

Michigan Competitive Scholarship

Fact Sheet for Academic Year 2023-24

Description

The Michigan Competitive Scholarship (MCS) provides renewable scholarships for undergraduate students attending eligible Michigan postsecondary institutions. Awards are based on both academic merit and financial need.

Application

To apply for MCS, a student must file a Free Application for Federal Student Aid (FAFSA). To check the status of an application, the student can log into the MiSSG Student Portal at michigan.gov/misssg.

The deadline for Academic Year 2023-24 is May 1, 2023.

Eligibility

To be eligible for an award, a student must:

- File a FAFSA prior to the MCS application deadline.
- Earned a high school diploma or recognized equivalent prior to 2023.
- Achieve a qualifying score* by June 30 of the academic year that the student completed high school or its recognized equivalent.
- The student's high school completion year determines which test counts as qualifying:
 - Beginning with the Class of 2017: SAT minimum score of 1200.
 - Ending with the Class of 2016: ACT minimum composite score of 23.
- MI Student Aid must have the student's Social Security number on file in order to pair with the FAFSA.
- Demonstrate financial need.
- Be enrolled in at least six credit hours at a participating institution.
- All participating institutions are listed on the last page of this Fact Sheet.
- Possess a high school diploma or its recognized equivalent.
- Be a Michigan resident since July 1 of the previous calendar year.

- Be an undergraduate student.
- Not be in default on a Federal student loan.

- For renewal, maintain a minimum cumulative Grade Point Average (GPA) of 2.0.

Program Limits

Awards are restricted to tuition and mandatory fees and pay up to a maximum of \$1,500 for the academic year at participating institutions. It is the responsibility of the college financial aid office to coordinate all sources of aid for which a student may be eligible. Other gift aid may reduce or cancel this award.

Program eligibility ends when a student:

- Has received a baccalaureate degree, or
- Has exhausted their check counts (a method used to monitor MCS usage)
Each student will have a starting pool of 60 check counts (the equivalent of 10 full-time semesters/terms), or
- Has been out of high school over ten years, whichever occurs first.

Students receiving the Michigan Achievement Scholarship may not also receive the Michigan Competitive Scholarship in the same semester/term.

Current and future awards are subject to available and approved funding.

*Class of 2020 and 2021 students may be considered using alternative scholastic achievement criteria determined by the department.
