

## United Way of Jackson County 2019 MEAP Grant

Grant Award: \$5,000,000

Service Area: Statewide

Anticipated Reach: 5,970 Households

United Way of Jackson County (“UWJC”) in partnership with Consumers Energy Company, DTE, and SEMCO is providing Affordable Payment Plans (CARE, LSP, and MAP) along with other self-sufficiency services to eligible, income qualified customers (specific focus on those who are elderly, disabled, or both) that will enable participants to become or move toward self-sufficiency.

### Program Details

Self-sufficiency services offered are outlined below.

- Enrollment into an Affordable Payment Plan (APP). These include CARE (Consumers Energy customers), LSP (DTE customers), and MAP (SEMCO customers).
- One-time utility assistance.
- Needs Assessment and Short-Term Case Management – this includes figuring out what a client’s needs are beyond utility assistance (home weatherization, payment notices from utility providers, food assistance, etc.) and developing a plan to address those needs.
- One to one budget coaching over the phone with one of our staff.
- Access to our private Facebook group
- Monthly Tips Email with information on how to save money on your utility bill and where to get assistance with other services in your community.
- eHome America Money management – online course that takes 2-5 hours and gives information on managing personal finances, credit scores, etc..
