Office of
Higher
Education

STATE OF MICHIGAN
DEPARTMENT OF
LIFELONG EDUCATION, ADVANCEMENT, AND POTENTIAL

LANSING

GRETCHEN WHITMER
GOVERNOR

DR. BEVERLY WALKER-GRIFFEA
DIRECTOR

Dear Financial Aid Administrator:

The Office of Higher Education, a division within the Michigan Department of Lifelong Education, Advancement, and Potential (MiLEAP), works to remove barriers for Michigan students by providing State financial aid programs, resources, and information.

MiLEAP administers State financial aid and Outreach resource programs. Our programs provide nearly \$560 million to more than 135,000 students annually. We cannot do the work that we do without relying on our partners; high school counselors, college access professionals, and YOU!

The Office of Higher Education ensures that every Michigander has the skill certificate or degree they need to prosper, and help employers hire the talent they need to succeed. The Office of Higher Education is responsible for:

- Determining eligibility and managing funds for State financial aid programs.
- Supporting the Governor's Sixty by 30 goal, where by 2030, 60% of working-age Michiganders will have a certificate or college degree.
- Maintaining data transparency and reporting in our management of State-funded scholarship programs, as well as in progress tracking towards our postsecondary attainment goals, to ensure equitable access to educational pathways to success for all our students regardless of age, income, race/ethnicity, or where they live.
- Educating Michigan citizens by promoting postsecondary education, financial education, and financial aid options to Michigan students and families.

The *State Programs and Procedures Manual - For Financial Aid Professionals* provides an overview of the programs we offer and the eligibility requirements. Our goal is to help you assist your students by providing information on the administration of [Michigan's scholarship and grant programs](#) and to maintain compliance with the administration of State financial aid programs.

As our partner, we want to work with you. If you have questions or suggestions, please contact our Customer Care Center at 888-447-2687 or MiStudentAid@Michigan.gov. We appreciate your support as we work together to help Michigan students make college accessible, affordable, and attainable.

Sincerely,

A handwritten signature in cursive script that reads "Diann Cosme".

Funding

The Michigan legislature appropriates funds each fiscal year. The following [Web site](#) provides historical and current funding levels by program.

Calendar Definitions and Schedule

Three types of 'years' are defined by the Office of Higher Education:

- A calendar year is January 1 through December 31.
- A fiscal year is October 1 through September 30.
- An academic year is September 1 through August 31.

Summer Term

The Office of Higher Education considers summer to be the trailer for all State financial aid programs.

Non-standard Term

Students enrolled in a non-standard term may be eligible for State financial aid programs if they meet the individual program eligibility requirements. Institutions should retain detailed records for students in this situation that include dates of enrollment for each semester/term and the correlating semester/term the student was paid in MiSSG. It is suggested that when performing certification/request for reimbursement for non-standard terms, the institution chooses the semester/term that most overlaps the dates of the non-standard term.

Within an academic year, postsecondary institutions have either semesters or terms, which will change the effective start dates used during the payment process and to evaluate student awards.

Semester	Semester Name in MiSSG	Start Date Used for Evaluation
1st	Fall	August 23, 2025
2nd	Spring	January 7, 2026

*Note: For MI Fellowship, institutions must complete Confirmation of Eligibility no later than July 1, 2026. Eligible MI Fellowship students must sign their Commitment to Teach in Michigan Agreement (CTMA) no later than July 15, 2026.

FAFSA Requirements

To be eligible for most State financial aid programs, a student must have a Free Application for Federal Student Aid (FAFSA) on file in MiSSG. The following programs do not require a FAFSA to be filed:

- Michigan Achievement Skills Scholarship
- MI Future Educator Stipend
- Michigan Indian Tuition Waiver

MISSG uses the data in the Institutional Student Information Record (ISIR) to evaluate eligibility for State financial aid programs and make initial awards. Students should be receiving their State financial aid at the same institution they are receiving their Title IV aid.

FAFSA Transaction Updates

MISSG will load all 2025-26 FAFSA transactions; including subsequent transactions through July 10, 2026 (unless a student has an award certified or paid reimbursement for Academic Year 2025-26).

FAFSA Status

Completed FAFSA

The FAFSA must be submitted, completed, and verified (if required) for the following programs:

- Fostering Futures Scholarship
- Michigan Achievement Scholarship/Community College Guarantee
- Michigan Competitive Scholarship
- Michigan Tuition Grant

NEW! The FAFSA must be submitted. It does not have to be completed or verified (except identity verification) to qualify for these programs:

- Children of Veterans Tuition Grant
- Futures for Frontliners
- MI Future Educator Fellowship
- MI GEAR UP Scholarship
- Michigan Reconnect Scholarship
- Michigan Reconnect Expansion
- Police Officer's and Fire Fighter's Survivor Tuition Grant
- Tuition Incentive Program

NEW! If a student is selected for identity verification, this process **must be completed** before any State financial aid can be awarded (including programs that only require a submitted FAFSA). This requirement is in accordance with [Federal Student Aid's Electronic Announcement: APP-25-16](#).

The following State financial aid programs also require an additional application:

- Children of Veterans Tuition Grant (One time only special application.)
- Fostering Futures Scholarship (Annual special application required.)
- Futures for Frontliners (One time only special application, closed.)
- MI Future Educator Fellowship (Annual special application required.)
- MI Future Educator Stipend (Annual special application required.)
- Michigan Indian Tuition Waiver (One time only special application.)
- Michigan Achievement Skills Scholarship (Annual special application required.)
- Michigan Reconnect (One time only special application.)
- Michigan Reconnect Expansion (One time only special application.)
- Police Officer's and Fire Fighter's Survivor Tuition Grant (One time only special application.)

Program specific applications are available in the [MISSG Student Portal](#).

Chapter III - Program Eligibility Requirements

High School Completion Requirements

For State financial aid programs, high school completion is considered:

- High school diploma; or
- Certificate of completion or its recognized equivalent.

Home-schooled students may be eligible if the institution accepts the home-school documents as proof of high school completion. For Michigan Achievement Scholarship and Michigan Achievement Skills Scholarship, if the institution accepts the home-school documents as proof of high school completion and the student meets all other eligibility requirements, they will be eligible for the award.

The following programs require proof of high school completion:

- MI Future Educator Fellowship
- MI GEAR UP Scholarship (MI GEAR UP)
- Michigan Achievement Scholarship/Community College Guarantee
- Michigan Achievement Skills Scholarship
- Michigan Competitive Scholarship (MCS)*
- Michigan Tuition Grant (MTG)*
- Tuition Incentive Program (TIP)

NEW! The following programs do not require proof of high school completion:

- Children of Veterans Tuition Grant (CVTG)
- Fostering Futures Scholarship (FFS)
- Futures for Frontliners
- MI Future Educator Stipend
- Michigan Indian Tuition Waiver (MITW)
- Michigan Reconnect/Reconnect Expansion
- Police Officer's and Fire Fighter's Survivor Tuition Grant (STG)

*The [High School Completion Substitution Form](#) may be used by the institution for MCS and MTG students who have not met the high school completion requirement. The form must be on file prior to payment.

Notes:

- High school graduation completion information may be confirmed in the Student Information section of MiSSG. If the 'HS Grad Confirmed by CEPI' indicates "Yes," this can be used as documentation for a program review. If the status is "No" or blank, the institution must provide proof of high school completion.
- For Futures for Frontliners, students must have graduated from high school with a diploma or earned an equivalency certificate by December 31, 2020.
 - Applicants are self-attesting that they have a high school diploma already and do not have an associate or bachelor's degree yet. Community colleges are not responsible for doing an independent verification of past educational history when reviewing an applicant's eligibility for F4F.
- **CLARIFIED!** For Reconnect/Reconnect Expansion purposes, self-certification (on the Reconnect scholarship application and the FAFSA) of high school completion is acceptable.

Updating High School Graduation in MiSSG

When a high school graduation year is inaccurate or missing from a student's record in MiSSG, institutions should update the high school graduation year and month in MiSSG. Please review the following instructions, '[How to Update High School Graduate Year.](#)'

High School Completion and Mid-year/Off-cycle Awards

CLARIFIED! Students must complete their high school requirements before the start date of their coursework for the semester/term at their institution to be considered for State financial aid. Institutions are responsible for verifying the student met their high school completion requirements prior to the semester/term start date they begin awarding State financial aid. Institutions will need to contact the

Office of Higher Education to initiate a system override for students in this scenario.

Example: Student graduated high school May 28, 2025 and enrolled for Summer 2025 courses. Their courses begin on June 30, 2025, this student is eligible to receive State financial aid for the summer.

CLARIFIED! Note: For programs with maximum semester/term/year limits, the summer award will count toward award limits.

Residency Requirements

Except for the MI Future Educator Stipend, State financial aid programs require Michigan residency.

A student is considered to have met the Michigan residency requirements if the date of residency from the FAFSA is on or before July 1 of the preceding calendar year.

For example, in Academic Year 2025-26, the date of residency must have been on or before July 1, 2024.

A student's dependency status will determine if student and/or parent data will be used for determining residency:

- **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- If the applicant is an independent student, the applicant's state and date of residency from the FAFSA is used to determine Michigan residency.

Note: If an independent student, or the contributor on the FAFSA of a dependent student, resides outside of the state after Michigan residency was determined, then the student would remain eligible for Academic Year 2025-26.

Program Specific Residency Requirements

CVTG Application Residency

A student is considered to have met the CVTG application residency requirements if the date of Michigan residency is at least 12 months prior to the date of the CVTG application.

Michigan Achievement Skills Scholarship Application Residency

A student is considered to have met the Michigan Achievement Skills Scholarship residency requirement if they have maintained continuous Michigan residency for at least the immediately preceding year.

- The student is considered meeting this criterion if they can verify that they have been a Michigan resident for at least one year by the start of the semester/program.

Michigan Indian Tuition Waiver Residency

NEW! A student is considered to have met the MITW residency requirement if they are a legal resident of Michigan and resided in Michigan for at least twelve consecutive months prior to the time of their MITW application. Students are verified through one of the following methods:

1. MiLEAP confirmation of the establishment of legal residency via access to Secretary of State SOS records (verifying that the student has established legal residency with SOS by, for example, obtaining a Driver's License or State ID or registering to vote).
2. If SOS records cannot demonstrate legal residency, a Tribal ID that includes a Michigan address and an issuance date at least 12 months prior to the MITW application can be reviewed to demonstrate legal residency.

Reconnect Application Residency

- For Reconnect: An applicant must have maintained continuous Michigan residency for at least the immediately preceding year.
 - For Reconnect purposes, the student is considered meeting this criterion if they can verify that they have been a Michigan resident for at least one year by the start of the semester.
- For Reconnect Expansion: An applicant must be a Michigan resident since July 1 of the previous

calendar year.

- If the applicant is a dependent student, the contributor(s) on the FAFSA must also be a Michigan resident since July 1 of the previous calendar year.

STG Application Residency

A student is considered to have met the STG application residency requirements if the date of Michigan residency is at least 12 months prior to the date of the STG application.

Updating a Student's Residency

If MiSSG is unable to evaluate a student's residency status or the determination was incorrect, then an institution may update the student's application. Please see instructions for the Clear Ineligible Reasons List in the [MiSSG Manual for Aid Administrators](#) for further details.

Documents that could be used to update a student's residency determination:

- State/Federal tax returns or statements
- Michigan voter/vehicle registration or driver's license
- Utility bills, rent receipts, or property tax statements
- Any documents denoting Michigan residency

Notes:

- During program reviews, an institution may be asked to provide copies of the supporting documents used to determine a student's residency.
- **NEW!** MITW residency cannot be updated by the institution. All MITW residency evaluations are performed by the Office of Higher Education. If an institution believes the evaluation is incorrect or has changed, they must contact Melissa Kiesewetter at MITW@Michigan.gov.

Citizenship Requirements

CLARIFIED! If the student is neither a citizen nor an eligible non-citizen, the student is not eligible for most State financial aid programs. MI Future Educator Fellowship, MI Future Educator Stipend, Michigan Reconnect, and Reconnect Expansion do not require U.S. Citizenship. The Office of Higher Education adheres to the [U.S. Department of Education's U.S. Citizenship and Eligible Noncitizens definition](#).

U.S. citizen (or U.S. national) if student is:

- A United States citizen by birth or by naturalization.
- A person (except for the children of foreign diplomatic staff) who is born in the 50 states, the District of Columbia, and in most cases, Puerto Rico (PR), the U.S. Virgin Islands (VI), Guam (GU), and the Northern Mariana Islands (MP) are U.S. citizens, as are most persons born abroad to parents (or a parent) who are citizens.
- All U.S. citizens are considered to be U.S. nationals, but not all nationals are citizens: natives of American Samoa and Swain's Island (AS) are not U.S. citizens, but are nationals.

Eligible non-citizen if student is not a U.S. citizen (or U.S. national) and is one of the following:

- A U.S. permanent resident, with a Permanent Resident Card (I-551), or a conditional permanent resident with a Conditional Green Card (I-551C).
- **CLARIFIED!** Other eligible non-citizen with an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: "Refugee," "Asylum Granted," "Parolee" (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder (T-1, T-2, T-3, etc.), "Ukrainian Citizens and Nationals," "Afghan Citizens and Nationals Paroled into the U.S. Between July 31, 2021 and September 30, 2023," "Cuban-Haitian Entrant."
- The holder of a valid certification or eligibility letter from the Department of Health and Human Services showing a designation of "Victim of human trafficking."
- **CLARIFIED!** Battered or Abused Spouses or Children-Qualified Noncitizens, formerly known as Battered Immigrants-Qualified Aliens, are victims of domestic violence by their U.S. citizen or lawful permanent resident (LPR) spouses, former spouses, or parent. They may, with their

designated children, self-petition for immigration classification under the Violence Against Women Act (VAWA).)

- A resident of the Republic of Palau (PW), the Republic of the Marshall Islands (MH), or the Federated States of Micronesia (FM).
- A Canadian-born Native American under terms of the Jay Treaty.

CLARIFIED! Neither citizen nor eligible non-citizen if student is in the U.S. and has:

- Been granted Deferred Action for Childhood Arrivals (DACA)
- A F1, F2, or M-1 student Visa
- A NATO Visa
- An A2 and A3 Visa (foreign official, including attendants)
- A B-1 or B-2 Visitor Visa
- A J1 or J2 exchange Visitor Visa
- A H series or L series Visa (which allow temporary employment in the U.S.)
- A G series visa (pertaining to international organizations)
- Other categories not included under U.S. citizen and eligible non-citizen

Institutions must inform the Office of Higher Education of any students who are currently considered eligible for an award (any program) within MiSSG, but do not meet the above definitions for eligible citizenship status.

MITW Citizenship Requirements

NEW! Students must be an enrolled citizen of a Federally Recognized Tribe as identified by the United States, which is certified through the application process by the student's Tribal Enrollment Department and by an enrollment officer.

Note: State/historic Tribes and Canadian First Nations are not recognized by the U.S. government and, therefore, are not eligible.

Participating Institutions

CLARIFIED! To receive State financial aid, students must be enrolled at a participating institution located in Michigan. The following types of institutions qualify:

- Public universities
- Public community colleges
- Tribal colleges
- Eligible non-profit colleges and universities
- [Eligible career training providers](#) and programs (for the Michigan Achievement Skills Scholarship only)
- [Educator Preparation Programs](#) (for the MI Future Educator Fellowship and Stipend only)

A current [list of participating institutions](#) is available on the Office of Higher Education Web site.

Each scholarship program is authorized by state law and the criteria for which eligible institutions may participate are included in the statute. Not all institutions are eligible to participate in every State financial aid program.

Eligibility Criteria for Participating Non-profit Colleges and Universities

To qualify as **a participating non-public, degree-granting institution**, the following criteria must be met:

- **State Authorization:** Must be an authorized Educational Corporation in Michigan and meet the five adequacy standards set by the Michigan Department of Labor and Economic Opportunity's (LEO) Office of Postsecondary Schools:
 1. Adequate housing space and administrative facilities
 2. Adequate laboratory, library, and teaching facilities
 3. Qualified instructional staff
 4. Quality educational program (must be accredited and degree-granting)

5. Demonstrated financial viability

- **Institution Type:** Must be non-profit, non-public degree-granting institution.
- **Academic Programs:** Must offer undergraduate programs that are not comprised solely of religious studies.
- **Federal Aid Eligibility:** Must participate in Title IV Federal Student Aid programs.
- **Operational Presence:** Institutions must offer in-person, undergraduate programs for instruction in Michigan. Hybrid and online options may be available, but an in-person component must be available.
- **Tuition Restraint:** Institutions must comply with tuition restraint to receive certain State financial aid, including the Michigan Achievement Scholarship, MI Future Educator Fellowship, and MI Future Educator Stipend.

Non-public institutions interested in becoming eligible should visit the [Michigan Department of Labor and Economic Opportunity \(LEO\) Web site](#) or contact the Office of Postsecondary Schools at 517-335-5858 or PSS@Michigan.gov. LEO's Office of Postsecondary Schools holds the statutory authority for approving non-public institutions under the Michigan General Corporation Act ([PA 327 of 1931](#)). MiLEAP assesses institutions annually to maintain a current list of participating institutions. Institutions can contact MiLEAP regarding this process at 888-447-2687 or MiStudentAid@Michigan.gov.

Enrollment Requirements

Enrollment Status

Eligible students must be enrolled at least half-time for most State financial aid programs and the student must be pursuing a certificate, associate, or bachelor's degree. Half-time is defined as a minimum of six (6) credit hours.

Notes:

- Michigan Achievement Scholarship/Community College Guarantee requires full-time enrollment, see program page for more information.
- MI Future Educator Fellowship and MI Future Educator Stipend requires full-time enrollment, see program page for more information.
- Futures for Frontliners and Reconnect do not require half-time enrollment.
- There is no minimum or maximum enrollment for MITW.

Program Eligibility

NEW! 2026-27 Students may use State financial aid at an eligible institution when enrolled in an eligible certificate or degree-granting program. Certificate programs must be at least 24 semester credits (or the clock-hour equivalent) **and** include a minimum of 30 weeks of instruction or 26 weeks of instruction time if the program is offered in clock hours completed within a 12-month period.

Institutions must convert clock-hour billing to credit-hour billing when requesting payment from the Office of Higher Education.

Note: Program specific requirements include the following clarifications:

- **Tuition Incentive Program (TIP)**
 - Phase II: Students must be enrolled in a bachelor's degree program.
- **Michigan Reconnect / Futures for Frontliners / Reconnect Expansion**
 - Be admitted to, and enrolled in, a Pell-eligible program at an eligible institution leading to an associate degree or industry-recognized certificate or credential.
- **MI Future Educator Fellowship and Stipend**
 - Students must be admitted in an eligible Educator Preparation Program leading to teacher certification.
- **Michigan Achievement Scholarship & Community College Guarantee**
 - Students must be enrolled full-time in an eligible certificate or degree-granting program. Courses outside of their program may be included in their full-time calculations.

- **Michigan Achievement Skills Scholarship**
 - Students must be enrolled in an eligible Career Training Program.
- **Michigan Indian Tuition Waiver**
 - Eligibility is not limited by degree level, certificate length, enrollment status, or number of credentials pursued, consistent with statute.

Acceptable Courses

State financial aid programs will award a student for:

- Courses within their certificate or degree program:
 - F4F
 - Michigan Achievement Skills Scholarship
 - MI Stipend
 - Reconnect
 - Reconnect Expansion
 - STG
 - TIP
- Courses outside their certificate or degree program:
 - CVTG
 - FFS
 - MI Fellowship
 - MI GEAR UP
 - Michigan Achievement Scholarship/Community College Guarantee
 - Michigan Competitive Scholarship
 - Michigan Indian Tuition Waiver
 - Michigan Tuition Grant
- Remedial coursework
 - See specific requirements for [F4F](#), [Reconnect](#), and [Reconnect Expansion](#).
- Prerequisite requirements
- Transfer guideline requirements
- Repeating courses to achieve a passing grade
 - **NEW!** Allows for a previously passed course to be repeated a maximum once per course. In cases where institutional or program-specific policies require a higher qualitative grade or measure to be recognized as a passing mark, a student may continue to be awarded State financial aid.

Loan Default

An award is prohibited to any student who has defaulted on a Federal Title IV loan (except MITW, Reconnect and Reconnect Expansion) unless the student has met the satisfactory loan repayment arrangement requirements.

Satisfactory Academic Progress (SAP) and Grade Point Average (GPA)

GPA and SAP are to be monitored separately.

GPA

Michigan Competitive Scholarship

A student must have at least a cumulative 2.0 GPA at the beginning of an academic year to receive any MCS awards in the same academic year.

Children of Veterans Tuition Grant

A student must have at least a cumulative 2.25 GPA at the beginning of an academic year to receive any CVTG awards in the same academic year. Please see CVTG program rules for additional requirements regarding CVTG, GPA, and continuing students.

MI Future Educator Fellowship

A student must have a minimum cumulative 3.0 GPA prior to the initial award period of the academic year. The GPA is to be monitored once per award year. If the student is a transfer student or attempting an advanced degree, and has no institutional GPA, the institution should consider the student's most recent postsecondary GPA or may consider an average of all previous postsecondary GPAs, whichever is more favorable to the student.

SAP

Students must meet and maintain Satisfactory Academic Progress (SAP), as monitored by your institution. Students may not have any reimbursement requests submitted or awards certified if they are not considered to be meeting your institution's SAP policy.

NEW! Note: MI Future Educator Stipend and MITW does not require students to be meeting SAP.

GPA/SAP for Futures for Frontliners/Path 2 and Reconnect/Expansion

CLARIFIED! Students must maintain Satisfactory Academic Progress (SAP), as defined by the institution, or a cumulative GPA of at least 2.0 at the institution since becoming a F4F or Reconnect participant after the academic year in which a student was required to earn and earned 12 credit hours.

- If the student did not earn 12 credit hours and was required to earn 12 credit hours report student as not meeting minimum credit hours earned.
- If the institution is calculating the student's cumulative minimum 2.0 GPA, grades earned prior to the student's participation in F4F/Reconnect are not to be considered in the calculation.
- At the end of the academic year, if the student does not meet SAP and the required GPA minimum, this must be reported in MiSSG as 'SAP and GPA Not Met' and the student will no longer be eligible to continue with the scholarship program.

Selective Service

Registering with Selective Service is not a requirement for State financial aid programs.

Incarceration, Felony, and Drug Offenses

- For CVTG, a student must not have been convicted of a felony involving an assault, physical injury, or death.
- For MCS, and MTG, a student must not be incarcerated.
- Drug offenses do not affect a student's eligibility for State financial aid programs.

Online Courses

The Office of Higher Education adheres to the Federal definition of "distance education" as defined in the [Federal Student Aid Handbook Glossary | Knowledge Center](#).

"Training that uses one or more of the technologies below to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor, either synchronously or asynchronously. The technologies may include:

- *the Internet;*
- *one-way and two-way transmissions through open broadcast, closed circuit, cable, micro-wave, broadband lines, fiber optics, satellite, or wireless communications devices;*
- *audio conferencing; or*
- *video cassettes, DVDs, and CD-ROMS, if the cassettes, DVDs, or CD-ROMS are used in a course in conjunction with any of several other technologies."*
- Students may receive State financial aid programs for distance education courses under these conditions:
 - The courses must belong to an eligible program.
 - The institution must have the capability to effectively deliver distance education

programs as determined by an approved accrediting agency.

- It is at the discretion of the institution whether or not to include any distance education classes when requesting payment from the Office of Higher Education.
- Distance education course-specific fees can be covered by State financial aid programs.
- **NEW!** Tuition will only be reimbursed up to the approved in-district rate (unless an out-of-district rate was approved for TIP) for the following programs:
 - Futures for Frontliners/Path 2
 - Michigan Achievement Scholarship Community College Guarantee
 - Michigan Reconnect/Expansion
 - Tuition Incentive Program

Consortium Agreements

NEW! Consortium agreements offer students the opportunity to take courses at a different institution (called a “host” institution) while earning credits that can count toward the student's degree at their home institution. A consortium agreement can be a blanket agreement between two or more eligible institutions, or it can be written for a specific student. Such an agreement is often used when a student takes related courses at neighboring institutions or when a student is enrolled in an exchange program with another eligible institution for a semester/term or more. An institution could have one agreement for each student, a separate agreement with each host institution, or a blanket agreement with a group of institutions.

Under a consortium agreement, a student may take courses at another institution and have them count toward the degree or certificate at the home institution. If a home institution has a signed consortium agreement with the host institution (either as a blanket or individual) the courses taken at the host institution should be treated as though the student is taking them at their home institution – both for enrollment purposes and award amounts. For the purposes of administering State financial aid, the home institution must maintain information on the student's eligibility, how the award is calculated, disburse the aid, and any other documentation associated with the award, even if the documentation comes from other institutions.

For the following programs that cover a community college's “in-district” tuition rate, the scholarship must be awarded at the home institution's in-district rate minus gift aid for credit hours taken as part of a consortium:

- Futures for Frontliners/Path 2
- Michigan Achievement Scholarship Community College Guarantee
- Michigan Reconnect/Expansion
- Tuition Incentive Program

Notes:

- If the host institution's tuition rate is less than the home institution's in-district tuition rate, the lesser of the two rates must be used when calculating the award.
- A ‘TIP Phase I’ home institution may award TIP Phase I at the home institution's out-of-district rate for approved out-of-district students.
- A ‘TIP Phase II Only’ institution may not submit a Phase I reimbursement request.
- A ‘TIP Phase I and Phase II’ institution may only submit a Phase I reimbursement request for a consortium student if the student meets the requirements for Phase I at the home institution.
- Students enrolling in courses offered through Michigan Colleges Online (MCO) must be treated the same as consortium tuition charges.

Guest Students

Students who are identified as guest students at your institution may receive State financial aid program funds if they meet the following:

- Have been a [legal resident](#) since July 1 of the previous calendar year, and

- Credits earned at your institution will be transferred and applied to a certificate or degree at their home institution, and
- They are currently enrolled in a degree-seeking or certification program at their home institution, and
- The [Guest Student Designation Form](#) has been completed. (Institutions must keep this form with the student's financial aid records.)

Notes:

- Students may not receive funds at two institutions at the same time, except for MITW.
- TIP students may not use Phase I funds if they have previously received Phase II funds.
- Guest students are not eligible for F4F, Reconnect, and Reconnect Expansion.
- **CLARIFIED!** Michigan Achievement Scholarship Community College Guarantee students who are Federal Pell eligible, but are not receiving a Federal Pell Grant at their Guest institution may still be considered for the Michigan Achievement Scholarship Bonus.

Study Abroad

Students who are participating in a study abroad program may receive State financial aid program funds if:

- They are taking courses within their degree-seeking or certification program at a participating Michigan institution, and
- Tuition is being billed and paid to the Michigan institution at the Michigan institution's tuition rate.

CLARIFIED! Note: For Michigan Achievement Scholarship, courses outside of the student's degree program may count toward both the enrollment requirement and the award amount.

Chapter IV – Program Details

Children of Veterans Tuition Grant

Contact

Program Coordinator: Christy Williams, WilliamsC96@Michigan.gov

Description

Provides undergraduate tuition assistance to students who are the natural or adopted child of a qualified Michigan veteran who has died or become totally and permanently disabled due to a service-connected illness or injury, or missing in action (MIA), as a result of military service.

Application

CLARIFIED! Students must complete an initial application (one time only). Applications are available January 1 for the following academic year. The deadline to apply is July 15, 2026. To complete an initial application or check the status, the student can log into the MiSSG Student Portal at Michigan.gov/MiSSG. In addition to the CVTG application, the following documents must also be submitted:

- Applicant's (child's) birth certificate (must list parents' names, which must include the veteran as a parent).
- Veteran's discharge certificate or separation document (DD Form 214).
- Veteran's death certificate or casualty report (if applicable).
- Proof of total and permanent disability or death due to service-incurred causes.
- **CLARIFIED!** Prior year transcript if the student has attended college previously.

Student Requirements/Eligibility Criteria

To be eligible for an award, a student must:

- Complete an initial application (one time only).
 - The 2025-26 application is available January 1, 2025 and the deadline is July 15, 2026.

- Be older than 16 and less than 26 years of age.
- Not have been convicted of a felony involving an assault, physical injury, or death.
- File a current year Free Application for Federal Student Aid (FAFSA)
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
- Not be in default on a Federal student loan.
- Be a Michigan resident for 12 months prior to program application.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Be a high school graduate or its recognized equivalent.
 - Proof of high school completion is not required.
- Be an undergraduate student.
- Be enrolled at least half-time at a participating institution.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Have a minimum cumulative GPA of at least 2.25, which is monitored annually, at the beginning of an academic year to receive any CVTG awards in the same academic year.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA)

- **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Be an undergraduate student.
- Enroll at least half-time at a participating institution.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Maintain a minimum cumulative Grade Point Average (GPA) of at least 2.25 prior to the beginning of the academic year.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Program Award Information

Award maximum is \$2,800 per academic year. Award is tuition-specific and may also include mandatory fees. CVTG does not restrict what classes a student can enroll in. Courses outside of the degree program may count toward the enrollment requirement and covered costs.

Maximum annual awards are determined by the student's enrollment status:

- Full-time students can receive up to a maximum of \$2,800 (\$1,400 per semester/term).
- Three-quarter time students can receive up to a maximum of \$2,100 (\$1,050 per semester/term).
- Half-time students can receive up to a maximum of \$1,400 (\$700 per semester/term).

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

CVTG Reimbursement Requests

Reimbursement requests must be submitted for individual students using the online interface method in MiSSG. To do so, navigate to the Reimbursement Request menu under the Children of Veterans Tuition Grant menu, select a term, and click the Request Reimbursement button. Technical procedures are available in the [Aid Administrators MiSSG Manual](#).

Program Limits

Program eligibility ends when a student has:

- Received CVTG funds in four academic years, which is counted as eight semesters (does not have to be consecutive); or
- Received the maximum total funding of \$11,200; or
- Reached age 26.

Special Requirements

Institution Requirements

Participating Institutions

An eligible student must attend a:

- Michigan public degree-granting, community college, Tribal college, or public university; or
- Michigan private or independent degree-granting, non-profit institution.

Veteran Requirements

A qualifying parent veteran must have been:

- **CLARIFIED!** A legal resident of Michigan immediately before entering military service **and** did not

later reside outside of Michigan for more than two years; **or** the veteran must have established (and maintains) legal residency in Michigan after entering military service.

- Killed in action or died from another cause while serving in a war or war condition in which the United States of America was or is participating; or,
- Died or become totally and permanently disabled as a result of a service-connected illness or injury as determined by the U.S. Department of Veterans Affairs; or,
- Totally and permanently disabled as a result of a service-connected illness or injury prior to death and has now died; or,
- Listed as Missing in Action (MIA) in a foreign country as determined by the U.S. government.

Additional Program Details

Felony Reporting

Institutions that become aware of a CVTG student who is convicted of a felony involving an assault, physical injury, or death, must provide the Office of Higher Education with documentation as the student is no longer eligible for future payments.

Program Coordinator: Christy Williams, WilliamsC96@Michigan.gov

Description

Provides funding for non-public high school students to complete up to ten college courses between 9th grade and 12th grade. MDE administers the Dual Enrollment (DE) program and works closely with the Office of Higher Education.

For full program details, please reference the [Michigan Department of Education Web site](#).

Application

Secondary schools provide letters of eligibility to students.

Student Requirements/Eligibility Criteria

Students are identified and approved by their high school.

Program Award Information

DE funds may be used for eligible charges including:

- Tuition
 - In-district Tuition if attending a Michigan community college
- Mandatory fees
- Materials fees (including books)
- Registration fees

NEW! Institutions must complete and submit the [2025-26 Non-public Dual Enrollment Billing Form](#) to MDE for courses taken within Academic Year 2025-26. Billing Forms must be completed and submitted to the State for payment no later than July 31, 2026.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

Program Limits

Program eligibility ends when a student has:

- Completed high school; or
- Completed ten college courses; or

Special Requirements

Institution Requirements

An eligible student must attend a:

- Michigan public degree-granting, community college, Tribal college, or public university; or

- Michigan private or independent degree-granting, non-profit institution.

Additional Program Details

- For students from a public high school, the postsecondary institution will bill the high school's district.
- For students from a non-public high school, the postsecondary institution will bill MDE which will verify courses and costs. MDE submits monthly billings to the Office of Higher Education which processes payment.
- A student who does not successfully complete a course shall repay the Office of Higher Education any eligible charges expended and not refunded by the postsecondary institution.

Fostering Futures Scholarship

Contact

Program Coordinator: Stephanie Dillon, DillonS7@Michigan.gov

Description

Provides scholarships to students who have experienced foster care in Michigan on or after age 13. Students must also demonstrate financial need to qualify.

Application

NEW! Students must complete an application each year. Applications are available March 15 for the following academic year. The priority deadline to apply is December 31, 2025. To complete an application or check the status, the student can log into the MiSSG Student Portal at Michigan.gov/MiSSG.

NEW! 2026-27 Eligible students only need to apply **once**. Approved applications now will remain valid as long as a student submits a FAFSA each year.

Student Requirements/Eligibility Criteria

To be eligible for an award, a FFS student must:

- Complete a current year FFS application prior to the deadline.
 - The 2025-26 application is available March 15, 2025 and the priority deadline is December 31, 2025.
- Have been in Michigan foster care due to abuse/neglect on or after their 13th birthday.
- File a current year Free Application for Federal Student Aid (FAFSA)
 - A completed FAFSA is required and it must be verified if selected for verification.
- Not be in default on a Federal student loan.
- Demonstrate financial need.
- Be a Michigan resident since July 1 of the previous calendar year.

Futures for Frontliners Scholarship

Contact

- Path 1: Program Coordinator: Don Florinchi, FlorinchiD@Michigan.gov
- Path 2: LEO-AdultEd@Michigan.gov

Description

Futures for Frontliners (F4F) provides last-dollar scholarship funding to community college for Michiganders without college degrees, who worked as frontline workers in essential industries between April 1 – June 30, 2020, to pursue a Pell-eligible associate degree or industry-recognized certificate. The scholarship program is intended to give thanks to those who put themselves at risk during our state COVID-19 shutdown to help keep our state running.

F4F offers two pathways to community college for:

- Community College ("Path 1") pathway for frontline workers who had their high school diploma or equivalent.
- High School Completion ("Path 2") pathway for frontline workers who needed to complete their high school diploma or equivalent prior to or while dually enrolled at an eligible institution.
 - Note: "Path 2" is administered by the Office of Adult Education in the Michigan Department of Labor and Economic Opportunity Workforce Development (LEO-WD).

Application

The F4F application deadline to apply for the scholarship was 11:59 p.m. on December 31, 2020.

Student Requirements/Eligibility Criteria

To be eligible for the award, the applicant must:

- Have completed a F4F application prior to 11:59 p.m. on December 31, 2020.
- Have been employed in an essential industry at least 11 of the 13 weeks between April 1 to June 30, 2020, where they worked an average of at least 20 hours per week.
- Have been required by their job to work outside of their home at least some of the time between April 1 to June 30, 2020.
- File a current year Free Application for Federal Student Aid (FAFSA)
 - A completed FAFSA is required and it must be verified if selected for verification.
- Not be in default on a Federal student loan.
- Be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Possess a high school diploma or its recognized equivalent.
 - Proof of high school completion is not required.
- Not have an associate or bachelor's degree.
 - Applicants who earned a certificate previously or are currently enrolled in an associate degree program but have not yet earned an associate or bachelor's degree, are eligible for the program.
- Have enrolled in a Pell-eligible program at least half-time (6 credits) in courses toward their program of study and began classes under the scholarship program in the Winter, Spring, Summer or Fall semester of 2021.

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA).

- A completed FAFSA is required and it must be verified if selected for verification.
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Not have an associate or bachelor's degree.
- Maintain enrollment in a Pell-eligible program in their program of study and earn at least 12 credits in their program of study by the end of an academic year, unless a scholarship leave of absence has been approved.
- At the end of the academic year, be maintaining Satisfactory Academic Progress (SAP) or a cumulative Grade Point Average (GPA) of at least 2.0 at the institution since becoming a F4F participant.
 - If the institution is calculating the student's cumulative minimum 2.0 GPA, grades earned prior to the student's participation in F4F are not to be considered in the calculation.
 - If the student does not meet SAP and the required GPA minimum, this must be reported in MiSSG as 'SAP and GPA Not Met' and the student will no longer be eligible to continue with the scholarship program.
 - For transfer students: F4F does not require a student's GPA transfer to their new institution.

Note: If a F4F participant does not meet one or more of the eligibility criteria to continue maintaining the scholarship, the eligible institution will not submit a reimbursement request or 'Eligible No Reimbursement' report on behalf of the student. The student will permanently lose the ability to participate in the F4F program and their participation cannot be reinstated unless a leave of absence applies and is approved.

Program Award Information

The F4F Scholarship program is a last-dollar scholarship, which is equal to the difference between in-district tuition and fees (i.e., tuition, contact hours and mandatory fees) and any Pell Grant and any State tuition-restricted scholarships or tuition-specific awards that a student receives (excluding TIP). F4F will only cover courses toward the student's certificate or degree program. Out-of-district costs are not covered by F4F. If a student chooses (or is required) to go to an out-of-district community college, the F4F participant is responsible for covering the cost difference between the in-district tuition rate and out-of-district rate.

F4F will only pay for developmental education courses offered through a corequisite model. Any additional remediation programs the institution considers appropriate are subject to all the following:

- Serve as a supplement to, not as an alternative, to the corequisite model.
- Evidence-based rationale for the program, to be reported in the annual compliance report.
- Offered at no charge to F4F students or offered outside of the tuition and fee structure. Institutions may use foundation or other local funding sources or refer students to adult education providers.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

F4F Reimbursement Requests

Reimbursement requests may be submitted in MiSSG with an uploaded text file that the institution can create from using the [Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [F4F Upload Reimbursement File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, reimbursement requests may be submitted for individual students by using the online interface method in MiSSG. To do so, navigate to the F4F Reimbursement Request menu item under the Futures for Frontliners menu, select a term, and click the Reimbursement Roster button.

The most recent institution that submits a reimbursement for a student, prior to payment processing, is where funds will be disbursed to. Technical procedures are available in the [Futures for Frontliners MiSSG Manual](#).

Program Limits

Program eligibility ends when a student has:

- Four years have passed from the first reimbursement or Eligible No Reimbursement report that the Office of Higher Education receives.
- The student has earned an associate degree.

Special Requirements

Institution Requirements

An eligible student must attend a:

- Michigan public degree-granting, community college, or Tribal college.

Eligible Programs of Study

F4F will only cover the cost of one (1) program at any given time.

F4F participants who choose to pursue an industry-recognized certificate can still go on to pursue their associate degree if the certificate is in an industry-recognized field that is related (i.e., logical transition) to the associate degree to be pursued.

F4F will cover the cost for the certificate and associate degree within the four-year limit. If the course of study is not completed within the four-year F4F limit, the student will be responsible for covering the remaining cost of their academic program.

F4F will only cover the cost of one (1) certificate within the four-year limit.

U.S. Department of Labor (USDOL) apprenticeship programs are not eligible. If an apprenticeship program informs apprentices that completion of a Pell-eligible associate degree or industry-recognized certificate at the community college counts toward the academic requirement of the apprenticeship program, the apprentice could attend the community college tuition-free. However, that is an arrangement between the union and the apprentice. Non-Pell-eligible courses or courses outside of the community college are not available for the F4F scholarship.

Leave of Absence

A participant, who takes a leave of absence from an eligible institution and is unable to maintain enrollment in their program of study and earn a minimum of 12 credits by the end of the academic year due to an approved hardship, may continue to receive their award upon resuming their education at an eligible institution provided there is program funding and the student continues to meet all applicable eligibility requirements for the scholarship program. The time in which the student was not continuously enrolled does not count toward the scholarship program's four-year time limit.

NEW! The leave of absence process, review, and approval is to be managed by, and is at the discretion of, the eligible institution. The Office of Higher Education does also consider the following reasons to be considered allowable issues of hardship:

- Fulfilment of a religious commitment expected of all students of that faith, or
- Participants who become waitlisted for their program or provided a late start date after pre-requisite courses are completed for their curriculum.

If a student's leave of absence is approved by the eligible institution, community college staff with access to MiSSG will enter in a leave of absence for all semesters the student missed during the leave of absence within the student's record in MiSSG.

Special Reporting

By accepting F4F scholarship funds, institutions agree to participate in data collection and quality assurance protocols established by the Office of Higher Education for the purpose of accurately tracking student outcomes, i.e., reporting associate degree and certificates earned in MiSSG. F4F participants who are 'Eligible No Reimbursement' should still be included in the institutions' reporting.

Institutions must report graduation data in MiSSG for F4F recipients each semester.

MI Future Educator Fellowship

Contact

Program Coordinator: Sarah McGann, McGannS@Michigan.gov

Description

Provides up to \$10,000 annually toward the cost of tuition and required fees to create low-cost tuition pathways for future educators who are admitted and enrolled in an [Educator Preparation Program](#) (EPP) approved by the Michigan Department of Education (MDE).

Application

Students must complete an annual application and the current year FAFSA to be considered. Applications are available May 1. The deadline to apply is June 15, 2026. To complete the annual application or check the status, the student can log into the MiSSG Student Portal at Michigan.gov/MiSSG.

To ensure adequate processing time, deadlines for the student application, the institution's confirmation of eligibility, and the student's signature are defined below.

- Application Deadline: **June 15, 2026**
- Confirmation of Eligibility Deadline: **July 1, 2026**
- Deadline for the student to sign the CTMA: **July 15, 2026**

Students who are not confirmed as eligible by the institution by July 1, 2026 will automatically move to 'ineligible.'

Students who do not sign the Commitment to Teach in Michigan Agreements (CTMA) by July 15, 2026 will automatically be moved to 'ineligible' and their CTMA will be removed from OneSpan, preventing the student from signing after the deadline.

Each student who is issued a Commitment to Teach in Michigan Agreement will receive one reminder to sign the CTMA. Students should watch carefully for the original email and check their spam and junk folders if the CTMA cannot be located.

Institutions should use the 'Fellowship Status Report' to help track students who have been confirmed, but have not signed the CTMA.

Student Requirements/Eligibility Criteria

To be eligible for an initial award, a student must:

- Complete the annual MI Future Educator Fellowship application.
 - The 2025-26 application is available May 1, 2025 and the deadline is June 15, 2026.
- File a current year Free Application for Federal Student Aid (FAFSA).
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
 - The Fellowship does not require applicants be U.S. Citizens or eligible non-citizens to qualify; however, applicants must have a SSN, as the FAFSA is required.
- Possess a high school diploma or its recognized equivalent.
 - Proof of high school completion is required.
- Be admitted into an eligible Educator Preparation Program approved by Michigan's State Board of Education.
- Be working on their initial teacher certification.
- Be enrolled in enough coursework to be considered enrolled full-time during the academic year or its equivalency for individuals enrolled in an alternative certification program.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Have reached Junior grade level according to the institution's definition.

- Have a minimum cumulative Grade Point Average (GPA) of at least 3.0.
 - A student must have a minimum cumulative 3.0 GPA prior to the initial award period of the academic year. The GPA is to be monitored once per award year. If the student is a transfer student or attempting an advanced degree, and has no institutional GPA, the institution should consider the student's most recent postsecondary GPA or may consider an average of all previous postsecondary GPAs, whichever is more favorable to the student.
- Be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- Complete a Commitment to Teach in Michigan Agreement by July 15, 2026, which requires that the recipient teach in Michigan in a public school or qualifying public preschool program for a specific number of years, depending on the number of years they have received the MI Future Educator Fellowship.
- **CLARIFIED!** Students **may not** receive Grow Your Own funding and MI Future Educator Fellowship at the same time.

Renewal Requirements/Eligibility

In addition to the initial eligibility requirements, to renew, a student must:

- Complete the annual MI Future Educator Fellowship application.
- File a current year Free Application for Federal Student Aid (FAFSA).
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
- Meet the institution's Satisfactory Academic Progress (SAP) policy.
- Have a minimum cumulative Grade Point Average (GPA) of at least 3.0.
 - A student must have a minimum cumulative 3.0 GPA prior to the initial award period of the academic year. The GPA is to be monitored once per award year. If the student is a transfer student or attempting an advanced degree, and has no institutional GPA, the institution should consider the student's most recent postsecondary GPA or may consider an average of all previous postsecondary GPAs, whichever is more favorable to the student.
- Complete a new Commitment to Teach in Michigan Agreement by July 15, 2026.
- Have maintained full-time continuous enrollment in an eligible EPP, as determined by the EPP, or the equivalent of full-time participation for individuals enrolled in an alternative certification program, excluding any period of time missed due to a medical or other emergency. The timeframe since the student received their initial MI Fellowship award should be used in determining full-time continuous enrollment.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
 - If the student's initial MI Fellowship award was in 2022-23, the student must have completed 24 credits in 2022-23 and maintained full-time continuous enrollment beginning 2023-24 and thereafter.
 - If the student did not attend the full 2022-23 Academic Year, the student will not need to be evaluated for continuous full-time enrollment until the end of their first full academic year.
 - MI Fellowship recipients who have experienced a medical or other emergency in the prior academic year, which prevented them from meeting the continuous full-time enrollment requirement, will need to be marked as "No-Not Eligible" on the Confirmation of Eligibility list in MiSSG. Financial aid professionals should direct students in this situation to reach out to the Office of Higher Education to request reconsideration of this determination and provide documentation to the Office of Higher Education as requested. Eligibility will be determined on a case-by-case basis and changes in eligibility will be communicated via email to the institution.

- Have participated in relevant academic and career advising programs offered by the institution.

Program Award Information

Award maximum is up to \$10,000 per academic year for tuition and required fees. MI Fellowship does not restrict what classes a student can enroll in. Courses outside of the degree program may count toward the enrollment requirement and covered costs.

Students may receive both a MI Future Educator Fellowship and a MI Future Educator Stipend award simultaneously.

There is no restriction on semester award amounts. Institutions are permitted to request up to the \$10,000 annual maximum in one semester if needed, so long as the requested amount does not exceed that semester's tuition and required fees amount.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes
 - Summer awards are available only if the student has not exceeded the \$10,000 maximum annual award and if the student is enrolled full-time.

MI Fellowship Reimbursement Requests

Reimbursement requests may be submitted in MiSSG with an uploaded text file that the institution can create from using the [Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [MI Fellowship Upload Reimbursement File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, reimbursement requests may be submitted for individual students by using the online interface method in MiSSG. To do so, navigate to the MI Fellowship Reimbursement Request menu item under the MI Fellowship menu, select a term, and click the Reimbursement Roster button.

The most recent institution that submits a reimbursement for a student, prior to payment processing, is where funds will be disbursed to. Technical procedures are available in the [MI Future Educator MiSSG Manual](#).

Program Limits

Program eligibility ends when a student has:

- Been awarded a maximum of three MI Future Educator Fellowship awards up to a maximum of \$30,000.
 - Note: If a student's award amount is less than the \$10,000 maximum, they will still be considered to have received one year of MI Future Educator Fellowship and this will count toward the three-year maximum.
- Completed their Educator Preparation Program.
 - Program Completion occurs when a student has met all the requirements of a State-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the State for an initial teaching credential may not be used as a criterion for determining who is a program completer.

Special Requirements

Institution Requirements

Participating Institutions

An eligible student must be enrolled in and attending a program approved by the Michigan Department of Education on the [Educator Preparation Provider list](#). This includes programs at public and private colleges and universities.

EPP is the formal name for an educational program which leads to teacher certification. The Michigan Department of Education authorizes EPPs. EPP is more commonly known as the Teacher Education program. Students must be accepted into their EPP before applying for the MI Future Educator Fellowship.

Commitment to Teach in Michigan

Each MI Fellowship award results in a Commitment to Teach in Michigan, which requires that the recipient teach in Michigan in a public school or qualifying public preschool program for a specific number of years, depending on the number of years they have received the MI Future Educator Fellowship. Recipients must sign an acknowledgment that teaching in Michigan is required. If they do not fulfill their Commitment to Teach in Michigan, the Fellowship converts to a zero percent interest rate loan which must be repaid within ten years of the loan conversion, plus any periods of deferment as approved by the Michigan Department of Treasury's Student Loan Repayment Division (SLRD).

Qualifying public preschool program means a program requiring licensure from the Great Start Readiness Program, Head Start, Early Head Start, Early On, Early Childhood Special Education, Strong Beginnings, or preschool programs funded by the B-5 Preschool Development Grant. The teacher does not have to be working in a specific publicly funded classroom in order to meet the teaching requirement.

Number Academic Years Fellowship Received	Recipient Agrees to Teach in Michigan for
One	Three Years
Two	Four Years
Three	Five Years

The length of time a recipient must agree to teach in Michigan is not related to the dollar amount a recipient received. If a student receives an award of less than \$10,000 in academic year one, they are still agreeing to teach in Michigan for three years. If a student receives less than \$10,000 in academic year two, they are still agreeing to teach in Michigan for four years.

Additional Program Details

Institutions that receive MI Future Educator Fellowship funds are required to maintain and report their compliance with the tuition restraint requirements (pursuant to Public Act 15 of 2025).

MI Future Educator Stipend

Contact

Program Coordinator: Sarah McGann, McGannS@Michigan.gov

Description

Provides a \$9,600 stipend per semester to support Michigan's student teachers who are participating in their required student teaching semester(s).

Application

Students must complete an annual application. The deadline to apply is July 15, 2026. To complete the annual application or check the status, the student can log into the MiSSG Student Portal at Michigan.gov/MiSSG. Students do not need to complete a FAFSA to qualify.

Fall student teachers can begin applying when they have accepted their student teacher placement and after May 1 of each award year.

Spring student teachers can begin applying when they have accepted their student teacher placement and after November 1 of each award year.

Summer student teachers can begin applying when they have accepted their student teacher placement and after April 1 of each award year.

Student Requirements/Eligibility Criteria

To be eligible for a Stipend award, a student must:

- Have completed the MI Future Educator Stipend application.
 - The 2025-26 application is available May 1, 2025 and the deadline is July 15, 2026.
 - Be admitted into an eligible [Educator Preparation Program \(EPP\)](#).
 - Be working toward teacher certification.
 - **CLARIFIED! For Fall 2025**, student teachers must be participating full-time or its equivalency in required student teaching coursework, defined as **either**:
 - Full-time enrollment in required student teaching coursework.
 - Be completing 300 or more student contact hours while student teaching.
 - **NEW! Effective Winter/Spring 2026**, student teachers must meet both of the following criteria to qualify for a MI Future Educator Stipend award:
 - Be enrolled full-time in student teaching coursework, **and**
 - Complete a minimum of 300 student contact hours.
- CLARIFIED!** Students must be participating **full-time** in a required student teaching experience (also called the internship), in a Michigan public school or public-school academy. This student teaching experience must be **the supervised, clinical capstone experience that requires a minimum of 300 student contact hours**.
- **NEW!** Students are limited to a maximum of two MI Future Educator Stipends in their lifetime.
 - Not be employed by the district as a teacher of record.
 - Per the [2024-25 Michigan Department of Education Pupil Accounting Manual](#), a teacher of record is defined as “the certificated teacher who is responsible for providing instruction, determining instructional methods for each pupil, diagnosing learning needs, assessing pupil learning, prescribing intervention strategies, and modifying lessons, reporting outcomes, and evaluating the effects of instruction and support strategies.
 - No FAFSA is required for this program.
 - Be a high school graduate or its recognized equivalent.
 - Proof of high school completion is not required.
 - **CLARIFIED!** Students **may not** receive Grow Your Own funding and MI Future Educator Stipend at the same time.

MI Future Educator Stipend Residency

Students do not need to be a Michigan resident; however, they must be admitted into an eligible Educator Preparation Program (EPP) and completing their required student teaching experience in Michigan.

MI Future Educator Stipend Citizenship

Students do not need to be a U.S. Citizen; however, they must be admitted into an eligible Educator Preparation Program (EPP) and completing their required student teaching experience in Michigan.

If a student is experiencing difficulty creating a MiSSG account because they do not have a Social Security number, please have them contact 888-447-2687 for assistance.

Program Award Information

Award maximum is up to \$9,600 per semester. The stipend is to be paid directly to the student from the institution and cannot affect the student's financial aid package. This guidance was confirmed through communication with Federal Student Aid.

“Based on your interpretation of the Michigan statute, we agree that the MI Future Educator Stipend funds may be considered wages from non-need-based employment (and therefore not counted as estimated financial assistance), subject to the conditions described in your email. That is, postsecondary institutions receiving stipend funds for payment to eligible student teachers must issue the appropriate tax forms to stipend recipients, and recipients must be informed that they are required to report the income provided through the program on their tax return, and, if applicable, on future FAFSAs, and that this may affect their future eligibility for need-based aid.”

-Office of Policy and Implementation and Oversight, Federal Student Aid, U.S. Department of Education

Students may receive a MI Future Educator Stipend and the MI Future Educator Fellowship simultaneously.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

MI Stipend Certification

Awards can be certified with an uploaded text file in MiSSG that the institution can create by using the [MI Stipend Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [MI Stipend Upload Certification Roster File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, certification may occur for students individually by using the online interface method in MiSSG. To do so, navigate to the Certification menu item under the MI Future Educator Stipend menu, select a term, and click the Certification Roster button.

Program Limits

Program eligibility ends when a student has:

- **CLARIFIED!** Received MI Future Educator Stipend funds, unless their EPP specifically requires they complete more than one semester/term of student teaching in order to become a certified teacher.
 - Because most teacher preparation programs require one semester of full-time student teaching, most students are eligible for one award. In cases where students receive

multiple endorsements (for example, students pursuing special education certification), an additional semester of student teaching may be required by a teacher preparation program.

- Completed their Educator Preparation Program.
- **NEW!** Students are limited to a maximum of two MI Future Educator Stipends in their lifetime and must be for qualifying semester(s) of student teaching required for program completion.

Special Requirements

Institution Requirements

Program Limits

Program eligibility ends when a student has:

- Received the Michigan Achievement Scholarship for up to five consecutive years total, with no more than three years at a Michigan community college and Tribal college.
 - *Students enrolled in a baccalaureate degree program at a Michigan community college may be eligible to receive the Michigan Achievement Scholarship for up to five consecutive years.*
- Received a bachelor's degree.
 - Students are not limited to the number of certificates or associate degrees received as long as they have years of eligibility remaining at a Michigan community college or Tribal college.

Special Requirements

Institution Requirements

[Participating Institutions](#)

An eligible student must attend a:

- Michigan public degree-granting, community college, or Tribal college.

Students enrolled in a baccalaureate degree program at a Michigan community college are eligible to receive the Michigan Achievement Four-Year award rate. Eligible institutions will be notified of the procedures required for the certification of this cohort.

Verification

In the event that a student is selected for verification after they are certified for Michigan Achievement Scholarship, the student may retain the amount of Michigan Achievement Scholarship awarded. Subsequent awards and adjustments may only be made after the completion of the verification.

Example: A student was certified for fall semester and was selected for verification in November, after payment was made. Prior to any fall adjustments or subsequent semester awards, the student must be brought back into eligible status by completing the verification.

15-Month Initiation Requirement

NEW! Students must initiate their Michigan Achievement Scholarship within 15-months of high school graduation or earning a high school equivalency certificate. Initiation is defined as enrolling at any enrollment level at a participating Michigan institution within 15-months of high school graduation or earning a high school equivalency certificate.

Initiation in MiSSG begins when the **first** of one of the following conditions is met:

- A Michigan Achievement Scholarship or Michigan Achievement Skills Scholarship payment of \$0.01 or greater, or
- The certification of a Michigan Achievement Scholarship award as "NO - Full-Time - exceeds COA/T&F," or
- Certification of Michigan Achievement Scholarship award as "NO" with any enrollment level other than "Not Enrolled," or
- Manually entering a student's first term of enrollment using the override process in MiSSG.

Note: Dual enrollment or Early Middle College Enrollment semesters are not counted towards Michigan Achievement Scholarship initiation.

The 15-month periods are shown below in the table. MiSSG will track students 15-month eligibility.

Example: A student completed high school requirements in February of 2025, their final semester to initiate will be Summer of 2026.

Graduation Month	Final Semester/Term to Initiate
January	Summer
February	
March	
April	Fall
May	
June	
July	
August	
September	Winter/Spring
October	
November	
December	

Additional Program Details

Institutions that receive Michigan Achievement Scholarship funds are required to report data by April 1 yearly (pursuant to Public Act 125 of 2025) providing information as to the average amount of institutional grant aid awarded to full-time, first-time undergraduate students for the immediately preceding two institution fiscal years.

Institutions are also required to maintain and report their compliance with the tuition restraint requirements (pursuant to Public Act 15 of 2025).

Definitions

“Community College Guarantee Last-dollar Award” must be applied toward in-district tuition, contact hours, and mandatory fees.

“Community College Guarantee Last-dollar payment amount” for a student attending a Community College or Tribal college means an amount equal to the in-district tuition, contact hours and the student's mandatory fees for each student's actual program of study, minus all gift aid received by the student.

*Actual program of study as it pertains to Community College Guarantee Last-dollar payment amount, refers to the actual cost of courses incurred by the student and does not limit the courses that can be paid for. Courses outside of the student's degree program may count toward both the enrollment requirement and may be paid by the Community College Guarantee Last-dollar Award.

“Michigan Achievement Bonus” Students receiving the Michigan Achievement Scholarship at the Community College or Tribal college who are eligible for Federal Pell Grants shall also receive an additional award of \$1,000.

NEW! “Mandatory fees” must be fees specified in the institution's course catalog as a condition of enrollment and/or required for the student's completion of an eligible certificate or degree (such as online fees and lab fees required for course enrollment). Allowable fees covered by State financial aid programs must not include any fees that a student or students may opt-out of.

“Cost of Attendance” all awards must fit within the student's individual cost of attendance.

“Gift aid” includes:

- Federal Pell Grants under 20 USC 1070a,
- Tuition Incentive Program benefits under Public Act 15 of 2025, Section 256,
- State tuition grants under Public Act 15 of 2025, Section 252,
- Michigan Achievement Scholarship Minimum Awards,
- Higher education expenses paid under the Michigan Promise Zone Authority Act, Public Act 549 of 2008, MCL 390.1661 to 390.1679, and,
- All other Federal, State, local/outside, or institutional aid in the form of grants, scholarships, discounts restricted to tuition and mandatory fees.

“Gift aid” does not include:

- Other non-tuition specific State aid,
- Other non-tuition specific institutional aid,
- Other non-tuition specific local/outside aid,
- Student loans,
- Work-study awards,
- Qualified withdrawals made from education savings accounts to pay higher education expenses pursuant to the Michigan Education Savings Program Act, 2000 Public Act 161 of 2000, MCL 390.1471 to 390.1486,
- Higher education expenses paid under the Michigan education trust program pursuant to the Michigan Education Trust Act, 1986 Public Act 316 of 1986, MCL 390.1421 to 390.1442, and,
- VA benefits.

Michigan Achievement Scholarship Certification

Michigan Achievement Scholarship is a certification program. Institutions are expected to certify **all** students regardless of their enrollment status.

Awards can be certified with an uploaded text file in MiSSG that the institution can create by using the [Michigan Achievement Scholarship Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [Michigan Achievement Scholarship Upload Certification Roster File Format](#) or which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, certification may occur for students individually by using the online interface method in

MISSG. To do so, navigate to the Certification menu item under the Michigan Achievement Scholarship menu, select a term, and click the Certification Roster button. Technical procedures are available in the [Michigan Achievement Scholarship MISSG Manual](#).

Program Limits

Program eligibility ends when a student has:

- Received the Michigan Achievement Scholarship for up to five consecutive years total, with no more than three years at a Michigan community college and Tribal college.
 - *Students enrolled in a baccalaureate degree program at a Michigan community college may be eligible to receive the Michigan Achievement Scholarship for up to five consecutive years.*
- Received a bachelor's degree.

Special Requirements

Institution Requirements

Participating Institutions

An eligible student must attend a:

- Michigan private or independent degree-granting, non-profit institution.

Students enrolled in a baccalaureate degree program at a Michigan community college are eligible to receive the Michigan Achievement Four-Year award rate. Eligible institutions will be notified of the procedures required for the certification of this cohort.

Verification

In the event that a student is selected for verification after they are certified for Michigan Achievement Scholarship, the student may retain the amount of Michigan Achievement Scholarship awarded. Subsequent awards and adjustments may only be made after the completion of the verification.

Example: A student was certified for fall semester and was selected for verification in November, after payment was made. Prior to any fall adjustments or subsequent semester awards, the student must be brought back into eligible status by completing the verification.

15-Month Initiation Requirement

NEW! Students must initiate their Michigan Achievement Scholarship within 15-months of high school graduation or earning a high school equivalency certificate. Initiation is defined as enrolling at any enrollment level at a participating Michigan institution within 15-months of high school graduation or earning a high school equivalency certificate.

Initiation in MISSG begins when the **first** of one of the following conditions is met:

- A Michigan Achievement Scholarship or Michigan Achievement Skills Scholarship payment of \$0.01 or greater, or
- The certification of a Michigan Achievement Scholarship award as "NO - Full-Time - exceeds COA/T&F," or
- Certification of Michigan Achievement Scholarship award as "NO" with any enrollment level other than "Not Enrolled," or
- Manually entering a student's first term of enrollment using the override process in MISSG.

Note: Dual enrollment or Early Middle College Enrollment semesters are not counted towards Michigan Achievement Scholarship initiation.

The 15-month periods are shown below in the table. MiSSG will track students 15-month eligibility.

Example: A student completed high school requirements in February of 2025, their final semester to initiate will be Summer of 2026.

Graduation Month	Final Semester/Term to Initiate
January	Summer
February

Additional Program Details

Institutions that receive Michigan Achievement Scholarship funds are required to report data by April 1 yearly (pursuant to Public Act 15 of 2025) providing information as to the average amount of institutional grant aid awarded to full-time, first-time undergraduate students for the immediately preceding two institution fiscal years.

Institutions are also required to maintain and report their compliance with the tuition restraint requirements (pursuant to Public Act 15 of 2025).

Definitions

“Michigan Achievement Scholarship Minimum Award” all eligible participants will receive a minimum award up to their Cost of Attendance (COA).

“Michigan Achievement Scholarship Last-dollar Award” must be applied toward tuition, contact hours, mandatory fees, and other costs up to the student’s cost of attendance.

“Last-dollar payment amount” for a student attending a public or private university or college, means an amount equal to the student’s individual cost of attendance, minus all gift aid received by the student.

NEW! “Mandatory fees” must be fees specified in the institution’s course catalog as a condition of enrollment and/or required for the student’s completion of an eligible certificate or degree (such as online fees and lab fees required for course enrollment). Allowable fees covered by State financial aid programs must not include any fees that a student or students may opt-out of.

“Cost of Attendance” all awards must fit within the student’s individual cost of attendance.

“Gift aid” includes:

- Federal Pell Grants under 20 USC 1070a,
- Tuition Incentive Program benefits under Public Act 15 of 2025, Section 256,
- State tuition grants under Public Act 15 of 2025, Section 252,

- Michigan Achievement Scholarship Minimum Awards,
- Higher education expenses paid under the Michigan Promise Zone Authority Act, Public Act 549 of 2008, MCL 390.1661 to 390.1679, and,
- All other Federal, State, local/outside, or institutional aid in the form of grants, scholarships, discounts restricted to tuition and mandatory fees.

“Gift aid” does not include:

- Other non-tuition specific State aid,
- Other non-tuition specific institutional aid,
- Other non-tuition specific local/outside aid,
- Student loans,
- Work-study awards,
- Qualified withdrawals made from education savings accounts to pay higher education expenses pursuant to the Michigan Education Savings Program Act, 2000 Public Act 161 of 2000, MCL 390.1471 to 390.1486,
- Higher education expenses paid under the Michigan education trust program pursuant to the Michigan Education Trust Act, 1986 Public Act 316 of 1986, MCL 390.1421 to 390.1442, and,
- VA benefits.

Program Coordinator: Don Florinchi, FlorinchiD@Michigan.gov

Description

Michigan Achievement Skills Scholarship is available starting with the Class of 2023, high school graduates, and those who complete a high school equivalency. This program is for students interested in enrolling with an eligible [Career Training Program](#) and provides up to \$2,000, per year, for up to two years toward tuition costs.

Students who graduate from the Michigan Achievement Skills Scholarship could still be eligible to attend a college or university and pursue an associate degree, bachelor's degree, or skill certificate with the Michigan Achievement Scholarship.

Application

NEW! Students must complete an annual application. Applications are available March 1 for the following academic year. The deadline to apply is August 15, 2026. To complete the annual application or check the status, the student can log into the MiSSG Student Portal at Michigan.gov/MiSSG.

Once the application is submitted, the applicant will be notified immediately whether they are 'Eligible' for the scholarship program or if more information is needed to determine eligibility. Throughout the application, students may also receive a notice of ineligibility based on what answers are provided. Eligible students who complete the application will see a pop-up window congratulating them and indicating next steps to take to receive funding.

Students do not need to complete a FAFSA to qualify.

Note: If an eligible career training program also happens to qualify for Federal Pell Grant funding, students are encouraged to complete the FAFSA and work with their chosen career training provider to determine what financial aid choices are best for them to lessen the burden of tuition costs.

Student Requirements/Eligibility Criteria

To be eligible for the award, the applicant must:

- Complete the Michigan Achievement Skills Scholarship application.
 - **NEW!** The 2025-26 application is available March 1, 2025 and the deadline is August 15, 2026.
- Graduate from high school in Michigan with a diploma, a certificate of completion, or achieved a high school equivalency certificate in 2023 or after.
 - Proof of high school completion is required.
 - **Students must provide proof of high school completion or equivalency to the Career training provider. Career training providers must verify and keep verification of high school completion (or equivalent) for Michigan Achievement Skills Scholarship students who enroll.**
- Be a Michigan resident since at least the immediately preceding year.
 - The student is considered meeting this criterion if they can verify that they have been a Michigan resident for at least one year by the start of the semester/program.
- Have not earned an associate or bachelor's degree.
- Have not earned a degree, certificate, or other credential with this scholarship.
- Attend three weeks of their training program (or completed the program if the program is less than three weeks).

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- Complete the Michigan Achievement Skills Scholarship application.
 - The 2025-26 application is available March 1, 2025 and the deadline is August 15, 2026.
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Not have an associate or bachelor's degree.
- Have not earned a degree, certificate, or other credential with this scholarship.

Note: If an institution or private training provider becomes aware (i.e., from their own database system) of an applicant or participant who does not meet the student eligibility requirements, they must notify MiLEAP-MASS@Michigan.gov.

Program Award Information

Students may receive up to \$2,000 (or the actual cost of tuition for their program) if they attend a career training program in Michigan, per year, up to two years.

Michigan Achievement Skills Scholarship Certification

Certification must occur for individual students using the online interface method in MiSSG. To do so, navigate to the Certification menu item under the Michigan Achievement Skills Scholarship menu, select a term, and click the Certification Roster button. Technical procedures are available in the [Michigan Achievement Skills Scholarship MiSSG Manual](#).

The following steps must be completed to process and receive reimbursement for eligible students meeting the requirements for the Michigan Achievement Skills Scholarship:

- All career training providers must complete a Michigan Achievement Skills Scholarship School/Eligible Training Provider MiSSG Security Access Request Form to gain access to MiSSG. To request this form, email MiLEAP-MASS@Michigan.gov. This allows providers to access reports and the certification roster.
 - Upon completion of the form, providers must submit the form to the Office of Higher Education at MiStudentAid@Michigan.gov. Upon approval, training providers will receive next steps to finish up their registration in MiSSG. Questions about the form can also be directed to the Office of Higher Education at MiStudentAid@Michigan.gov.
- Career training program providers must register in SIGMA to receive payments for students. Questions about registering for SIGMA can be directed to the Vendor Support Call Center by calling 517-284-0550 or toll free at 888-734-9749 or emailing SIGMA-Vendor@Michigan.gov.

Career training providers must certify student enrollment to request payment from the Office of Higher Education after a student has completed three weeks of active participation starting from day one of the career training program/class or has completed the program if it is less than three weeks.

Note: If a student is attending an eligible course that is less than three weeks (Example: A two-week CNA course), the course must be completed to be eligible for payment.

During the certification process, career training providers will be required to verify they have collected proof of high school diploma or equivalent during the enrollment process.

NEW! Career training providers can only certify students for up to \$2,000 or the cost of tuition, whichever is lower. Training providers cannot charge students receiving State financial aid (scholarships) differently than their published price or what they charge other students. Training providers cannot charge for tuition/program costs not incurred by the student. During the opt-in process, training providers may be required to provide their tuition cost for the current year for each of their eligible programs.

All payments are processed monthly beginning November 12, 2025 through September 9, 2026 in MiSSG and will only include awards that have had a certification successfully submitted prior to the payment.

CLARIFIED! Certification of awards can only occur for training programs that begin September 1, 2025 and end three weeks prior to September 9, 2026. The certification process will open in November 2025.

Program Limits

Program eligibility ends when a student has:

- Received the maximum total funding of \$4,000 dollars; or
- Earned a degree, certificate, or other credential with this scholarship.

Note: Students may not participate simultaneously in the Michigan Achievement Skills Scholarship and Michigan Achievement Scholarship.

Special Requirements

Institution Requirements

An eligible student must attend a:

- Michigan eligible [Career Training Programs](#).

A majority of the eligible career training programs are non-Pell-eligible and short-term in nature. Students may choose to apply for and participate in this scholarship in lieu of or before participating in the Michigan Achievement Scholarship. Upon completion of a credential with an eligible career training program, Michigan Achievement Skills Scholarship participants could still be eligible for a Michigan Achievement Scholarship for the maximum five years, less any years spent participating in the Skills Scholarship.

Eligibility Criteria for Participating Career Training Programs and Providers

CLARIFIED! To identify the career training programs that qualify to receive Michigan Achievement Skills Scholarship funds (called “qualified occupational training programs” in State law), programs are initially identified as being listed on the State’s Eligible Training Provider List (ETPL), maintained by Michigan Training Connect (MITC). From that database of programs, the criteria set forth in the legislation is applied across programs to filter through the list. The result is a list of career training programs which have met all the legislative requirements to be considered eligible for the Michigan Achievement Skills Scholarship.

The ETPL is updated once a year. This process starts after July 1, which is when the Michigan Training Connect begins their annual data and program update.

Career training providers and programs interested in participating in the Michigan Achievement Skills Scholarship should follow the Michigan Training Connect (MITC) guidelines for adding programs. Questions about MITC should be directed to LEO-MiTC@Michigan.gov. To participate in the Michigan Achievement Skills Scholarship, career training providers are required to “opt-in” and confirm program eligibility along with completing a Michigan Achievement Skills Scholarship School/Eligible Training Provider MiSSG Security Access Request Form. Questions on the “opt-in process” should be directed to MiLEAP-MASS@Michigan.gov.

To qualify as **a participating career training program and provider**, the following criteria must be met:

- **Instruction Hours and Duration:** Offers between 150 and 600 clock hours of instruction over 8 to 15 weeks.
 - Exception: This does not apply to healthcare programs offering didactic instruction that leads to an industry-recognized credential for high-demand occupations.
- **Industry Alignment:** Aligns with high-skill, high-wage, or in-demand industry sectors in Michigan, as determined by the Michigan Department of Labor and Economic Opportunity in consultation with the Bureau of Labor Market Information and Strategic Initiatives.
- **Training Provider Listing:** Is listed on Michigan’s Eligible Training Provider List maintained by the Michigan Department of Labor and Economic Opportunity.

- **Credential Outcome:** Awards a recognized postsecondary credential that is stackable and portable across employers and regions.
- **Wage Outcomes:** Demonstrates that, within six months of program completion, graduates earn at least 20% more than the median income of all enrollees six months before enrollment.
 - Exception: This does not apply to healthcare programs as described above.
- **Licensure or Certification Preparation:** If preparing students for a professional license or certification exam, demonstrates that completers are eligible and prepared to take and pass the exam.
- **Program Longevity:** Has been in operation for at least one year.
- **Credit Articulation** (for higher education institutions): Includes credit articulation for students completing non-credit job training programs.
- **Registered Apprenticeship:** If offered through an apprenticeship, the program must be registered with the U.S. Department of Labor under the National Apprenticeship Act (29 USC 50 et seq.).

Michigan Achievement Skills Scholarship Special Reporting Requirements

CLARIFIED! By accepting Michigan Achievement Skills Scholarship funds, career training providers agree to participate in data collection and quality assurance protocols established by statute, along with data collection and quality assurance protocols established by the Office of Higher Education for the purpose of accurately tracking student outcomes. Refusal to provide documentation will result in removal of training programs and provider eligibility from program.

Michigan Competitive Scholarship

Contact

Program Coordinator: Caroline Nurenberg, NurenbergC4@Michigan.gov

Description

Provides renewable scholarships for undergraduate students attending eligible Michigan postsecondary institutions. Awards are based on both academic merit and financial need.

NEW! Michigan Competitive Scholarship is no longer available to students who have graduated high school (or its equivalent) in 2023 or greater. Michigan Competitive Scholarship will permanently end September 30, 2029.

Application

The FAFSA serves as the application and must be completed by renewal students by July 1.

Student Requirements/Eligibility Criteria

To be eligible for an award, a MCS student must:

- Achieve a qualifying test score by June 30 of the academic year in which the student completes high school or its recognized equivalent.
 - Class of 2016 and prior, a qualifying score is an ACT composite score of 23 or higher.
 - Class of 2017 and later, a qualifying score is a SAT score of 1200 or higher.
- File a current year Free Application for Federal Student Aid (FAFSA).
 - A completed FAFSA is required and it must be verified if selected for verification.
- Demonstrate financial need.
- Not be in default on a Federal student loan.
- Not be incarcerated.
- Be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Be enrolled at least half-time at a participating institution.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Possess a high school diploma or its recognized equivalent.
 - Proof of high school completion is required.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA).
 - A completed FAFSA is required and it must be verified if selected for verification.
- Maintain a minimum cumulative Grade Point Average (GPA) of at least a 2.0.
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Be an undergraduate student.
- Enroll at least half-time at a participating institution.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Program Award Information

Award maximum is \$1,500 per academic year. Award is tuition-specific and may also include mandatory fees. MCS does not restrict what classes a student can enroll in. Courses outside of the degree program may count toward the enrollment requirement and covered costs.

Eligible students attending Michigan private or independent degree-granting, non-profit institution are eligible to receive up to \$3,000 per academic year from the Michigan Tuition Grant supplement.

Award amount is based on legislative appropriations.

Maximum semester or term awards are prorated by the student's enrollment.

- Full-time
 - Semester: \$750
 - Term: \$500
- Three-quarter-time
 - Fall Semester: \$563
 - Spring Semester: \$562
 - Term: \$375
- Half-time
 - Semester: \$375
 - Term: \$250

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: No

MCS Certification

Awards can be certified with an uploaded text file in MiSSG that the institution can create by using the [MCS/MTG Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [MCS/MTG Upload Certification Roster File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, certification may occur for students individually by using the online interface method in MiSSG. To do so, navigate to the Certification menu item under the Michigan Competitive Scholarship menu, select a term, and click the Certification Roster button. Technical procedures are available in the [Aid Administrators MiSSG Manual](#).

Program Limits

Program eligibility ends when the student has:

- Been determined eligible for Michigan Achievement Scholarship; or
- Received a bachelor's degree; or
- Exhausted their check counts.*
- Had ten years elapse since high school completion or its recognized equivalent.
 - For students who were eligible for a payment Spring 2020 and anytime during the 2020-21 Academic Year, they will receive 11 years of eligibility.

*Check count is the method used to monitor MCS usage. Each student will have a starting pool of 60 check counts and may not receive another MCS award once this pool is exhausted.

Special Requirements

Institution Requirements

[Participating Institutions](#)

An eligible student must attend a:

- Michigan public degree-granting, community college, Tribal college, or public university; or
- Michigan private or independent degree-granting, non-profit institution.
- Cannot be an institution whose primary purpose is to prepare students for ordination or appointment as a member of the clergy of a church, denomination, or religious sect.

MCS Budget

Institutional Budget

MiSSG requires prior year institutional budgets when calculating current year awards. MiSSG begins loading ISIRs and making tentative awards to students in late fall. Since institutional budgets are often not finalized until the following summer, prior year budgets must be used.

Institutional budgets used to calculate 2026-27 awards (with prior-year 2025-26 data) must be entered in MiSSG by October 1, 2025.

To update your institution's 2026-27 budget, please follow these instructions:

1. Log into MiSSG.
2. Select Michigan Competitive Scholarship from the MiSSG Menu.
3. Select School Profile.
4. Change the Academic Year at the top of the screen from Year 2025-26 to 2026-27.
5. Select Budget.
6. Enter both the Tuition and Fees and Room and Board using your institution's 2026-2027 Budget Information.
 - a. Note: If there is no change to budget amounts, click, "The budget amounts have been reviewed and approved," check box.
7. Save.

For private institutions, once the MCS budget is entered, the MTG budget fields will populate automatically with the same budget information. No further action is required in the MTG school profile regarding the budget after MCS is updated.

If a budget is not entered by October 1, 2025 your 2025-26 Budget Information will be used for 2026-27 awards.

Note: Institutions that report their own room and board costs must be able to provide proof to the Office of Higher Education upon request that at least 10% of their enrollment resides in the institution's dorms.

State Budget

The Office of Higher Education uses the Consumer Price Index when determining the [State budget](#) amounts used for MCS, which is entered in MiSSG annually.

Calculation of Award

To establish initial eligibility, the Office of Higher Education uses the institutional budget in MiSSG for the student's grade level (determined by the FAFSA) and a student's Student Aid Index (SAI). A negative SAI is treated as zero SAI for purposes of determining need.

If the SAI is less than the institutional budget for the grade level, then financial need is demonstrated. The student may receive an award up to the maximum award amount, but not more than the demonstrated need (budget – SAI).

After the initial eligibility is established, the institution does not need to re-calculate financial need based

on a change in Cost of Attendance (COA) or budget.

Minimum Award

For students need of \$1 to \$99, the minimum award amount in MiSSG is \$100 (\$50 Fall and \$50 Spring). For term institutions, the institution will make the determination. The award must be monitored per the guidelines provided below.

Check counts do apply; therefore, if a student wishes to forgo their award to save their check counts, the award can be cancelled.

Monitoring of Award

The institution must monitor that the student does not have other tuition-specific aid or other financial resources that would exceed the student's COA.

The student's individual Cost of Attendance and SAI may be used when monitoring awards.

Tuition-specific Awards

If a student receives an additional tuition-specific award, the institution must monitor that the combination of the additional award and the MCS award does not exceed the student's actual tuition and mandatory fees.

To evaluate:

1. Subtract the SAI from the current institutional budget for the appropriate grade level, which may differ from the institutional budget MiSSG used to calculate the student's initial eligibility.
2. Subtract other tuition-specific aid from need to determine the revised need.

EXAMPLE	Amount
a) Current Institutional Budget	\$25,000
b) SAI	15,000
c) Adjusted Need (a minus b)	\$10,000
d) Other Tuition-specific Aid	\$6,000
e) Demonstrated Need (c minus d)	\$4,000

3. Student need is \$4,000; therefore, award can be certified at the maximum award amount.

Note: The revised MCS award cannot be higher than the initial award.

Michigan Indian Tuition Waiver

Contact

Program Coordinator: Erin Burd, MITW@Michigan.gov

Description

The Michigan Indian Tuition Waiver (MITW) program waives the tuition costs for eligible Native American students at Michigan's public community college and universities.

Application

To complete an initial application, students can access the application at Michigan.gov/MITW. Applicants must first complete the student section of the initial application (one time only). The student will then submit the MITW application and accompanying documents to their Tribal Enrollment Department for certification. For first-time applicants, the completed application should be submitted by the Tribal Enrollment Department via U.S. Mail to:

Office of Higher Education
P.O. Box 30462
Lansing, MI 48922

In addition to the MITW application, the following documents must also be submitted:

- Applicant's photocopy of their Tribal ID.

After the application has been processed and if the student is determined eligible, a letter of verification will be sent to the institution. If determined ineligible, a denial letter will be sent to the student stating the reason(s) for denial. As ongoing development in the MiSSG system continues, the process for notifications to institutions may be adjusted.

Students do not need to complete a FAFSA to qualify.

Student Requirements/Eligibility Criteria

To be eligible for the waiver, a student must:

- Complete an initial application (one-time only).
- Qualify for admission at one of Michigan's public colleges or universities, AND
- Be $\frac{1}{4}$ or more Native American blood quantum as certified by their Tribal Enrollment Department, AND
- Are an enrolled citizen of a U.S. Federally Recognized Tribe as certified by their Tribal Enrollment Department, AND
- Be a legal resident of the state of Michigan for not less than 12 consecutive months. Students are verified through one of the following methods:
 1. MiLEAP confirmation of the establishment of legal residency via access to Secretary of State SOS records (verifying that the student has established legal residency with SOS by, for example, obtaining a Driver's License or State ID or registering to vote).
 2. If SOS records cannot demonstrate legal residency, a Tribal ID that includes a Michigan address and an issuance date at least 12 months prior to the MITW application can be reviewed to demonstrate legal residency.

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- Maintain Michigan residency as outlined in the initial eligibility requirements.

Program Award Information

Institutions receive appropriations for MITW through the State budget process to be applied toward eligible students' tuition only. No actual funds are received by the student. Tuition should be entirely covered by the tuition waiver and in some cases may be charged/credited, or waived entirely. All additional expenses (student fees, lab fees, room and board, books, etc.) are the responsibility of the student.

Reimbursement for prior semesters is not permitted. MITW is only applied to the student's current and subsequent future semesters

Semester/Term Awards

- Fall: Yes
- Winter: Yes
- Spring: Yes
- Summer: Yes

Program Limits

Program eligibility ends when a student is no longer:

- Enrolled in a Michigan public community college or university, or
- A Michigan resident, or
- An enrolled citizen of a federally recognized tribe.

Note: The statute **does not** limit tuition waiver eligibility based upon full/part-time status, degree track, number of certificates and/or degrees, academic performance, or similar criteria, and such information will not affect MiLEAP verification.

Special Requirements

Institution Requirements

Participating Institutions

An eligible student must attend a:

- Michigan public degree-granting, community college, Tribal college, or public university.

Additional Program Details

MITW Reporting Requirements

Pursuant to Public Act 15 of 2025, the Michigan Department of Lifelong Education, Advancement, and Potential (MiLEAP) is required to submit an annual report to the legislature regarding the usage and cost of the North American Indian Tuition waiver (also known as the Michigan Indian Tuition Waiver program).

A significant amount of the information required in the report is not accessible to MiLEAP without the assistance from institutions. For this reason, the legislature has included supporting language in the legislation which states that an institution receiving tuition waiver funds, including Tribal colleges receiving pass-through funds, provide data to MiLEAP according to the guidelines and procedures developed by MiLEAP.

Note: Four-year universities serving as a pass-through fiduciary for a Tribal college will only need to submit their institution's data. The Tribal college will be responsible for submitting their own data.

Institutions must submit their data to MiLEAP no later than December 31, 2025. A notification and template will be issued to institutions in the fall for the data collection request.

Michigan Reconnect Scholarship/Michigan Reconnect Expansion

Contact

For questions on program policy, email both:

- Program Administrator: MiLEAP-Reconnect@Michigan.gov
- Program Coordinator: Don Florinchi, FlorinchiD@Michigan.gov

Description

Michigan Reconnect (Reconnect) is a State of Michigan scholarship program for Michigan's adults, established with the Michigan Reconnect Grant Act ([P.A. 68 of 2020](#)) and Michigan Reconnect Grant Recipient Act ([P.A. 84 of 2020](#)). The scholarship offers free or discounted tuition to Michigan residents 25 or older, without college degrees, at any of Michigan's public community colleges, including its three Tribal colleges, to pursue a Pell-eligible associate degree or industry-recognized certificates.

Michigan Reconnect Expansion (Reconnect Expansion) is a State of Michigan scholarship program for Michigan's adults. The scholarship offers free or discounted tuition to Michigan residents 21-24 for a limited time, without college degrees, at any of Michigan's public community colleges, including its three Tribal colleges, to pursue a Pell-eligible associate degree or industry-recognized certificates. [P.A. 119 of 2023](#), (Sec. 606 2023-PA-0119) temporarily expanded Michigan Reconnect benefits between October 1, 2023, and December 31, 2024.

Application

Interested Michiganders must first complete and submit a one-time Reconnect application at Michigan.gov/Reconnect. The Reconnect Expansion application had a deadline of December 31, 2024. Michigan Reconnect has no application deadline.

To initiate participation in the scholarship, accepted applicants must then:

- Apply to and be admitted to one of Michigan's public community colleges.
- File a current year Free Application for Federal Student Aid (FAFSA).
- Enroll at an eligible institution at least one credit or more in a Pell-eligible program leading to an associate degree or industry-recognized certificate.
 - Students participating in Michigan Reconnect Expansion must enroll no later than Summer 2025. Students may re-apply for Reconnect once they are 25.

Student Requirements/Eligibility Criteria

To be eligible for an award, a student must:

- Complete and submit an initial application on the [Reconnect Web site](#) (one time only).
- Be at least 25 years of age or older at the time of application.
 - For Reconnect Expansion, be at least 21 years of age or older at the time of application and before December 31, 2024.
- File a current year Free Application for Federal Student Aid (FAFSA).
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
- For Reconnect: An applicant must have maintained continuous Michigan residency for at least the immediately preceding year.
 - For Reconnect purposes, the student is considered meeting this criterion if they can verify that they have been a Michigan resident for at least one year by the start of the semester.
- For Reconnect Expansion: An applicant must be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.

- If a student's parent does not sign the FAFSA, but the institution collects documentation from the parent that the parent refuses to complete the FAFSA and does not provide any financial support to the student, the student can be eligible for Reconnect. The institution must collect documentation showing the student had been a resident one year prior to the beginning of the semester in which they are receiving Reconnect. The institution must update the student's residency in MiSSG.
- Possess a high school diploma or its recognized equivalent.
 - Self-certification (on the Reconnect scholarship application) of high school completion is acceptable but should be federally verified if required.
- Not have an associate or bachelor's degree.
 - If the student has a credential from another country, the credential should be evaluated. If, upon evaluation, it's determined their credential is not the equivalent of an associate degree, the student could be eligible for the scholarship program.
- Be enrolled at an accredited Michigan public community college including Michigan's Tribal colleges.
 - For Reconnect Expansion, students must have enrolled before the end of the 2024-25 Academic Year at their community college and began receiving the award or be marked as 'Eligible No Reimbursement.'

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA).
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Not have an associate or bachelor's degree.
- Maintain continuous enrollment.
 - Earn at least 12 credits in their program of study each academic year, unless a scholarship leave of absence has been approved. Participants will be evaluated on this criterion once they have begun an academic year.
 - New participants who start in a fall semester must meet this criterion by the end of the academic year.
 - New participants who start on a Winter/Spring or Summer semester must earn 12 credit hours during the following academic year.
 - If the student does not earn at least 12 credits by the end of the academic year, the institution must report this in MiSSG.
- **CLARIFIED!** Be maintaining Satisfactory Academic Progress (SAP) or a cumulative GPA of at least 2.0 at the institution since becoming a Reconnect participant at the end of the academic year in which the student was required to earn and earned 12 credit hours.
 - **CLARIFIED!** If the student did not earn 12 credit hours and was required to earn 12 credit hours, report student as not meeting minimum credit hours earned.
 - If the institution is calculating the student's cumulative minimum 2.0 GPA, grades earned prior to the student's participation in Reconnect are not to be considered in the calculation.
 - If the student does not meet SAP or the required GPA minimum, this must be reported in MiSSG as 'SAP and GPA Not Met' and the student will no longer be eligible to continue with the scholarship program.

Note: If a Reconnect participant does not meet one or more of the eligibility criteria to continue maintaining the scholarship, the eligible institution will not submit a reimbursement or Eligible No Reimbursement report on behalf of the student. The student will permanently lose the ability to participate in the Reconnect program and their participation cannot be reinstated unless a scholarship leave of absence applies.

Program Award Information

Reconnect and Reconnect Expansion are a last-dollar scholarship, which is equal to the difference between in-district tuition and fees (i.e., tuition, contact hours, and mandatory fees) and any Pell Grant, TIP, and any State tuition-restricted scholarships or awards that a student receives. Reconnect will only cover courses toward the student's certificate or degree program.

Reconnect participants may change the program of study in which they are enrolled providing the change is to a Pell-eligible associate degree or industry-recognized certificate program. Courses for which a student receives Michigan Reconnect funding must go toward their current program of study. The four-year limit on the length of time one may receive a Reconnect scholarship still applies, regardless of program of study changes.

A Reconnect participant may be considered 'Eligible No Reimbursement' if they have other scholarships or awards that cover their in-district tuition, mandatory fees, and contact hours or choose not to utilize Reconnect funds if they have other scholarships or awards that fit their financial needs better. Reconnect participants who are 'Eligible No Reimbursement' are still considered participants of the award and must still meet the Student Eligibility and Program Eligibility requirements to avoid losing the scholarship and be able to receive more than \$0 Reconnect in future semesters.

Reconnect will only pay for developmental education courses offered through a corequisite model. Any additional remediation programs, the institution considers appropriate are subject to all the following:

- Serve as a supplement to, not as an alternative, to the corequisite model.
- Evidence-based rationale for the program, to be reported in the annual compliance report.
- Offered at no charge to Reconnect students or offered outside of the tuition and fee structure.

Institutions may use foundation or other local funding sources or refer students to adult education providers. Institutions cannot charge Reconnect students for developmental courses that are not a corequisite of a college level course.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

Reconnect Reimbursement Requests

When submitting a reimbursement request or reporting 'Eligible No Reimbursement' on behalf of a Reconnect student, the eligible institution is confirming that the student meets the requirements to continue to receive the award.

Reimbursement requests may be submitted with an uploaded text file in MiSSG that the institution can create from using the [Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [Reconnect Upload Reimbursement File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, reimbursement requests may be submitted for individual students by using the online interface method in MiSSG. To do so, navigate to the Reconnect Reimbursement Request menu item under the Michigan Reconnect Scholarship menu, select a term, and click the Reimbursement Roster button. Technical procedures are available in the [Reconnect MiSSG Manual](#).

The most recent institution that submits a reimbursement for a student, prior to payment processing, is where funds will be disbursed to.

Program Limits

Program eligibility ends when a student has:

- Four years have passed from the first reimbursement or 'Eligible No Reimbursement' report that the Office of Higher Education receives.
 - Note: This timeline may be adjusted for students who have an approved Leave of Absence.
- The student has earned an associate degree.

Note: Students who apply and participate in the Reconnect Expansion cannot apply for Reconnect once they are 25 if they did not maintain eligibility for the program.

Special Requirements

Institution Requirements

An eligible student must attend a:

- Michigan public degree-granting, community college, or Tribal college.

Additional Program Details

Eligible Programs of Study

Pell-eligible program at an eligible institution leading to an associate degree or industry-recognized certificate.

Interested Reconnect applicants, who have not yet earned an associate or bachelor's degree, but have earned a certificate previously and are currently enrolled in an associate degree program are eligible to apply for this program.

Reconnect will only cover the cost of one program at any given time.

Reconnect participants who choose to pursue an industry-recognized certificate can still go on to pursue their associate degree **if the certificate is in an industry-recognized field that is related (i.e., logical transition) to the associate degree to be pursued.**

Reconnect will cover the cost for the certificate and associate degree within the four-year limit. If the course of study is not completed within the four-year Reconnect limit, the student will be responsible for covering the remaining cost of their academic program.

Reconnect will only cover the cost of one (1) certificate within the four-year limit.

U.S. Department of Labor (USDOL) apprenticeship programs are not eligible. If an apprenticeship program informs apprentices that completion of a Pell-eligible associate degree or industry-recognized certificate at the community college counts toward the academic requirement of the apprenticeship program, the apprentice could attend the community college tuition-free; however, that is an arrangement between the union and the apprentice. Non-Pell-eligible courses or courses outside of the community college are not available for the Reconnect scholarship.

Guest/visiting students are not eligible for this award.

Leave of Absence

A participant, who takes a leave of absence from an eligible institution and is unable to earn a minimum of 12 credits by the end of the academic year due to an approved hardship, may continue to receive their award upon resuming their education at an eligible institution provided there is continued program funding and the student continues to meet all applicable eligibility requirements for the scholarship program. The time in which the student was not continuously enrolled does not count toward the student's four-year time limit.

NEW! The leave of absence process, review, and approval is to be managed by, and is at the discretion
Page | 66 (Revised 5/15/2026)

of, the eligible institution. The Office of Higher Education does also consider the following reasons to be considered allowable issues of hardship:

- Fulfilment of a religious commitment expected of all students of that faith,
- A participant's participation in an internship or co-op program that is required or encouraged as part of the academic program in which they are enrolled, or
- Participants who become waitlisted for their program or provided a late start date after pre-requisite courses are completed for their curriculum.

If a student's leave of absence is approved by the eligible institution, community college staff with access to MiSSG will enter in a leave of absence for all semesters the student missed during the leave of absence within the student's record in MiSSG. Leave of absence decisions should include documentation of that circumstances that the college retains through December 31, 2031.

Special Reporting

By accepting Reconnect scholarship funds, community colleges agree to participate in data collection and quality assurance protocols established by statute. This includes an annual compliance report to the Office of Higher Education due every June 30.

In addition to the above report, community colleges agree to participate in data collection and quality assurance protocols established by the Office of Higher Education for the purpose of accurately tracking student outcomes, i.e., reporting associate degree and certificates earned in MiSSG. Reconnect participants who are 'Eligible No Reimbursement' should still be included in all reporting by the institution.

Institutions must report graduation data in MiSSG for Reconnect/Expansion recipients each semester.

Reconnect Navigator Support

[Michigan Reconnect Navigators](#) are available to help Michigan Reconnect students start on their path to a college degree or certificate. This includes applying for Federal and State student aid, setting a career goal, selecting a program of study, registering for classes and creating a plan to graduate.

Michigan Tuition Grant

Contact

Program Coordinator: Caroline Nurenberg, NurenbergC4@Michigan.gov

Description

Provides renewable scholarships for undergraduate students attending eligible private or independent degree-granting, non-profit institutions. Awards are based on financial need.

NEW! The Michigan Tuition Grant is no longer available to students who did not initiate (received a paid award) in Academic Year 2023-24 or prior. Michigan Tuition Grant will permanently end September 30, 2029.

Application

The FAFSA serves as the application and must be completed by renewal students by July 1.

Student Requirements/Eligibility Criteria

To be eligible for an award, a student must:

- File a current year FAFSA: Completed.
 - A completed FAFSA is required and it must be verified if selected for verification.
- Demonstrate financial need.
- Not be in default on a Federal student loan.
- Not be incarcerated.
- Be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Be enrolled at least half-time.
 - Cannot be enrolled in a course of study leading to a degree in theology, divinity, or religious education.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Possess a high school diploma or its recognized equivalent.
 - Proof of high school completion is required.
- Be an undergraduate student.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA).
 - A completed FAFSA is required and it must be verified if selected for verification.
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Be an undergraduate student.
- Enroll at least half-time at a participating institution.
 - Cannot be enrolled in a course of study leading to a degree in theology, divinity, or religious education.
 - Courses outside of the degree program may count toward the enrollment requirement and covered costs.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Program Award Information

Award maximum is \$3,000 per academic year. Award is tuition-specific and may also include mandatory fees. MTG does not restrict what classes a student can enroll in. Courses outside of the degree program may count toward the enrollment requirement and covered costs.

Award amount is based on legislative appropriations.

Maximum semester or term awards are prorated by the student's enrollment.

- Full-time
 - Semester: \$1,500
 - Term: \$1,000
- Three-quarter-time
 - Semester: \$1,125
 - Term: \$750
- Half-time
 - Semester: \$750
 - Term: \$500

Note: Term award amounts vary slightly from term to term because the annual amount is not divisible by three. Check MiSSG for exact award amounts.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: No

MTG Certification

Awards can be certified with an uploaded text file in MiSSG that the institution can create by using the [MCS/MTG Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [MCS/MTG Upload Certification Roster File Format](#) also available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, certification may occur for students individually by using the online interface method in MiSSG. To do so, navigate to the Certification menu item under the Michigan Tuition Grant menu, select a term, and click the Certification Roster button. Technical procedures are available in the [Aid Administrators MiSSG Manual](#).

Program Limits

Program eligibility ends when the student has:

- Exhausted all remaining check counts.*
 - For students who were eligible for a payment Spring 2020 and anytime during Academic Year 2020-21, they will receive up to 72 check counts of eligibility.

*Check count is the method used to monitor MTG usage. Each student will have a starting pool of 60 check counts and may not receive another MTG award once this pool is exhausted.

Special Requirements

Institution Requirements

[Participating Institutions](#)

An eligible student must attend a:

- Michigan private or independent degree-granting, non-profit institution.

MTG Budget

Institutional Budget

MiSSG requires prior year institutional budgets when calculating current year awards. MiSSG begins loading ISIRs and making tentative awards to students in late fall. Since institutional budgets are often not finalized until the following summer, prior year budgets must be used.

Institutional budgets used to calculate 2026-27 awards must have been entered in MiSSG by the end of September 2025. Once an institution enters their MCS Budget, the MTG Budget will automatically populate in MiSSG with the same budget information. No further action is required in the MTG School Profile regarding the budget after MCS is updated. Please refer to the [MCS Budget](#) for additional details.

Note: Institutions that report their own room and board costs must be able to provide proof to the Office of Higher Education upon request that at least 10% of their enrollment resides in the institution's dorms.

State Budget

The Office of Higher Education uses the Consumer Price Index when determining the [State budget](#) amounts used for MTG, which is entered in MiSSG annually.

Calculation of Award

To establish eligibility, the Office of Higher Education uses the institutional budget in MiSSG for the student's grade level (determined by the FAFSA) and a student's Student Aid Index (SAI). A negative SAI is treated as zero SAI for purposes of determining need.

If the SAI is less than the institutional budget for the grade level then financial need is demonstrated. The student may receive an award up to the maximum award amount, but not more than the demonstrated need (budget – SAI).

After the initial eligibility is established, the institution does not need to re-calculate financial need based on a change in Cost of Attendance (COA) or budget.

Minimum Award

For students need of \$1 to \$99, the minimum award amount in MiSSG is \$100 (\$50 Fall and \$50 Spring). For term institutions, the institution will make the determination. The award must be monitored per the guidelines provided below.

Check counts do apply; therefore, if a student wishes to forgo their award to save their check counts, the award can be cancelled.

Monitoring of Award

The institution must monitor that the student does not have other tuition-specific aid or other financial resources that would exceed the student's need or tuition and fees (whichever is less).

The student's individual Cost of Attendance and SAI may be used when monitoring awards.

Tuition-specific Awards

If a student receives an additional tuition-specific award, the institution must monitor that the combination of the additional award and the MTG award does not exceed the student's COA.

To evaluate:

1. Subtract the SAI from the current institutional budget for the appropriate grade level, which may differ from the institutional budget MiSSG used to calculate the student's initial eligibility.

2. Subtract other tuition-specific aid from need to determine the revised need.

EXAMPLE	Amount
a) Current Institutional Budget	\$25,000
b) SAI	15,000
c) Adjusted Need (a minus b)	\$10,000
d) Other Tuition-specific Aid	\$6,000
e) Demonstrated Need (c minus d)	\$4,000

3. Student need is \$4,000; therefore, award can be certified at the maximum award amount.

Additional Program Details

MTG Special Reporting

Institutions that receive MTG funds are required to report data by October 31 yearly (pursuant to Public Act 15 of 2025) that includes MTG recipients, MTG recipients in remedial education classes, and total Pell recipients who also receive MTG.

MTG data is collected by the Michigan Independent Colleges and Universities (MICU) and submitted to the Office of Higher Education on behalf of the entire MICU membership.

Police Officer's and Fire Fighter's Survivor Tuition Grant

Contact

Program Coordinator: Christy Williams, WilliamsC96@Michigan.gov

Description

Provides a waiver of tuition at Michigan community colleges, Tribal colleges, and public universities for the natural or adopted children and surviving spouses of Michigan police officers and fire fighters killed in the line of duty.

Application

Students must complete an initial application (one time only). Applications are available January 1 for the following academic year. The deadline to apply is July 15, 2026. Tuition Incentive Program

Contact

Program Coordinator: Stephanie Dillon, DillonS7@Michigan.gov

Description

A program that encourages Medicaid eligible students to complete high school with the incentive of college tuition. Students are identified annually by the Michigan Department of Health and Human Services (MDHHS) as having met the Medicaid eligibility requirement.

Application

The FAFSA serves as the application and must be completed by the Federal deadline. Students prior to the high school Class of 2020 were required to complete a separate TIP application by August 31 of their high school graduation year. To check the eligibility status, the student can log into the MiSSG Student Portal at Michigan.gov/MiSSG.

TIP Phases

TIP is divided into two different sub-program phases:

- Phase I: Provides tuition assistance to eligible students enrolled in a certificate or associate degree program.
- Phase II: Provides tuition assistance to eligible students enrolled in a bachelor's degree.

Tuition Incentive Program – Phase I

Phase I Student Requirements/Eligibility

To be eligible for an award, a TIP student must:

- File a current year FAFSA.
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
 - If a student graduated prior to 2020, must have also completed a TIP application by August 31 of graduating year.
- Not be in default on a Federal student loan.
- Be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Be enrolled in a qualifying certificate or associate degree program.
- **CLARIFIED!** Possess a high school diploma or its recognized equivalent prior to age 20 (proof of high school completion is required).
 - Students who attend a State-approved Early/Middle College have until age 21 to complete high school or its recognized equivalent.
- Be enrolled at least half-time, and the student must be pursuing a certificate or associate degree. Half-time is defined as a minimum of six (6) credit hours.
 - TIP will only cover courses toward the student's certificate or degree program.
- Be an undergraduate student.
- Begin using TIP at a participating institution within four years of high school completion.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Phase I Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA).
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
- Be enrolled at least half-time in a qualifying certificate or associate degree program.
 - TIP will only cover courses toward the student's certificate or degree program.
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Be an undergraduate student.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Phase I Program Award Information

Award is tuition-specific and may also include mandatory fees. TIP will only cover courses toward the student's certificate or degree program.

Maximum semester or term awards are based on the number of credits eligible for reimbursement:

- Tuition award: [Number of eligible credits] * [Reimbursement Rate]
- Mandatory fees: semester maximum \$450.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

Eligible Credits

Student must be taking a minimum of six credits within degree program. All credits must apply to certificate or associate degree.

Fee Restrictions

- Reimbursement requests may not be submitted for zero credit hours.
- Institutions are permitted to combine summer modules for TIP reimbursement requests.

NEW! Per Public Act No. 15 of 2025, the tuition rate that may be received for TIP at participating private or independent degree-granting institutions is calculated annually by averaging the standard in-district tuition rates of participating Michigan community colleges. The 2025-26 rate is \$135 per credit hour and has been prepopulated in MiSSG.

All other institutions will need to enter their 2025-26 TIP Rates in MiSSG by **September 29, 2025**.

To enter the 2025-26 TIP Rates, please follow these instructions:

- Log into MiSSG.
- Select Tuition Incentive Program from the MiSSG Menu.
- Select School Profile.
- Update.
- Enter credit rate information.
- Save.

TIP Rate by Institution Type

- **Community College/Tribal college:**
 - In-district students:
 - The institution's in-district rate will be used as the rate-per-credit for reimbursement requests.
 - Out-of-district students:

- For persons not residing in a community college district, or if the student's chosen program of study is not offered in the resident district community college, the out-of-district rate may be authorized.
- **Public University:**
 - The university's lower-level resident rate will be used as the rate-per-credit for reimbursement requests.
- **Private or Independent Institutions:**
 - **NEW!** For Academic Year 2025-26, the rate of \$135 will be used as the rate-per-credit for reimbursement requests.

Phase I Reimbursement Requests

Reimbursement requests may be submitted in MiSSG with an uploaded text file that the institution can create from using the [Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [TIP Upload Reimbursement File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, reimbursement requests may be submitted for individual students by using the online interface method in MiSSG. To do so, navigate to the TIP Reimbursement Request menu item under the TIP menu, select a term, and click the Reimbursement Roster button.

The most recent institution that submits a reimbursement for a student, prior to payment processing, is where funds will be disbursed to. Technical procedures are available in the [Aid Administrators MiSSG Manual](#).

CLARIFIED! Note: If a monetary adjustment needs to be made to a previously paid award with no change to credit hours, please contact the Office of Higher Education to perform the adjustment (as School Users do not have access to this feature).

Phase I Program Limits

Program eligibility ends when a student has:

- Not received a TIP reimbursement within four years and one fall semester from high school graduation; or
 - Example: Student who graduates in June 2025 must have initiated by fall of Academic Year 2029-30.
- Eligible students have ten years of benefits after initial payment; or
- Been reimbursed for 80 semester credits or 120 term credits; or
- Received a Phase II reimbursement.
 - A student may not receive a Phase I reimbursement and a Phase II reimbursement in the same semester/term.

Phase I Special Requirements

Institution Requirements

[Participating Institutions](#)

An eligible student must attend an institution that participates in Phase I and is a:

- Michigan public degree-granting, community college, Tribal college, or public university; or,
- Michigan private or independent degree-granting, non-profit institution.

Phase I Additional Program Details

Second Associate Degree or Certificate

After completing an associate degree or acceptable certificate, any remaining Phase I credits may be

used toward a second certificate or associate degree provided the student has not initiated Phase II benefits.

TIP Phase I and Pell Reporting

Per Public Act No. 15 of 2025, public universities, community colleges, Tribal colleges, and independent institutions who receive TIP Phase I funds are required to submit data to the Center for Educational Performance and Information (CEPI).

Data must be submitted to CEPI through the Michigan Student Data System within the Student Record and Academic Record Repository (STARR) Collection. Collecting this information in STARR allows CEPI to create reports required for TIP and Pell student outcomes. If a postsecondary institution does not report the data necessary to CEPI by **October 15** via STARR for the prior academic year, **Phase I TIP funds will not be awarded to students at that institution.** The Institution of Higher Education ([IHE](#)) [Web page](#) has information and supporting documents regarding the STARR collection requirements and process.

NEW! Note: [STARR Reporting Guidance for Independent Institutions](#) (April 15, 2026).

Tuition Incentive Program – Phase II

Phase II Student Requirements/Eligibility

To be eligible for an award, a student must:

- Students become Phase II eligible when they have completed 56 transferable credits or earned a certificate or associate degree.
- File a current year Free Application for Federal Student Aid (FAFSA).
 - **NEW!** A submitted FAFSA is required and does not need to be completed or verified (unless selected for identity verification).
 - If a student graduated prior to 2020, must have also completed a TIP application by August 31 of graduating year.
- Not be in default on a Federal student loan.
- Be a U.S. citizen, permanent resident, or approved refugee.
- Be a Michigan resident since July 1 of the previous calendar year.
 - **CLARIFIED!** If the applicant is a dependent student, the first contributor's state and date of residency on the FAFSA is used to determine Michigan residency. The applicant's address from the FAFSA and the MiSSG student record is also used to evaluate residency.
- **CLARIFIED!** Possess a high school diploma or its recognized equivalent prior to age 20.
 - Proof of high school completion is required.
 - Students who attend a State-approved Early/Middle College have until age 21 to complete high school or its recognized equivalent.

- Eligible students must be enrolled at least half-time.
- Be an undergraduate student.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Phase II Renewal Requirements

In addition to the initial eligibility requirements, to renew, a student must:

- File a current year Free Application for Federal Student Aid (FAFSA).
 - A submitted FAFSA is required and does not need to be completed or verified.
- Be enrolled at least half-time in a qualifying certificate bachelor's degree program.
 - TIP will only cover courses toward the student's certificate or degree program.
- Maintain Michigan residency as outlined in the initial eligibility requirements.
- Be an undergraduate student.
- Meet the institution's Satisfactory Academic Progress (SAP) policy.

Phase II Program Award Information

Phase II provides standard in-district tuition and mandatory fee assistance not to exceed \$500 per semester or \$400 per term up to a maximum of \$2,000 for credits earned in a four-year program at a Michigan degree-granting college or university.

Semester/Term Awards

- Fall: Yes
- Winter: Yes
 - Term institutions only.
- Spring: Yes
- Summer: Yes

Eligible Credits

Students must be taking a minimum of six credits within degree program. All credits must apply to bachelor's degree program.

Fee Restrictions

- Reimbursement requests may not be submitted for zero credit hours.
- Institutions are permitted to combine summer modules for TIP reimbursement requests.

Phase II Reimbursement Requests

Reimbursement requests may be submitted in MiSSG with an uploaded text file that the institution can create from using the [Download Roster File](#) as a base or by other methods such as exporting a text file from the institution's own internal system. The uploaded file must meet the specifications listed in the [TIP Upload Reimbursement File Format](#) which is available at Michigan.gov/MiSSG in the 'MiSSG File Formats for College Administrators' section.

Alternatively, reimbursement requests may be submitted for individual students by using the online interface method in MiSSG. To do so, navigate to the TIP Reimbursement Request menu item under the TIP menu, select a term, and click the Reimbursement Roster button.

The most recent institution that submits a reimbursement for a student, prior to payment processing, is where funds will be disbursed to. Technical procedures are available in the [Aid Administrators MiSSG Manual](#).

Note: If a monetary adjustment needs to be made to a previously paid award with no change to credit hours, please contact the Office of Higher Education to perform the adjustment (as School Users do not have access to this feature).

Phase II Program Limits

Program eligibility ends when a student has:

- Not received a TIP reimbursement within four years and one fall semester from high school graduation; or
 - Example: Student who graduates in June 2025 must have initiated by fall of Academic Year 2029-30.
- Eligible students have ten years of benefits after initial payment; or
- Received a Phase II cumulative lifetime award of \$2,000; or
- Received a bachelor's degree; or
- Had 30 months elapse since becoming Phase II eligible.
 - The 30-month calculation is based on the end date of the semester or term when the 56 transferable credits, certificate, or associate degree were completed. For TIP Phase I, students can earn up to 80 semester credits or 120 term credits, and the end date of the

semester or term when these credits were earned can also be used to determine the 30-month period.

Note: A student may not receive a Phase II reimbursement and a Phase I reimbursement in the same semester/term.

Phase II Special Requirements

Institution Requirements

[Participating Institutions](#)

An eligible student must attend an institution that participates in Phase II and is a:

- Michigan public degree-granting, community college, Tribal college, or public university; or,
- Michigan private or independent degree-granting, non-profit institution.

Chapter V – Packaging

Standard Packaging Order

Aid restricted to tuition and/or fees must be used before applying funds from State financial aid programs. Institutions will ensure all known aid is applied first. State financial aid awards must fit within the student's Cost of Attendance (COA).

1. Aid restricted to tuition and mandatory fees: This includes Federal, State, local/outside (including Kalamazoo Promise), or institutional aid in the form of grants, scholarships, discounts, tuition waivers (including Michigan Indian Tuition Waiver).
2. Police Officer's and Firefighter's Survivor Tuition Grant (STG)
3. Children of Veterans Tuition Grant (CVTG)
4. Michigan Competitive Scholarship (MCS) <ul style="list-style-type: none"> MCS is only available to students who have graduated high school (or its equivalent) prior to 2023.
5. Michigan Tuition Grant (MTG) <ul style="list-style-type: none"> MTG is only available to students who initiated an award (receive a paid award) in Academic Year 2023-24 or prior.
6. Futures for Frontliners (F4F) <ul style="list-style-type: none"> Federal Pell Grant has the first priority in packaging order.
7. Tuition Incentive Program (TIP)
8. Michigan Reconnect (Reconnect)/Michigan Reconnect Expansion (Reconnect Expansion) <ul style="list-style-type: none"> Federal Pell Grant has the first priority in packaging order.
9. CLARIFIED! Fostering Futures Scholarship (FFS) <ul style="list-style-type: none"> Students may receive up to \$1,000 of the semester award for tuition and fees, and books and supplies. Include the tuition and fees portion only. The tuition and fees portion is based on actual tuition and mandatory fees charged to the student. The books and supplies portion is based on the amount defined by the student's COA and can be applied toward direct or indirect costs. Students may receive up to \$1,500 of the semester award for non-tuition-specific expenses and may not exceed the student's Cost of Attendance.
10. Michigan Future Educator Fellowship (MI Fellowship)
11. Federal Pell Grant
12. Promise Zone Scholarship <ul style="list-style-type: none"> Awards restricted to tuition and fees only.
13. Michigan Achievement Scholarship Minimum Award <ul style="list-style-type: none"> Students are eligible for Michigan Achievement Minimum Award at four-year public and private colleges or universities or baccalaureate degree programs at a Michigan community college.
14. Michigan Achievement Last-Dollar Award <ul style="list-style-type: none"> Students are eligible for Michigan Achievement Last-Dollar Award at four-year public and private colleges or universities or baccalaureate degree programs at a Michigan community college.
15. Community College Guarantee Last-Dollar Award <ul style="list-style-type: none"> The Community College Guarantee Last-dollar amount may never exceed the student's actual in-district tuition, contact hours and mandatory fees.
16. Michigan Achievement Bonus <ul style="list-style-type: none"> Students are eligible for Michigan Achievement Bonus at a Michigan community college if they are eligible for a Federal Pell Grant.

Non-Tuition Restricted Awards

Non-tuition restricted awards to be excluded from the calculation of State financial aid programs:

- Student Loans
- Work study
- Qualified withdrawals from an education savings account
- Supplemental Educational Opportunity Grant (SEOG)
- Foundation, institutional, and/or private scholarships
- Michigan Education Trust (MET)
- **CLARIFIED!** Promise Zones (only those that are NOT tuition restricted) See [Promise Zone section](#) for further details.
- WIOA funds

*MI GEAR UP is non tuition-specific and may not exceed the student's Cost of Attendance.

Institutional Free Tuition/Fee Guarantee/Pledge Programs

Institutional grants or scholarships that are not designated as restricted to tuition and mandatory fees, but were used to determine the amount covered by your pledge, promise or guarantee, may be excluded from State financial aid calculations.

Additionally, if your institution does not restrict your pledge, promise, or guarantee to tuition and mandatory fees, it does not need to be included as an award in the State financial aid calculations.

Promise Zones

NEW! Most Promise Zones cover the cost of tuition and fees for students attending a designated college or university. Some also provide additional support for expenses such as books and supplies, while others offer a fixed dollar amount toward a degree. Please review the list of Promise Zones and assess aid eligibility based on the information available from each Promise Zone.

Additional Packaging Guidance

- Packaging Scenarios are available in [Appendix II](#).
- [Michigan Achievement Scholarship Packaging Guidance](#)
- The MI Future Educator Stipend is not to be included in the student's financial aid package.
- MET Contracts
 - If a student has a [MET contract](#), MET should be applied after any State financial aid program. The institution should then bill MET for all the credit hours in which a student is enrolled. Any excess amount can be applied toward room and board or refunded to the student by the institution.
- Veterans' Benefits and State Financial Aid Programs
 - Veterans' education benefits are excluded from the financial aid packaging order.

- **CLARIFIED!** This policy applies to all State financial aid programs, including Michigan Reconnect/Expansion.
- For information on the Michigan National Guard State Tuition Assistance Program (MINGSTAP) contact the Michigan Department of Military and Veterans Affairs at 517-481-7640 or MingstaP@Michigan.gov.

Chapter VI - MiSSG Data Management System

Overview of MiSSG for College Administrators

MiSSG provides students, high school counselors, college financial aid personnel, and eligible training providers access to records, applications, and information from the Office of Higher Education.

[MiSSG](#) allows financial aid professionals, referred to as School Users, to work with student records to:

- Clear errors
- Run reports
- Verify student eligibility
- Transfer student records

Perform awarding tasks, such as:

- Certification
- Requesting reimbursement
- Award adjustments

MiSSG also tracks and posts payments from the Office of Higher Education to postsecondary institutions and eligible training providers.

How to Access MiSSG as a School User

Annually an aid director must complete and submit the [College Security Access Form](#) before any user accounts will be created for personnel at that institution. Each user at the institution will need to have a security level assigned for each program which will determine which features inside MiSSG are available.

'View-Only' Users

- Send MiSSG emails
- View award program data
- View school profile
- View school transactions, history, and payments
- View student records, transactions, and payments
- View institution eligibility rosters

'Update' Users

- View and perform everything that 'View-Only' users can
- Update school profile, contact information, and records
- Add comments
- Clear ineligibility reasons from student records (such as citizenship, residency, etc.)
- Certify student enrollment and award amounts
- Request reimbursements
- Receive payment emails
- Request award reinstatement

'Administrator' Users

- View and perform everything that 'View Only' and 'Update' users can
- Make award payment adjustments
- Edit the institution's annual budget
- Transfer student records

Login information will be emailed to new users shortly after the form is processed by the Office of Higher Education.

To maintain MiSSG access, the aid director must complete and submit a new [College Security Access Form](#) each academic year.

MiSSG User Guide

The MiSSG College Aid Administrator Portal is the School User's way to access data about the students at their institution. For detailed instructional manuals, please refer the [MiSSG Technical Reference](#)

[Manuals.](#)

Program Lead Contact Information in MiSSG

In an effort to have the most up-to-date contact information for lead contacts processing State financial aid programs at your institution, please review and update your institution's School Profile in MiSSG.

- Log into MiSSG.
- Select a State Financial Aid Program from the MiSSG Menu.
- Select School Profile.
- Update.
- Review and update contact information.
- Save.
- Repeat for all State Financial Aid Programs in the MiSSG Menu.

Which Student Records Can Be Viewed?

School Users may only access student records that have been assigned to their institution or have had a payment associated with an award at their institution. Student records are primarily assigned based on which Michigan institution occupied the **first institution** position on the FAFSA. Students may also transfer their institution in the [MiSSG Student Portal](#), see [instructions for students](#).

Summary Page

Institutions may view students' State financial aid Summary data if the student added their school code to the FAFSA. Under Quick View, choose Summary Data, which will display the student's ISIR transaction number, SAI, dependency status, and award information. We encourage institutions to utilize this tool and provide students with instructions on transferring their record to the institution of their choosing.

Transferring Institutions in MiSSG

The preferred method to transfer a student record is via the student utilizing their [MiSSG Student Portal](#) account. Students who need to transfer their MiSSG record to a different institution can either update it in their MiSSG Student Portal or call 888-447-2687 for assistance.

The Office of Higher Education has created [instructions for students](#) to assist in the transfer process. The Office of Higher Education is continuing to communicate to encourage students and parents to make sure the institution they are planning to attend is listed first on their FAFSA.

Institutions may transfer students in MiSSG in bulk or by individual student record. School Users with MiSSG Administrator 1 level access are able to complete this process.

- The Office of Higher Education encourages School Users to watch the [Bulk Student Transfer Process training video](#) and [review instructions](#) to complete a bulk student transfer in MiSSG.
- [Review instructions](#) for individual student transfers in MiSSG.

NEW! Only the Office of Higher Education can initiate a semester/term transfer for a student if an award is in a 'Ready to Pay' or 'Paid' status in the same term.

Clear Ineligible Reasons

NEW! MiSSG School Users should be accessing MiSSG to review the "Clear Ineligible Reasons" and to update ineligible student records, if applicable. The "Clear Ineligible Reasons" can be located in the MiSSG menu for the following programs:

- Children of Veterans Tuition Grant
- Fostering Futures Scholarship
- Futures for Frontliners/Path 2
- MI Future Educator Fellowship
- MI Future Educator Stipend

- MI GEAR UP Scholarship
- Michigan Achievement Scholarship
- Michigan Competitive Scholarship
- Michigan Reconnect Scholarship/Expansion
- Michigan Tuition Grant
- Survivor Tuition Grant
- Tuition Incentive Program

Personally Identifiable Information and Data Security

“Personally Identifiable Information (PII)” shall refer to any data elements that could potentially identify a student, parent, or employee, and includes name, address, a personal identifier, such as Social Security number, date of birth, place of birth, etc. as defined in the Family Educational Rights and Privacy Act (FERPA).

When accessing MiSSG, School Users understand that MiSSG data, information, and reports are confidential and should be handled as such. When communicating with the Office of Higher Education staff regarding students, School Users understand that precautions should be taken to protect PII. This includes the use of MiSSG Student Identifiers (MiSSG ID) in the place of Social Security numbers and date of birth.

As a MiSSG user, School Users agree to take appropriate administrative, technical, and physical safeguards to protect the data from any unauthorized use or access. School Users agree to abide by all State and Federal regulations, including FERPA and will ensure that PII will be transmitted through secure methods only. Data must be encrypted during any transmissions. School Users agree to protect the data and information according to acceptable standards and no less rigorously than their institutions own confidential information. Identifiable level data will not be reported or made public. School Users shall report to the Director of Office of Higher Education immediately, if a School User becomes aware of any use or disclosure of the confidential information in MiSSG in violation of any applicable laws.

Unusual Student Records

Reporting Suspected Fraudulent Activity

NEW! If an institution suspects that a student record is involved in or is the result of suspected fraudulent activity, the institution should follow their internal policies and, as required by Federal Student Aid ([2025-26 Federal Student Aid Handbook, Chapter 5](#) and the [Higher Education Act of 1965](#)), report any suspicions and supporting documentation to the U.S. Department of Education's [Office of Inspector General](#).

In all suspected cases, institutions are strongly encouraged to consult with their legal counsel to ensure that all actions taken are in compliance with applicable laws and institutional policies. Legal counsel can help assess the severity of the issue, protect student privacy, and guide appropriate reporting and communication.

If an institution suspects that a student or other individual has misreported information or altered documentation to fraudulently obtain State financial aid programs through MiSSG, the institution must also notify the Office of Higher Education at MiStudentAid@Michigan.gov. This notification should include:

- A brief summary of the suspected fraudulent activity,
- The MiSSG ID of the impacted student record(s),
- A list of any State financial aid programs for which the student(s) may be eligible,
- A status update on the institution's ongoing investigation.

Upon receipt of this information, the Office of Higher Education will place an Administrative Override on the MiSSG record(s). This will make the student(s) temporarily ineligible for all State financial aid programs while the investigation is in progress.

Resolution and Follow-Up

Once the institution completes its review, it must notify the Office of Higher Education of the findings at MiStudentAid@Michigan.gov. Based on the outcome:

- If no fraudulent activity is confirmed, eligibility for State financial aid will be reinstated and the Administrative Override will be removed.
- If fraud is confirmed, the student(s) will be permanently ineligible for all State financial aid. In such cases, any State financial aid disbursed for both the current and any prior academic years must be returned.

Institutions are expected to follow up with the Office of Higher Education in a timely manner once a resolution is reached, and ensure all relevant documentation is retained per institutional policy.

Students Impacted by Identity Theft

If a student reports to the institution that they suspect they've been impacted by identity theft, the institution should encourage the student to contact IdentityTheft.gov for assistance and next steps.

Chapter VII – Payments

Overview of Payments

All payments are made to the institution on behalf of the students. Payments are made through the State's Statewide Integrated Governmental Management Applications (SIGMA) system and are processed via electronic funds transfer (EFT).

For information on how to become a vendor, visit the [State of Michigan SIGMA Vendor Self Service \(VSS\)](#).

The Office of Higher Education provides an annual certification and payment schedule indicating due dates for all programs.

Review the [Office of Higher Education Payment Schedule](#).

- **NEW!** Payments are disbursed on a quarterly basis for most programs. Michigan Achievement Skills Scholarship, Non-public Dual Enrollment, and MI Fellowship are processed monthly. MI Stipend is processed weekly.
- Payments are made only for students enrolled in the current academic year. Payments should be credited to the student's account unless the student has already satisfied financial obligations to the institution; in such cases, all or part of the award may be paid directly to the student.
- Payments are only made for the current academic year.
 - Prior-year billings will not be processed.

Award Inclusion in Payment Files

To have an award included in a payment file, the award must be certified or have a request for reimbursement submitted prior to the payment file being created.

Quarterly Payments

Quarterly payment files are created based on the net unpaid amounts of certified awards or requested reimbursements since the previous quarterly payment.

Quarterly payments include the following programs:

- Children of Veterans Tuition Grant
- Fostering Futures Scholarship
- Futures for Frontliners/Path2
- Michigan Achievement Scholarship
- Michigan Competitive Scholarship
- MI GEAR UP Scholarship
- Michigan Reconnect Scholarship
- Michigan Reconnect Expansion
- Michigan Tuition Grant
- Police Officer's and Fire Fighter's Survivor Tuition Grant
- Tuition Incentive Program

Aggregate Payments

Quarterly payment files are created based on a percentage of all institution's total certified award amount for the academic year.

MCS and MTG are the only State financial aid programs that use this type of payment.

Calculating Quarterly Percentages

An institution will receive a payment for all certified awards, not to exceed the quarterly allotment. Once the quarterly payment has been issued to an institution, the student's record will reflect as paid in MiSSG. On the 4th quarter payment date, all remaining funds will be issued.

Quarterly allotments are a percentage of the overall State appropriation:

- Quarter 1: 50%
- Quarter 2: 30%
- Quarter 3: 10%
- Quarter 4: 10%

Monthly Payments

NEW! Monthly payments include the following programs:

- Dual Enrollment
- MI Future Educator Fellowship
- Michigan Achievement Skills Scholarship

Weekly Payments

Weekly payments include MI Future Educator Stipend.

Methods of Certifying Awards and Requesting Reimbursements in MiSSG

The two methods of certifying awards or requesting reimbursements in MiSSG are uploading a file to process awards in a batch or using the online interface to process awards individually.

Method	Pros	Cons
Upload File	<ul style="list-style-type: none">• Able to process many students in a batch with a single file.• Can have the file generated and exported from the institution's internal data system.	<ul style="list-style-type: none">• Requires more technical proficiency to use successfully than the online interface method.• Overcoming file line errors can be frustrating to some users.
Online Interface	<ul style="list-style-type: none">• Able to quickly process a single student.• Errors can be corrected in real time.• Easier to use.	<ul style="list-style-type: none">• Is much slower to process many students compared to the upload file method.• Manual process.

Note: The online interface is the only way to submit reimbursement requests for CVTG, FFS, and STG.

Download Roster File Availability

Downloadable rosters for F4F, MCS, MI Fellowship, MI Stipend, MTG, Reconnect, and TIP will become available for all applicable terms at the beginning of the academic year. The files will contain only students who MiSSG believes meet the requirements of the award program at the School User's institution.

F4F, MCS, Michigan Achievement Scholarship, MI Fellowship, MI Stipend, MTG, Reconnect, Reconnect Expansion, and TIP are the only programs with download files. All others use the online interface.

If you use a download file, you should use the most current file as MiSSG is real-time and as students certify or transfer institution, your list will update automatically.

The most recent institution that submits a reimbursement or certification for a student, prior to payment processing, is where funds will be disbursed to.

Withdraws and Enrollment Changes

Institutions may keep program funds if costs were incurred; unused funds must be refunded to the Office of Higher Education via MiSSG.

In the event of a complete tuition and fee refund, where a student's courses are stricken from their transcript, the institution is responsible for internally documenting their enrollment prior to the appeal processing to ensure compliance in the case of a future audit or question regarding the account. Institutions should add a comment to the student's MiSSG account documenting the situation.

For State financial aid programs where a non-tuition and fee component is available such as Michigan Achievement Minimum and Last-dollar awards, the student can retain the award so long as no amount of the award after the appeal is processed will be refunded to the student.

Example 1: A student incurred housing charges that are not refunded during the tuition and fee refund process, Michigan Achievement Scholarship Minimum and Last-dollar awards or Michigan Achievement Bonus awards could apply toward those charges. Tuition specific aid, such as MI Fellowship, must be adjusted and returned.

Example 2: A student withdrew from a course and incurred charges for the course. The course which the student incurred charges for may be counted toward their required enrollment status and may receive State financial aid.

Example 3: A student dropped from a course prior to the add/drop date; therefore, making them less than the required enrollment status. They incurred no charges for the courses dropped. The student would not receive State financial aid.

Example 4: A student was subject to Return of Title IV Funds resulting in changes to their financial aid package. In this instance, an institution may perform a recalculation of the student's Michigan Achievement Scholarships awards based on their new aid package. No amount of the award after the Return to Title IV should be refunded to the student.

Note: For the MI Future Educator Stipend, a student teacher may retain their payment if the student teacher has received the funds, even if they show no enrollment or they have completely dropped out of the student teaching experience. If the student teacher has not yet received their Stipend funds and they withdraw or drop from their student teacher experience, the institution is required to return the funds in full to the State of Michigan.

Refunds

Institutions should never send refunds or other return funds to the Office of Higher Education without first having specifically received a billing notice, except Dual Enrollment and MI Future Educator Stipend. For most State financial aid programs, any differences in total amounts awarded and paid are designed to net out naturally over the course of the payments within the academic year.

The MI Future Educator Stipend does not net out. Anytime a MI Future Educator Stipend requires a reduction, institutions will need to use the program specific [Office of Higher Education Refund Worksheet](#) and remit payment via a paper check.

Times when institutions will receive a billing notice:

- After the final payment for the academic year has been processed and your institution was overpaid.
- As a result of a program review finding or internal audit.

Note: If your institution is required to submit a refund, please utilize the [Office of Higher Education Refund Worksheet\(s\)](#) available on our Web site.

Unclaimed Awards

NEW! Institutions should follow their institutional policy and ensure all measures are taken to notify a student when a refund for their in-direct costs is issued. If an institution is unable to issue a refund check to a student for their in-direct costs due to lack of response from the student, funds must be returned to the Office of Higher Education.

Year-end Balancing

All State Financial Aid Programs

All institutions must balance expenditures for State financial aid programs following the final payment for the academic year. Institutions must issue any refunds owed to the Office of Higher Education no later than September 11, 2026 and complete the [Office of Higher Education Refund Worksheet](#).

Chapter VIII - Program Reviews, Appeals, and Disclaimers

Program Reviews

All institutions are subject to a program review by the State. The scope of a program review is typically one prior academic year at a time. The purpose of the review is to examine compliance with program regulations, identify problems, answer questions relative to reporting requirements, and to offer assistance regarding policies and procedures that will enhance the administration of the State financial aid programs.

When your institution is selected for a program review, an Office of Higher Education representative will contact you to arrange dates for the review. The reviewer will conduct an offsite review, which requires copies of institutional records to be uploaded to MiSSG via Document Management for each student aid recipient selected in the program sample. During an active program, the Office of Higher Education will use MiProgramReview@Michigan.gov to communicate with institutions.

Note: High school graduation completion information may be confirmed in the Student Information section of MiSSG. If the 'HS Grad Confirmed by CEPI' indicates "Yes," this can be used as documentation for a program review. If the status is "No" or blank, the institution must provide proof of high school completion. The 'HS Grad Confirmed by CEPI' information can also be found on the 'Eligible Students Report' and 'Information Roster.'

Record Retention

The Office of Higher Education follows the same guidelines as Federal retention requirements; all institutions are required to keep records for three academic years after the student is no longer enrolled at your institution. Please refer to the current [2024-25 Federal Student Aid Handbook, Volume 2, Chapter 7: Record Keeping, Privacy, and Electronic Processes](#) for more information.

Appeals to The Office of Higher Education and Executive Decisions

Appeals can be submitted and will be evaluated on a case-by-case basis. Students can submit their inquiries via email to MiStudentAid@Michigan.gov or in writing to:

Appendix I - Glossary

Certificate of Completion

A non-academic credential that is given to a student who has met the requirements of an alternative curriculum approved by the school district.

Students with a certificate of completion are eligible for State financial aid programs; however, are not eligible for Federal financial aid programs.

Certificate Program

An acceptable certificate program must be a minimum of 24 semester credits (or 36 term credits) and at least 30 weeks of instructional time within a 12-month consecutive period.

NEW! 2026-27 An acceptable certificate program must be a minimum of 24 semester credits (or 36 term credits) or the clock-hour equivalent **and** at least 30 weeks of instructional time (or 26 weeks if the program is offered in clock hours) within a 12-month consecutive period.

Check Counts

Check count is the method used to monitor MCS and MTG usage within MiSSG. Each student will have a starting pool of 60 check counts and may not receive another MCS or MTG award once this pool is exhausted.

Each MCS/MTG award will reduce a student's remaining check count by:

- 6 check counts for an award at full-time enrollment; or
- 4.5 check counts for an award at three-quarter-time enrollment; or
- 3 check counts for an award at half-time enrollment.

Students with limited check counts remaining in their final semester will still receive a full award based on their award status.

Contact Hours

F4F, Michigan Achievement Scholarship, MCS, MTG, and Reconnect may award based on contact hours, sometimes referred to as billable hours, are charges to students toward practical application in their course work.

Completed FAFSA

The FAFSA must be submitted, completed, and verified (if required) for the following programs:

- Fostering Futures Scholarship
- Michigan Achievement Scholarship/Community College Guarantee
- Michigan Competitive Scholarship
- Michigan Tuition Grant

Credit Hours

State financial aid programs may only award based on credit hours; not contact or billable hours with the exception of F4F, Michigan Achievement Scholarship, MCS, MTG, and Reconnect. The Office of Higher Education adheres to the Federal definition of "credit hour" as defined in the [Federal Student Aid Handbook Glossary](#).

"A credit hour is an amount of work that reasonably approximates not less than:

- One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class work each week for approximately 15 weeks for one semester or trimester hour of credit, or 10 to 12 weeks for one quarter hour of credit, or at least the equivalent amount of work over a different amount of time; or
- At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours."

Cumulative Lifetime Award

The combined total of all a student's paid awards from a single State financial aid program across all academic years.

Enrollment Status

- Full-time: 12 credits or more
 - For Michigan Achievement Scholarship, MI Fellowship, and MI Stipend full-time enrollment is defined by the institution.
- Three-quarter-time: 9-11 credits
- Half-time: 6-8 credits
- Less-than-half-time: 5 credits or less

Failed Courses

Any course that the student has taken, received a State financial aid award, but did not achieve a passing grade.

Grow Your Own

NEW! Grow Your Own (GYO) grant funds are distributed by the Michigan Department of Education to school districts to support tuition, books, and transportation costs for staff members pursuing teacher certification. Districts may choose to either disburse funds directly to the staff member or send funds directly to their partner institutions.

To receive GYO grant funds, districts must document that staff have pledged to serve in the district for a duration equal to the period funded by the grant. Districts are required to report participating staff data to MDE on a semi-annual basis.

Before expending any funds, districts and Educator Preparation Programs (EPPs) must submit co-signed agreements to MDE detailing how they will collaborate to support GYO candidates. These agreements must include specifics on tuition, coursework, and testing support.

It is the responsibility of the Educator Preparation Program to share Grow Your Own recipient data with the institution's financial aid office. This ensures students are not awarded both Grow Your Own funding and MI Future Educator Fellowship or Stipend funds simultaneously.

Mandatory Fees

NEW! Mandatory fees must be fees specified in the institution's course catalog as a condition of enrollment and/or required for the student's completion of an eligible certificate or degree (such as online fees and lab fees required for course enrollment). Allowable fees covered by State financial aid programs must not include any fees that a student or students may opt-out of.

Official Transcript

A transcript received and processed following the official transcript policy of the receiving institution. For the purpose of State financial aid programs, the transcript must also include a date indicating completion or graduation.

Required Fees

Required fees are included in the MI Future Educator Fellowship award calculation. Required fees are any fees that a student must pay in order to complete their Educator Preparation Program.

Recognized Equivalent

In compliance with Public Act 249 of 2016, the State of Michigan, Department of Labor and Economic Opportunity recognizes the following high school equivalency tests as options for individuals to earn a high school equivalency credential:

- General Equivalency Diploma (GED)
- High School Equivalency Test (HiSET)
- Test Assessing Secondary Completion (TASC)

- Michigan Reconnect Expansion
- Police Officer's and Fire Fighter's Survivor Tuition Grant
- Tuition Incentive Program

Trailer

Summer semester/term is considered a "trailer" semester (the end of the school year) for all State financial aid programs.

Tuition-specific

Aid that may only be applied to tuition costs and mandatory fees.

Appendix II – Packaging Scenarios

Michigan Achievement Scholarship Community College Guarantee Tuition Incentive Program, and Federal Pell Grant

In-District Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$15,000
In-district Tuition and Fees Total *	\$5,000
Tuition Incentive Program	\$3,500
Federal Pell Grant	\$1,000
Community College Guarantee Last-dollar payment amount	\$500
Michigan Achievement Bonus	\$1,000

A student has a Cost of Attendance (COA) of \$15,000 and is eligible for the Tuition Incentive Program (TIP), Community College Guarantee Last-dollar, and \$1,000 Michigan Achievement Bonus.

Their tuition, contact hours, and mandatory fees total is \$5,000. They received \$1,000 Federal Pell Grant (Pell) and TIP has been calculated at \$3,500 for the Fall and Winter/Spring terms.

In this scenario, first TIP would be calculated:

- $\$2,550 + \$950 \text{ mandatory fees} = \$3,500$

Next, the Community College Guarantee Last-dollar Award would be calculated:

- $\$5,000 \text{ (Tuition and Fees)} - \$3,500 \text{ (TIP)} - \$1,000 \text{ (Pell)} = \500 . Because there is Tuition and Fee remaining, the student would be awarded \$500 in Community College Guarantee Last-dollar Award.

Next, the Michigan Achievement Bonus would be calculated:

- $\$15,000 \text{ (COA)} - \$3,500 \text{ (TIP)} - \$1,000 \text{ (Pell)} - \$500 \text{ (Community College Guarantee Last-Dollar)} = \$10,000$. Because there is still room remaining, the student would be awarded the full Michigan Achievement Bonus award of \$1,000.

* The Community College Guarantee Last-dollar amount may never exceed the student's actual In-district tuition, contact hours and mandatory fees.

Michigan Achievement Scholarship Community College Guarantee and Federal Pell Grant

Out-of-District Example (Fall):

Types of Costs	Amount
COA	\$15,000
In-district Tuition and Fees Total *	\$1,800
Actual cost (Tuition plus mandatory fees)	\$3,105
Federal Pell Grant	\$400
Community College Guarantee Last-dollar payment amount	\$2,505
Michigan Achievement Bonus	\$500

A student has a Cost of Attendance (COA) of \$15,000 and is eligible for the Community College Guarantee Last-dollar and \$500 Michigan Achievement Bonus for the semester as well as \$400 in Pell.

They are attending an institution 'out-of-district.' Their in-district tuition is \$1,800 and out-of-district tuition is \$2,400.

In this scenario, first the Community College Guarantee Last-dollar Award **limit** would be calculated:

- \$1,800 (In-district Tuition) + \$705 (Mandatory fees) = \$2,505

Then their actual cost would be calculated:

- \$2,400 (Out-of-district tuition) + \$705 (Mandatory fees) = \$3,105.

Next, the Community College Guarantee Last-dollar Award would be calculated. The Last-dollar award must never exceed the Last-dollar Award **limit**:

- \$3,105 (Actual cost) - \$400 (Pell) = \$2,705. Because the Last-dollar award exceeds the Last-Dollar award **limit** the student may be awarded \$2,505. The student has a remaining \$200 balance.

Finally, the Michigan Achievement Scholarship Bonus award is calculated.

- \$15,000 (COA) - \$400 (Pell) - \$2,505 (Community College Guarantee Last-Dollar) = \$12,095. Because there is still room remaining, the student would be awarded the full Michigan Achievement Bonus award of \$500.

* The Community College Guarantee Last-dollar amount may never exceed the student's actual In-district tuition, contact hours and mandatory fees.

Michigan Achievement Scholarship Community College Guarantee and Federal Pell Grant Consortium Agreement (Host School: Community College/Tribal College)

In-District Example (Fall):

Types of Costs	Amount
COA	\$10,000
In-district Tuition and Fees Total *	\$2,200
Federal Pell Grant	\$1,000
Community College Guarantee Last-dollar payment amount	\$1,200
Michigan Achievement Bonus	\$500
In-District Tuition Rate per Credit	\$125
Mandatory Fees for 6 Credits	\$350

A student has a Cost of Attendance (COA) of \$10,000 and is eligible for the Community College Guarantee Last-dollar and \$500 Michigan Achievement Bonus.

They are in a consortium agreement where the Community College is their host institution. Their in-district tuition, contact hours, and mandatory fees (6 credit hours) at the Community College total \$1,100. The student is also enrolled in 6 credit hours at their consortium school. They received \$1,000 Federal Pell Grant (Pell).

First, the allowable amount of tuition and fees at the consortium school would be calculated. The In-district rate for the home institution will be used, because it is the lesser of the two tuition rates.

- 6 (Credit hours) x \$125 (In-district Rate) = \$750
- \$750 (Tuition) + \$350 (Mandatory Fees) = \$1,100 (Tuition & Fees for Consortium Credits)

The Community College Guarantee Last-dollar maximum will be:

- \$1,100 (Tuition & Fees for Consortium Credits) +\$1,100 (Tuition & Fees for Home Institution) = \$2,200 (Total Tuition & Fees).

Next, the Community College Last-dollar amount will be calculated:

- \$2,200 (Tuition and Fees) - \$1,000 (Pell) = \$1,200. Because there is Tuition and Fee remaining, the student would be awarded \$1,200 in Community College Guarantee Last-dollar.

Next, the Michigan Achievement Bonus would be calculated:

- \$10,000 (COA) - \$1,000 (Pell) - \$1,200 (Community College Guarantee Last-Dollar) = \$7,800. Because there is still room remaining, the student would be awarded the full Michigan Achievement Bonus award of \$500.

* The Community College Guarantee Last-dollar amount may never exceed the student's actual In-district tuition, contact hours and mandatory fees.

Michigan Achievement Scholarship Public and Private Four-year Colleges or Universities, or Baccalaureate Degree Program at a Michigan Community College and Federal Pell Grant

Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$30,000
Tuition and Fees Total	\$15,000
Federal Pell Grant	\$7,000
Michigan Achievement Scholarship Minimum Award	\$2,500
Michigan Achievement Scholarship Last-dollar Award	\$3,000

A student has a Cost of Attendance (COA) of \$30,000 and is eligible for a maximum of \$2,500 of Michigan Achievement Scholarship Minimum Award and \$3,000 Michigan Achievement Scholarship Last-dollar Award.

Their tuition, contact hours, and mandatory fees total is \$15,000. They received \$7,000 Federal Pell Grant (Pell) for the Fall and Winter/Spring terms.

In this scenario, first the Michigan Achievement Scholarship Minimum Award would be calculated:

- \$30,000 (COA) - \$7,000 (Pell) = \$23,000. Because there is still room remaining, the student would be awarded the full Michigan Achievement Scholarship Minimum Award of \$2,500.

Next, the Michigan Achievement Scholarship Last-dollar Award would be calculated:

- \$30,000 (COA) - \$7,000 (Pell) - \$2,500 (Michigan Achievement Scholarship Minimum Award) = \$20,500. Because there is still room remaining, the student would be awarded the full Michigan Achievement Scholarship Last-dollar Award of \$3,000.

Michigan Achievement Scholarship at Four-Year Institution, Tuition Incentive Program, and Michigan Tuition Grant

Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$20,000
Tuition Total and Fees	\$14,000
Federal Pell Grant	\$5,000
Michigan Tuition Grant (MTG)	\$3,000
Tuition Incentive Program (TIP)	\$1,000
Michigan Achievement Scholarship Minimum Award	\$2,500
Michigan Achievement Scholarship Last-dollar Award	\$3,000

A student has a Cost of Attendance (COA) of \$20,000 and is eligible for a maximum of \$2,500 of Michigan Achievement Scholarship Minimum Award and \$3,000 Michigan Achievement Scholarship Last-dollar Award. Their tuition, contact hours, and mandatory fees total \$14,000. They received \$5,000 Federal Pell Grant (Pell), \$3,000 in MTG and TIP Phase II can be awarded up to a maximum of \$1,000.

In this scenario, first the MTG would be determined.

- $\$14,000$ (Tuition and Fees Total) - $\$0$ (Tuition Specific Aid) = $\$14,000$. Because there is $\$14,000$ in tuition, the student would qualify for $\$3,000$ in MTG.

Next, TIP would be calculated:

- $\$14,000$ (Tuition and Fees Total) - $\$3,000$ (MTG) = $\$11,000$. Because there is $\$11,000$ tuition total remaining after MTG, the student would qualify for $\$1,000$ in TIP Phase II funding.

Then, Michigan Achievement Scholarship Minimum Award would be calculated:

- $\$20,000$ (COA) - $\$5,000$ (Pell) - $\$3,000$ (MTG) - $\$1,000$ (TIP Phase II) = $\$11,000$. Because there is still room remaining, the student would be awarded the full Michigan Achievement Scholarship Minimum Award of $\$2,500$.

Last, the Michigan Achievement Scholarship Last-dollar Award would be calculated:

- $\$20,000$ (COA) - $\$5,000$ (Pell) - $\$3,000$ (MTG) - $\$1,000$ (TIP Phase II) - $\$2,500$ (Minimum) = $\$8,500$. Because there is $\$8,500$ remaining after gift aid, the student would qualify for $\$3,000$ in Michigan Achievement Scholarship Last-dollar Award.

Michigan Achievement Scholarship at Four-Year Institution and MI Future Educator Fellowship

Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$26,000
Tuition Total and Fees	\$13,000
Federal Pell Grant	\$7,395
Tuition Incentive Program (TIP) Phase II	\$1,000
MI Future Educator Fellowship	\$10,000
Michigan Achievement Scholarship Minimum Award	\$2,500
Michigan Achievement Last-dollar Award	\$3,000
Non-tuition Restricted Institutional Scholarship	\$6,500
Non-tuition Restricted Outside Scholarship	\$5,000

A student has a Cost of Attendance (COA) of \$26,000 and is eligible for the MI Future Educator Fellowship award. Their tuition and mandatory fees total \$13,000. They received \$7,395 Federal Pell Grant (Pell), TIP Phase II of \$1,000, and two non-tuition restricted scholarships totaling \$11,500.

In this scenario, first the TIP Phase II award would be determined.

- $\$13,000$ (Tuition and Fees Total) - $\$0$ Tuition Specific Aid = $\$13,000$. Because there is $\$13,000$ in tuition and fees, the student would qualify for $\$1,000$ TIP Phase II funding.

Next, MI Future Educator Fellowship would be calculated.

- $\$13,000$ (Tuition and Fees Total) - $\$1,000$ TIP Phase II (Tuition Specific Aid) = $\$12,000$. Because there is $\$12,000$ in tuition, the student would qualify for $\$10,000$ in MI Fellowship funding.

Next, Michigan Achievement Scholarship Minimum Award would be calculated:

- $\$26,000$ (COA) - $\$1,000$ (TIP Phase II) - $\$10,000$ (Fellowship) - $\$7,395$ (Pell) = $\$7,605$. Because there is still room remaining after gift aid, the student would qualify for $\$2,500$ in Michigan Achievement Scholarship Minimum Award.

Then, Michigan Achievement Scholarship Last-Dollar Award would be calculated:

- $\$26,000$ (COA) - $\$1,000$ (TIP Phase II) - $\$10,000$ (Fellowship) - $\$7,395$ (Pell) - $\$2,500$ (Minimum) = $\$5,105$. Because there is still room remaining, the student would be awarded the full Michigan Achievement Scholarship Last-Dollar Award of $\$3,000$. There is $\$2,105$ remaining COA after all State awards are applied.

The above statements remain accurate until the two non-tuition-specific outside scholarships are factored in. All State financial aid must fit within the student's Cost of Attendance. When the additional $\$11,500$ in aid is included, both tuition and fee charges, as well as the total Cost of Attendance, must be evaluated.

- $\$11,500$ (Non-tuition restricted scholarship) - $\$2,105$ (Remaining COA) = $\$9,395$ (Total reduction of State aid needed)

With this in mind, the Michigan Achievement Scholarship Minimum and Last Dollar awards are zeroed out, and the MI Future Educator Fellowship award is reduced from $\$10,000$ to $\$6,105$:

- $\$9,395$ (Reduction needed) - $\$2,500$ (Minimum) - $\$3,000$ (Last-Dollar) - $\$3,895$ (Fellowship) = $\$0$

Types of Costs	Amount
COA	\$26,000
Federal Pell Grant	\$7,395
Tuition Incentive Program (TIP) Phase II	\$1,000
MI Future Educator Fellowship	\$10,000 →\$6,105
Michigan Achievement Scholarship Minimum Award	\$2500 →\$0
Michigan Achievement Last-dollar Award	\$3000 → \$ 0
Non-Tuition Restricted Institutional Scholarship	\$6,500
Non-Tuition Restricted Outside Scholarship	\$5,000

These adjustments keep the student at their maximum Cost of Attendance. Professional Judgment may be used at the discretion of the institution to increase the Cost of Attendance to increase State financial aid eligibility.

Tuition Incentive Program, Michigan Tuition Grant, and Tuition Restricted Scholarship (TRS)

Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$20,000
Tuition Total and Fees	\$14,000
Federal Pell Grant	\$5,000
Michigan Tuition Grant (MTG)	\$3,000
Tuition Incentive Program (TIP) Phase II	\$1,000
Tuition Restricted Institutional Scholarship	\$8,000

A student has a Cost of Attendance (COA) of \$20,000 and their tuition, contact hours, and mandatory fees total \$14,000. They received \$5,000 Federal Pell Grant (Pell), \$3,000 in MTG, \$8,000 in Tuition Restricted Institutional Scholarship, and TIP Phase II can be awarded up to a maximum of \$1,000.

In this scenario, first the MTG would be calculated:

- $\$14,000$ (Tuition and Fees Total) - $\$8,000$ (Tuition Restricted Scholarship) = $\$6,000$. Because there is $\$6,000$ in reaming tuition, the student would qualify for $\$3,000$ in MTG.

Finally, TIP would be calculated:

- $\$14,000$ (Tuition and Fees Total) - $\$8,000$ (Tuition Restricted Scholarship) - $\$3,000$ (MTG) = $\$3,000$. Because there is $\$3,000$ tuition total remaining, the student would qualify for $\$1,000$ in TIP Phase II funding.

Reconnect Scholarship with In-district tuition and Federal Pell Grant and no Tuition Restricted Scholarship (TRS)

Example (Fall and Winter/Spring):

Types of Costs	Amount
----------------	--------

COA	\$7,500
In-district Tuition and Fees Total	\$2,805
Federal Pell Grant	\$3,248
Tuition Restricted Institutional Scholarship	\$0
Reconnect Scholarship	\$0

A student is attending an institution 'in-district' with a Cost of Attendance (COA) of \$7,500 for the semester, and the student is eligible for Reconnect and Federal Pell Grant (Pell) but no Tuition Restricted Scholarship (TRS)

The student is enrolled in 12 credits for the semester at \$175 per credit hour with total mandatory fees of \$705 for a total of \$2,805.

In-district tuition is $\$175 \times 12 \text{ credits} = \$2,100 + \$705 \text{ (mandatory fees)} = \$2,805 \text{ (total tuition and fees)}$

Next, the student's Pell and Tuition Restricted Scholarship amounts must be determined, which in this scenario, the student's Pell grant is \$3,248 and the TRS is \$0.

Next, the student's Reconnect Scholarship would be calculated:

- $\$2,805 \text{ (total tuition and fees)} - \$3,248 \text{ (Pell Grant)} - \$0 \text{ (TRS)} = -\$443$
- Since Pell covers the entire tuition and fees balance, the Reconnect award would be \$0.

Reconnect Scholarship In-district tuition with a Pell Grant and a Tuition Restricted Scholarship (TRS)

Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$6,500
In-district Tuition and Fees Total	\$2,280
Federal Pell Grant	\$1,000
Tuition Restricted Scholarship	\$1,000
Reconnect Scholarship	\$280

A student is attending an institution 'in-district' with a Cost of Attendance (COA) of \$6,500 for the semester, and the student is eligible for Reconnect, Pell, and a Tuition Restricted Scholarship (TRS).

The student is enrolled in 9 credits for the semester at \$175 per credit hour with total mandatory fees of \$705 for a total of \$2,280.

- In-district tuition is $\$175 \times 9 \text{ credits} = \$1,575 + \$705 \text{ (mandatory fees)} = \$2,280 \text{ (total tuition and fees)}$

Next, the student's Pell Grant and TRS awards must be determined, which in this scenario, the student's Pell grant is \$1,000 and the TRS is \$1,000.

Next, the student's Reconnect Scholarship would be calculated:

- $\$2,280 \text{ (total tuition and fees)} - \$1,000 \text{ (Pell Grant)} - \$1,000 \text{ (TRS)} = \$280 \text{ (Reconnect)}$
- Final balance is \$0 as Reconnect will cover the remaining \$280.

Reconnect Scholarship with In-district tuition with no Pell Grant and no Tuition Restricted Scholarship (TRS)

Example (Fall and Winter/Spring):

Types of Cost	Amount
COA	\$5,500
In-district Tuition and Fees Total	\$1,755
Federal Pell Grant	\$0
Tuition Restricted Scholarship	\$0
Reconnect Scholarship	\$1,775

A student is attending an institution 'in-district' with a Cost of Attendance (COA) of \$5,500 for the semester, and the student is eligible for Reconnect but no Pell and no Tuition Restricted Scholarship (TRS).

The student is enrolled in 6 credits for the semester at \$175 per credit hour with total mandatory fees of \$705 for a total of \$1,755.

- In-district tuition is $\$175 \times 6 \text{ credits} = \$1,050 + \$705 \text{ (mandatory fees)} = \$1,755 \text{ (total tuition and fees)}$

Next, the student's Pell Grant and TRS awards must be determined, which in this scenario, the student's Pell grant is \$0 and the TRS is \$0.

Next, the student's Reconnect Scholarship would be calculated:

- $\$1,755 \text{ (total tuition and fees)} - \$0 \text{ (Pell Grant)} - \$0 \text{ (TRS)} = \$1,755 \text{ (Reconnect)}$
- Final balance is \$0 as Reconnect will cover the total of \$1,755.

Reconnect Scholarship with Out-of-District tuition with a Pell Grant and no Tuition Restricted Scholarship (TRS)

Example (Fall and Winter/Spring):

Types of Costs	Amount
COA	\$8,500
Out-of-district (actual) Tuition and Fees Total	\$3,105
In-district Tuition and Fees Total	\$2,505
Federal Pell Grant	\$400
Tuition Restricted Scholarship	\$0
Reconnect Scholarship	\$2,505

A student is attending an institution 'out-of-district' with a Cost of Attendance (COA) of \$8,500 for the semester, and the student is eligible for Reconnect and Pell but no TRS.

The student is enrolled in 12 credits for the semester at \$200 per credit hour with total mandatory fees of \$705 for a total of \$3,105. The in-district amount per credit hour for this scenario is \$150.

- Out-of-district tuition is $\$200 \times 12 \text{ credits} = \$2,400 + 705 \text{ (mandatory fees)} = \$3,105$

Next, you must figure out the in-district tuition and fees as the Reconnect award may never exceed what the student's in-district tuition and fees amount would be.

- In-district tuition is $\$150 \times 12 \text{ credits} = \$1,800 + \$705 \text{ (mandatory fees)} = \$2,505$ (total in-district tuition and fees) is the maximum amount that the Reconnect Scholarship can be in this scenario.

Next, the student's Pell Grant and TRS awards must be determined, which in this scenario, the student's Pell grant is \$400 and the TRS is \$0.

Next, the student's Reconnect Scholarship would be calculated:

- $\$3,105 \text{ (total tuition and fees)} - \$400 \text{ (Pell Grant)} - \$0 \text{ (TRS)} = \$2,705$. Since this amount is above the maximum Reconnect award figured out above, the maximum of \$2,505 would be awarded for Reconnect.
- Final balance is \$200 after the Reconnect award: $\$2,705 \text{ (total after Pell)} - \$2,505 \text{ (max Reconnect award)} = \200 .

Appendix III – State Financial Aid Programs At-a-Glance

The State Financial Aid Programs At-a-Glance [Web site](#) serves as a centralized platform for presenting State financial aid information in a clear and accessible manner. The Web site is designed to provide financial aid professionals with an overview of state-supported financial aid opportunities, organized by institution type: community colleges, public universities, and private colleges.

The site includes concise program descriptions outlining eligibility criteria, award amounts, duration of funding, and application requirements. A comparison chart is provided to facilitate side-by-side review of program components across different institution types.
