Step 1: Application – Completed by Student

Student applies for the MI Future Educator Stipend in the [MiSSG Student Portal](#).

Step 2: Eligibility – Completed by Michigan Department of Treasury

Student is evaluated as 'Eligible' or 'Ineligible' based on their responses to the application questions.

Step 3: Certification – Completed by the Higher Education Institution

The institution certifies awards based on eligibility requirements up to \$9,600.

Step 4: Payment – Completed by the Michigan Department of Treasury

Michigan Department of Treasury issues payments to the Public Institution or the Private Institution.

- **Public Institution Payments**

Michigan Department of Treasury issues payments for students who attend the public institution to the public institution as requested on the certification. The public institution disburses the payment directly to the student teacher.

- **Private Institution Payments**

Michigan Department of Treasury issues payments for students who attend the private institution to the school district where the student is completing their student teaching. The school district must agree to pass this payment onto the student teacher's institution and the institution disburses the payment directly to the student teacher.
