically.

All subsequent transactions will continue to be stored, but not automatically updated. If a subsequent transaction needs to be manually loaded after July 6, please contact SSGO at mistudentaid@michigan.gov or 1-888-447-2687 to make the request.

Which Student Records Can Be Viewed?

School Users may only access student records that have been assigned to their institution or have had a payment associated with an award at their institution. Student records are primarily assigned based on which institution occupied the first institution position on the FAFSA. Students may also have their records transferred, which changes the institution able to view the records.

Only SSGO can initiate a semester/term transfer for a student if a payment has been already associated with an award of the same term.

Student Record Transfers in MiSSG

There are ways for a student's records to be transferred to a new institution:

- The student performs a transfer via the MiSSG Student Portal.
- Authorized high school counselor(s) performs a transfer via the MiSSG High School Counselor Portal.
- SSGO performs a transfer via MiSSG.
 - To request a transfer, contact SSGO with the student's name, transfer semester/term, and MiSSG ID or last four of Social Security number (SSN) at:
 - mistudentaid@michigan.gov, or
 - 1-888-447-2687

Overview of MiSSG for Students

The [MiSSG Student Portal](#) allows students to complete certain applications, change their institution, update contact information, view award status, and send MiSSG emails.

How to Access MiSSG as a Student User

For students to have access to the [MiSSG Student Portal](#), they must have a current-year [Free Application for Federal Student Aid \(FAFSA\)](#) on file or have a Tuition Incentive Program (TIP) record. First-time Student Users must know their SSN when creating an account.

- A calendar year is January 1 through December 31.
- A fiscal year is October 1 through September 30.
- An academic year is September 1 through August 31.

Within an academic year, postsecondary institutions have either semesters or terms, which will change the effective start dates used during the payment process and to evaluate student awards. SSGO considers summer to be the trailer for all State financial aid programs.

Semester	Semester Name in MiSSG	Start Date Used for Evaluation

Program Eligibility Requirements

High School Completion Requirements

For State financial aid programs, high school completion is considered:

- High school diploma; or
- Certificate of completion or its recognized equivalent.

Home-schooled students may be eligible if the institution accepts the home-school documents as proof of high school completion.

The following programs require proof of high school completion:

- MCS*
- MI Future Educator Fellowship
- MI Future Educator Stipend
- MTG*
- TIP

Note: High school graduation completion information may be confirmed in the Student Information section of MiSSG. If the 'HS Grad Confirmed by CEPI' indicates "Yes," this can be used as documentation for a program review. If the status is "No" or blank, the institution must provide proof of high school completion.

*The [High School Completion Substitution Form](#) may be used by the institution for MCS and MTG students who have not met the high school completion requirement.

The following programs do not require proof of high school completion:

- CVTG
- DE
- FFS
- STG

FAFSA Requirements

To be eligible, a student must have a FAFSA on file in MiSSG which must provide at least the minimum information required to fully evaluate program eligibility and create an award.

Additionally, some State financial aid programs have FAFSA deadlines which means that the ISIR must be received by the Federal Central Processor on or before the posted date, not that it must be loaded in MiSSG by that date.

Residency Requirements

A student is considered to have met the Michigan residency requirements if the date of residency is on or before July 1 of the preceding calendar year.

For example, in Academic Year 2023-24, the date of residency must have been on or before July 1, 2022.

A student's dependency status will determine if student or parent data will be used for determining residency:

- Dependent Student
 - The parent's state and date of residency is used to determine a dependent student's residency.
- Independent Student
 - The student's state and date of residency is used to determine an independent student's residency.

Note: If an independent student, or the parent(s) of a dependent student, resides outside of the state after Michigan residency was determined, then the student would remain eligible for Academic Year 2022-23.

CVTG Application Residency

A student is considered to have met the CVTG application residency requirements if the date of Michigan residency is at least 12 months prior to the date of the CVTG application.

Updating a Student's Residency Status

If MISSG is unable to evaluate a student's residency status or the determination was incorrect, then an institution may update the student's application. Please see the [MISSG Manual for Aid Administrators](#) for further details.

Documents that could be used to update a student's residency determination:

- State/Federal tax returns or statements
- Michigan voter/vehicle registration or driver's license
- Utility bills, rent receipts, or property tax
- Any documents denoting Michigan residency

Note: During program reviews, an institution may be asked to provide copies of the supporting documents used to determine a student's residency.

Citizenship Requirements

An eligible student must be a U.S citizen or an eligible non-citizen.

- **U.S. citizen (or U.S. national) if student is:**
 - A United States citizen by birth or by naturalization.
 - A person (except for the children of foreign diplomatic staff) who are born in the 50 states, the District of Columbia, and in most cases, Puerto Rico (PR), the U.S. Virgin Islands (VI), Guam (GU), and the Northern Mariana Islands (MP) are U.S. citizens, as are most persons born abroad to parents (or a parent) who are citizens.
 - All U.S. citizens are considered to be U.S. nationals, but not all nationals are citizens: natives of American Samoa and Swain's Island (AS) are not U.S. citizens, but are nationals.
- **Eligible non-citizen if student is not a U.S. citizen (or U.S. national) and is one of the following:**
 - A U.S. permanent resident, with a Permanent Resident Card (I-551), or a conditional permanent resident with a Conditional Green Card (I-551C).
 - Other eligible non-citizen with an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: "Refugee," "Asylum Granted," "Parolee" (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder (T-1, T-2, T-3, etc.), or "Cuban-Haitian Entrant."
 - The holder of a valid certification or eligibility letter from the Department of Health and Human Services showing a designation of "Victim of human trafficking."
 - A resident of the Republic of Palau (PW), the Republic of the Marshall Islands (MH), or the Federated States of Micronesia (FM).
 - A Canadian-born Native American under terms of the Jay Treaty.

If student is neither a citizen nor an eligible non-citizen, the student is not eligible for State of Michigan programs.

- **Neither citizen nor eligible non-citizen if student is in the U.S. and has:**
 - Been granted Deferred Action for Childhood Arrivals (DACA)
 - A F1 or F2 student visa
 - A J1 or J2 exchange visitor visa
 - A G series visa (pertaining to international organizations)
 - Other categories not included under U.S. citizen and eligible non-citizen

Institutions must inform SSGO of any students who are currently considered eligible for an award (any program) within MISSG, but do not meet the above definitions for eligible citizenship status.

Undocumented students do not qualify for State financial aid programs (except MI Future Educator Fellowship, MI Future Educator Stipend, and Reconnect).

Eligible Institutions

State financial aid programs require student enrollment at a participating, degree-granting, non-profit Michigan postsecondary institution.

- Only institutions which are incorporated in Michigan and are eligible for Title IV Federal funding may participate in State financial aid programs.
- Out-of-state institutions operating in the state solely under a certificate of authority, are not eligible to participate in State financial aid programs.
- Institutions with a domestic license are eligible, while institutions with a foreign license are not eligible.
- Rules promulgated by Treasury clearly indicate that institutions that are eligible to participate in the programs are only Michigan institutions.
- Both the Tuition Grant Program Act and the Competitive Scholarship Program Act state that Treasury shall determine which institutions are eligible via its promulgated rules.

Institutions seeking eligibility information should visit the [Michigan Department of Labor and Economic Opportunity \(LEO\) Web site](#).

Enrollment Requirements

Enrollment Status

Eligible students must be enrolled at least half-time and the student must be pursuing a certificate, associate, or bachelor's degree. Half-time is defined as a minimum of six (6) credit hours.

Note: TIP has additional enrollment requirements. See page 40 for details.

Acceptable Courses

State financial aid programs will award a student for:

- Courses within their certificate or degree program
- Remedial coursework
- Prerequisite requirements
- Transfer guideline requirements
- Retaking failed courses

Loan Default

An award is prohibited to any student who has defaulted on a Federal Title IV or Title V loan unless the student has met the satisfactory loan repayment arrangement requirements.

Satisfactory Academic Progress (SAP) and Grade Point Average (GPA)

GPA and SAP are to be monitored separately.

SAP

Students must meet and maintain Satisfactory Academic Progress (SAP), as monitored by your institution. Students may not have any reimbursement requests submitted or awards certified if they are not considered to be meeting your institution's SAP policy.

GPA

A student must have at least a cumulative 2.0 GPA at the beginning of an academic year to receive any MCS awards in the same academic year.

A student must have at least a cumulative 2.25 GPA at the beginning of an academic year to receive any CVTG awards in the same academic year. Please see CVTG program rules (page 27) for additional requirements regarding CVTG, GPA, and transfer students.

Selective Service

Registering with Selective Service is not a requirement for SSGO State financial aid programs.

Incarceration, Felony, and Drug Offenses

- For CVTG, a student must not have been convicted of a felony involving an assault, physical injury, or death.
- For MCS and MTG, a student must not be incarcerated.
- Drug offenses do not affect a student's eligibility for State financial aid programs.

Online Courses

SSGO adheres to the Federal definition of "distance education" as defined in the [Federal Student Aid Handbook Glossary](#).

- Distance education is defined as training that uses one or more of the following technologies, the Internet, one-way and two-way transmissions through open broadcast, closed circuit, cable, micro-wave, broadband lines, fiber optics, satellite, or wireless communications devices, audio conferencing, or video cassettes, DVDs, and CD-ROMS, if the cassettes, DVDS, or CD-ROMS are used in a course in conjunction with any of several other technologies, to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor, either synchronously or asynchronously.
- Students may receive State financial aid programs for distance education courses under these conditions:
 - The courses must belong to an eligible program.
 - The institution must have the capability to effectively deliver distance education programs as determined by an approved accrediting agency.
- It is at the discretion of the institution whether or not to include any distance education classes when requesting payment from SSGO.
- Distance education course-specific fees cannot be covered by State financial aid programs.
- For TIP, tuition will only be reimbursed at the approved in-district rate (unless an out-of-district rate was approved).

Consortium Agreements

SSGO adheres to Federal requirements of "consortium agreements" as defined in the [Federal Student Aid Handbook Glossary](#).

- A consortium agreement can apply to all FSA programs. Under a consortium agreement, a student may take courses at another school and have them count toward the degree or certificate at the home school. A student can receive FSA funds only for courses that apply to their certificate or degree program.

A consortium agreement can be a blanket agreement between two or more eligible schools, or it can be written for a specific student. Such an agreement is often used when a student takes related courses at neighboring schools or when a student is enrolled in an exchange program with another eligible school for a semester/term or more. A school could have one agreement for each student, a separate agreement with each host school, or a blanket agreement with a group of schools.

TIP Reimbursement Requests for Consortium Students

Reimbursement requests for Consortium students are always submitted by the home institution.

- The guest institution's Rate-Per-Credit must be used if less than the home institution's Rate-Per-Credit.
- A 'Phase II Only' institution may not submit a Phase I reimbursement request.
- A 'Phase I and Phase II' institution may only submit a Phase I reimbursement request for a Consortium student if the student meets the requirements for Phase I at the home institution.

Guest Students

Students who are identified as guest students at your institution may receive SSGO program funds if they meet the following:

- Have been a legal resident since July 1 of the previous calendar year, and
- Credits earned at your institution will be transferred and applied to a certificate or degree at their home institution, and
- They are currently enrolled in a degree seeking or certification program at their home institution, and
- The [Guest Student Verification Form](#) has been completed. (Institutions must keep this form with the student's financial aid records.)

Note: Students may not receive funds at two institutions at the same time. TIP students may not use Phase I funds if they have previously received Phase II funds.

Study Abroad

Students who are participating in a study abroad program and taking courses within their degree program where tuition is being paid to the Michigan institution and billed at the Michigan tuition rate can receive State financial aid program funds.

Students who are studying abroad may receive State financial aid program funds if:

- They are currently enrolled in a degree seeking or certification program at a participating Michigan institution, and
- Tuition is being billed and paid to the Michigan institution at the Michigan institution's tuition rate.

Program Reviews

All institutions are subject to a program review by the State. The scope of a program review is typically one prior academic year at a time. The purpose of the review is to examine compliance with program regulations, identify problems, answer questions relative to reporting requirements, and to offer assistance regarding policies and procedures that will enhance the administration of the State financial aid programs.

When your institution is selected for a program review, a SSGO representative will contact you to arrange dates for the review. The reviewer will conduct an offsite review, which requires copies of institutional records to be sent to our office for each student aid recipient selected in the program sample.

Note: High school graduation completion information may be confirmed in the Student Information section of MiSSG. If the 'HS Grad Confirmed by CEPI' indicates "Yes," this can be used as documentation for a program review. If the status is "No" or blank, the institution must provide proof of high school completion. The 'HS Grad Confirmed by CEPI' information can also be found on the 'Eligible Students Report' and 'Information Roster.'

Record Retention

SSGO follows the same guidelines as Federal retention requirements; all institutions are required to keep records for three academic years after the student is no longer enrolled at your institution. Please refer to the current [2022-23 Federal Student Aid Handbook, Volume 2, Chapter 7: Record Keeping, Privacy, and Electronic Processes](#) or more information.

Program Types

Awards

Reimbursement Programs

CVTG, F4F, Reconnect, STG, and TIP are considered reimbursement programs which means students are determined to be initially eligible by MiSSG, but no awards are generated.

Certification Programs

FFS, MCS, and MTG are considered certification programs which means students are determined to be initially eligible by MiSSG and awards are generated automatically.

Payments

Quarterly Payments

Quarterly payment files are created based on the net unpaid amounts of certified awards or requested reimbursements since the previous quarterly payment.

CVTG, F4F, FFS, Reconnect, STG, and TIP use this type of payment.

Aggregate Payments

Quarterly payment files are created based on a percentage of an institution's total certified award amount for the academic year.

MCS and MTG are the only State financial aid programs that use this type of payment.

Calculating Quarterly Percentages

An institution will receive a payment for all certified awards, not to exceed the quarterly allotment.

Quarterly allotments are a percentage of the overall State appropriation:

- Quarter 1: 50%
- Quarter 2: 30%
- Quarter 3: 10%
- Quarter 4: 10%

Order of Packaging

Aid restricted to tuition and/or fees must be used before applying funds from State financial aid programs. Institutions will ensure all known aid is applied first.

Multiple Awards

Students may have multiple State financial aid programs designated for tuition and fees.

The packaging order for tuition-specific programs is:

1. STG
2. CVTG
3. MCS
4. MTG
5. F4F*
6. TIP
 - Please refer to the F4F Manual for guidance on determining a student's TIP eligibility when a student is eligible to receive both F4F and TIP.
7. Reconnect*
8. FFS
9. Promise Zone Scholarship
 - The Kalamazoo Promise is not considered a [Promise Zone Scholarship](#) and should be packaged as first dollar.

*F4F or Reconnect

- The Futures for Frontliners and Reconnect scholarships are tuition-specific programs operated through the Michigan Department of Labor and Economic Opportunity (LEO). For specific program criteria and packaging examples visit www.michigan.gov/frontliners or www.michigan.gov/reconnect.
- Handbooks
 - o [Futures for Frontliners Handbook for Community Colleges](#)
 - o [Reconnect Handbook for Community Colleges](#)

MET Contracts

If a student has a [MET contract](#), MET must be applied before any State financial aid program with the exception of MCS. Funds from MCS can be applied to other educational expenses when a student has MET.

Veterans' Benefits and State Financial Aid Programs

The following veterans' benefits must be applied before State financial aid dollars:

- Chapter 35 Dependents Educational Assistance Program (DEA)
- Marine Gunnery Sergeant John David Fry Scholarship
- ROTC Scholarships
- Michigan Children of Veterans Tuition Grant (CVTG)
- Military Tuition Assistance
- Army Continuing Education System (ACES)
- Tuition Assistance for MI Air/Army National Guard (ANG/ARNG)
- Michigan National Guard State Tuition Assistance Program (MINGSTAP)

MCS Only

For MCS only, veterans' benefits received directly by the veteran are excluded from the financial aid packaging order.

If a student has the following veterans' benefits, MCS dollars are applied first:

- Chapter 30 Montgomery GI Bill
- Chapter 31 Vocational Rehabilitation and Employment
- Chapter 32 Veterans Educational Assistance Program
- Chapter 33 Post 9/11 GI Bill
- Chapter 1606 Montgomery GI Bill
- Chapter 1607 Reserve Assistance Program

For information on the Michigan National Guard State Tuition Assistance Program (MINGSTAP) contact the Michigan Department of Military and Veterans Affairs at 517-481-7640 or email mingstap@michigan.gov.

Methods of Certifying Awards and Requesting Reimbursements in MiSSG

The two methods of certifying awards or requesting reimbursements in MiSSG are uploading a file to process awards in a batch or using the online interface to process awards individually.

Method	Pros	Cons
Upload File	<ul style="list-style-type: none"> • Able to process many students in a batch with a single file. • Can have the file generated and exported from the institution's internal data system. 	<ul style="list-style-type: none"> • Requires more technical proficiency to use successfully than the online interface method. • Overcoming file line errors can be frustrating to some users.
Online Interface	<ul style="list-style-type: none"> • Able to quickly process a single student. • Errors can be corrected in real time. • Easier to use. 	<ul style="list-style-type: none"> • Is much slower to process many students compared to the upload file method. • Manual process.

Note: The online interface is the only way to submit reimbursement requests for CVTG, FFS, and STG.

Download Roster File Availability

Downloadable rosters for F4F, MCS, MTG, Reconnect, and TIP will become available for all applicable terms at the beginning of the academic year. The files will contain only students who MiSSG believes meet the requirements of the award program at the School User's institution.

The layout of the download rosters is defined in each program's file format document:

- [F4F Download Reimbursement Roster File Format](#)
- [MCS/MTG Download Certification Roster File Format](#)
- [Reconnect Download Reimbursement File Format](#)
- [TIP Download Reimbursement Request Roster File Format](#)

All file formats are available at www.michigan.gov/missg in the 'MiSSG File Formats for College Administrators' section.

F4F, MCS, MTG, Reconnect, and TIP are the only programs with download files. All others use the online interface.

If you use a download file, you should use the most current file as MiSSG is real-time and as student's certify or transfer schools, your list will update automatically.

For information on how to become a vendor visit the [State of Michigan SIGMA Vendor Self Service \(VSS\)](#).

SSGO provides an annual certification and payment schedule indicating due dates for all programs.

Review the [SSGO Payment Schedule](#).

- Payments are disbursed on a quarterly basis and are made only for students enrolled in the current academic year. Payment should be credited to the student's account unless the student has already satisfied financial obligations to the institution; in such cases, all or part of the award may be paid directly to the student.
- Payments are only made for the current academic year.
 - Prior-year billings will not be processed.

Award Inclusion in Quarterly Payment Files

To have an award included in a quarterly payment file, the award must be certified or have a request for reimbursement submitted prior to the payment file being created.

Special Requirements

Institution Requirements

An eligible student must attend a:

MCS Budget

Institutional Budget

MiSSG requires prior year institutional budgets when calculating current year awards. MiSSG begins loading ISIRs and making tentative awards to students in late fall. Since institutional budgets are often not finalized until the following summer, prior year budgets must be used.

Institutional budgets used to calculate 2023-24 awards must have been entered in MiSSG by the end of September 2022.

Note: Institutions that report their own room and board costs must be able to provide proof to SSGO upon request that at least 10% of their enrollment resides in the institution's dorms.

State Budget

SSGO uses the Consumer Price Index when determining the State budget amounts used for MCS, which is entered in MiSSG annually.

Calculation of Award

To establish initial eligibility, SSGO uses the institutional budget in MiSSG for the student's grade level (determined by the FAFSA) and a student's Factored Family Contribution (FFC) which is the Federal EFC multiplied by 1.25.

If the FFC is less than the institutional budget for the grade level, then financial need is demonstrated. The student may receive an award up to the maximum award amount, but not more than the demonstrated need (budget – FFC).

After the initial eligibility is established, the institution does not need to re-calculate financial need based on a change in Cost of Attendance (COA) or budget.

Minimum Award

For students need of \$1 to \$99, the minimum award amount in MiSSG is \$100 (\$50 Fall and \$50 Spring). For term institutions, the institution will make the determination. The award must be monitored per the guidelines provided below.

Check counts do apply; therefore, if a student wishes to forgo their award to save their check counts, the award can be cancelled.

Monitoring of Award

The institution must monitor that the student does not have other tuition-specific aid or other financial resources that would exceed the student's need or tuition and fees (whichever is less).

The current institutional budget and Federal EFC may be used when monitoring awards.

Tuition-specific Awards

If a student receives an additional tuition-specific award, the institution must monitor that the combination of the additional award and the MCS award does not exceed the student's need or tuition and fees.

To evaluate:

1. Subtract the EFC from the current institutional budget for the appropriate grade level, which may differ from the institutional budget MiSSG used to calculate the student's initial eligibility.
2. Subtract other tuition-specific aid from need to determine the revised need.

Note: A \$300 buffer (\$150 per semester, \$100 per term) may be used annually without affecting the award.

EXAMPLE	
a) Current Institutional Budget	\$25,000
b) EFC	\$15,000
c) Adjusted Need (a minus b)	\$10,000
d) Other Tuition-specific Aid	\$6,000
e) Demonstrated Need (c minus d)	\$4,000
f) Buffer	\$300
g) Revised Need (e plus f)	\$4,300

3. Student need is \$4,300; therefore, award can be certified at the maximum award amount.

Note: The revised MCS award cannot be higher than the initial award.

Additional Program Details

MCS Year-end Balancing

Prior to the 4th quarter payment, aid offices need to resolve discrepancies in student awards and provide year-end totals to SSGO.

Michigan Tuition Grant

Student Requirements/Eligibility

In addition to the requirements for all State financial aid programs, a MTG student must:

- Demonstrate financial need.

Special Requirements

Institution Requirements

An eligible student must attend a:

- Michigan private or independent degree-granting, non-profit institution.

MTG Budget

Institutional Budget

MISSG requires prior year institutional budgets when calculating current year awards. MISSG begins loading ISIRs and making tentative awards to students in late fall. Since institutional budgets are often not finalized until the following summer, prior year budgets must be used.

Institutional budgets used to calculate 2023-24 awards must have been entered in MISSG by the end of September 2022.

Note: Institutions that report their own room and board costs must be able to provide proof to SSGO upon request that at least 10% of their enrollment resides in the institution's dorms.

State Budget

SSGO uses the Consumer Price Index when determining the State budget amounts used for MTG, which is entered in MISSG annually.

Calculation of Award

To establish initial eligibility, SSGO uses the institutional budget in MISSG for the student's grade level (determined by the FAFSA) and a student's Factored Family Contribution (FFC) which is the Federal EFC multiplied by 1.25.

If the FFC is less than the institutional budget for the grade level, then financial need is demonstrated. The student may receive an award up to the maximum award amount, but not more than the demonstrated need (budget – FFC).

After the initial eligibility is established, the institution does not need to re-calculate financial need based on a change in Cost of Attendance (COA) or budget.

Minimum Award

For students need of \$1 to \$99, the minimum award amount in MISSG is \$100 (\$50 Fall and \$50 Spring). For term institutions, the institution will make the determination. The award must be monitored per the guidelines provided below.

Check counts do apply; therefore, if a student wishes to forgo their award to save their check counts, the award can be cancelled.

Monitoring of Award

The institution must monitor that the student does not have other tuition-specific aid or other financial resources that would exceed the student's need or tuition and fees (whichever is less).

The current institutional budget and Federal EFC may be used when monitoring awards.

Tuition-specific Awards

If a student receives an additional tuition-specific award, the institution must monitor that the combination of the additional award and the MTG award does not exceed the student's need or tuition and fees.

To evaluate:

1. Subtract the EFC from the current institutional budget for the appropriate grade level, which may differ from the institutional budget MISSG used to calculate the student's initial eligibility.
2. Subtract other tuition-specific aid from need to determine the revised need.

Note: A \$300 buffer (\$150 per semester, \$100 per term) may be used annually without affecting the award.

EXAMPLE	
h) Current Institutional Budget	\$25,000
i) EFC	\$15,000
j) Adjusted Need (a minus b)	\$10,000
k) Other Tuition-specific Aid	\$6,000
l) Demonstrated Need (c minus d)	\$4,000
m) Buffer	\$300
n) Revised Need (e plus f)	\$4,300

3. Student need is \$4,300; therefore, award can be certified at the maximum award amount.

Glossary

Certificate of Completion

A non-academic credential that is given to a student who has met the requirements of an alternative curriculum approved by the school district.

Students with a certificate of completion are eligible for State financial aid programs; however, are not eligible for Federal financial aid programs.

Certificate Program

An acceptable certificate program must be a minimum of 24 semester credits (or 36 term credits) and at least 30 weeks of instructional time within a 12-month consecutive period.

Check Counts

Check count is the method used to monitor MCS and MTG usage within MiSSG. Each student will have a starting pool of 60 check count and may not receive another MCS or MTG award once this pool is exhausted.

Each MCS/MTG award will reduce a student's remaining check count by:

- 6 check count for an award at full-time enrollment; or
- 4.5 check count for an award at three-quarter-time enrollment; or
- 3 check count for an award at half-time enrollment.

Students without enough check count remaining for a full award will have their final MCS/MTG award prorated.

Credit Hours

State financial aid programs may only award based on credit hours; not contact or billable hours with the exception of F4F and Reconnect. SSGO adheres to the Federal definition of "credit hour" as defined in the [Federal Student Aid Handbook Glossary](#).

"A credit hour is an amount of work that reasonably approximates not less than:

- *One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class work each week for approximately 15 weeks for one semester or trimester hour of credit, or 10 to 12 weeks for one quarter hour of credit, or at least the equivalent amount of work over a different amount of time; or*
- *At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours."*
