

MiSSG Student Portal

The MiSSG Student Portal provides a student with online access to records and State scholarship applications.

To access the MiSSG Student Portal, go to michigan.gov/missg and click the Student Portal button.

To create an account, a student must know their Social Security number and have either:

- a current year Free Application for Federal Student Aid (FAFSA) on file from fafsa.gov, or
- a Tuition Incentive Program (TIP) record.

Award information and program eligibility is sent to the first college listed on your FAFSA. If you decide to go to another college, you can update it in the MiSSG Student Portal or by contacting the Customer Care Center at 1-888-447-2687.
