PART I: GENERAL GRANT INFORMATION

I-A Statement of Purpose

[Public Act 615](#) of the Michigan Public Acts of 2012 (MCL 400.1231, et seq.) was enacted creating the Michigan Energy Assistance Act that requires the Michigan Department of Health and Human Services (MDHHS) to establish and administer the Michigan Energy Assistance Program (MEAP). The Act allows MDHHS to use funds received from a federal energy assistance program and any funds collected or appropriated to fund the program.

On June 8, 2016, [Public Act 147](#) of the Michigan Public Acts of 2016 was enacted extending the sunset date of the MEAP until September 30, 2019. On September 30, 2019, [Public Act 87](#) was signed by Governor Whitmer extending the Michigan Energy Assistance Program for four years, until September 30, 2023. [Senate Bill 288 of 2023](#) was introduced in the State Senate on April 25, 2023. The bill proposes to remove the sunset date on this act.

[Public Act 95](#) of the Michigan Public Acts of 2013 (MCL 460.9t) was enacted creating the Low-Income Energy Assistance Fund (LIEAF) charging MDHHS with expending money from the fund as provided by the Michigan Energy Assistance Act. The Act allows the Michigan Public Service Commission (MPSC) to annually approve a low-income energy assistance funding factor, not to exceed \$50,000,000 to fund the LIEAF.

For fiscal year 2023, the MPSC adopted a monthly funding factor of 90 cents per meter for all Michigan electric utilities that have opted to participate in the funding of the LIEAF, effective for the September 2022 billing month, see [Case No. U-17377](#). The funding factor for each program year is updated in late July.

The purpose of this Request for Proposals (RFP) is to obtain proposals from public or private entities or units of government that will outline plans to: assist in the resolution of energy crisis situations and work with eligible households to develop an energy security plan (self-sufficiency plan) that will enable participants to become or move toward energy security. An energy security plan includes assisting participants with the following: paying their energy bills on time; budgeting for and contributing to their ability to provide for energy expenses, which includes enrollment in a utility affordable payment plan (APP) if the household meets enrollment eligibility criteria; and utilizing energy services to optimize on energy efficiency.

As set forth in the Michigan Energy Assistance Act (MCL 400.1231, et seq.):

- (1) “Crisis” means one of the following: 1) an individual or recipient has received a past due notice on an energy bill for his or her household; 2) a residential fuel tank is estimated to contain not more than 25% of its heating fuel capacity; 3) a stated need for deliverable fuel or a nontraditional fuel source in which there is no meter or regular energy bill provided; or 4) a notice that the balance in a prepayment account is below a minimum amount.
- (2) “Crisis season” refers to the period from November 1 through May 31 each year. Not more than 30% of the funds awarded for energy assistance programs shall be spent on home energy costs accrued outside the “crisis season.”
- (3) “Eligible low-income household” means a household with an income of not more than 150% of the federal poverty guidelines.
- (4) “Federal poverty guidelines” means the poverty guidelines published annually in the federal register by the United States Department of Health and Human Services under its authority to revise the poverty line under section 673(2) of subtitle B of title VI of the Omnibus Budget Reconciliation Act of 1981, 42 USC 9902. See the [2022 Federal Poverty Guidelines](#) that are in effect for the 2023 grant year set forth in the MEAP Policy Manual. Updates to the Federal Poverty Guidelines by the United States Department of Health and Human Services will be provided to selected applicants prior to the start of the 2024 grant year (October 1, 2023).

As set forth in MCL 460.9t(7) an electric utility, municipally owned electric utility, or cooperative electric utility that elects to not collect a low-income energy assistance funding factor shall not shut off service to any residential customer from November 1 to April 15 for nonpayment of a delinquent account.

Through the grant award process consideration will be given to the fact that MEAP grant funds collected from a geographic area must be returned, to the extent possible, to that geographic area. Refer to Attachment A for the FY 2023 list of the electric service providers in Michigan that have chosen to contribute to the LIEAF, and Attachment B the FY 2023 list of the electric service providers that are not participating.

Lists of electric service providers that have chosen to opt in or out of the funding factor for 2023 are also available on the Michigan Public Service Commission website at michigan.gov/energyassistance. This list will be updated after the opt in process is complete for FY2024.

Additionally, the MPSC website contains information regarding electric and natural gas regulation along with Michigan [electric](#) and [natural gas](#) utility service area maps.

Fiscal year 2024 MEAP funding levels cannot be fully determined until the fiscal year 2024 federal and state budgets are approved. The distribution of monies from the LIEAF and LIHEAP is contingent on the extension of the MEAP legislation sunset, the passage of the 2024 state and federal appropriations, and approval by the State Administrative Board and the State Budget Office.

The grant period is expected to begin October 1, 2023 and end September 30, 2026. The anticipated amount available for this three-year MEAP Grant is a maximum of \$165,000,000, consisting of \$150,000,000 from the LIEAF and a maximum of \$15,000,000 from LIHEAP Assurance 16 funds.

The amount available for Year One, fiscal year 2024 (October 1, 2023 through September 30, 2024), is an amount consisting of \$50,000,000 from the LIEAF and \$5,000,000 from the LIHEAP Assurance 16 funds provided by DHHS once the US Department of Health and Human Services, Administration for Children and Families has awarded federal allocations. The State may use up to 5 percent of its total LIHEAP award to provide services under Assurance 16.

It is anticipated that the level of MEAP funding available for fiscal years 2025 and 2026 (Year Two – October 1, 2024 through September 30, 2025 and Year Three October 1, 2025 through September 30, 2026) will be consistent with Year One funding; however, funding levels cannot be determined until the subsequent fiscal year federal and state appropriations have been approved.

Year Two grant awards will be based upon submission of the Year One Interim Project Status Report on April 30, 2024 (Section IV-B, Monitoring and Reporting Program Performance), the MPSC and MDHHS will review and evaluate the performance, progress, and effectiveness of each awarded grant project, including timeliness and accuracy of all required reports. If the Year One grant project performance is **not** deemed satisfactory, the MPSC and MDHHS will **not** approve continuation of the Year Two grant. If the Year One grant project is deemed satisfactory, the MPSC and MDHHS will approve continuation of each grant consistent with the Work Plan contained in selected applicant's proposal. Depending on the outcomes of the Year One grant project, revisions to the Work Plan and Budget may be necessary for Year Two.

Year Two allocations will be based on the performance, progress, and outcome of the Year One grant project. Upon approval of a Year Two allocation, a new Grant Agreement will be executed incorporating any necessary Work Plan and Budget revisions.

Year Three grant awards will be based upon submission of the Year One and Year Two Interim Status Reports (due April 30, 2024 and April 30, 2025) and the Year One Final Report on October 15, 2024. The MPSC and MDHHS will review and evaluate the performance, progress, and effectiveness of each awarded grant project, including timeliness and accuracy of all required reports. If the Year One and/or Year Two grant project performance is **not** deemed satisfactory, the MPSC and MDHHS will **not** approve continuation of the Year Three grant.

If the Year One and Year Two grant project is deemed satisfactory, the MPSC and MDHHS will approve continuation of each grant consistent with the Work Plan contained in selected applicant's

proposal. Depending on the outcomes of the Year One and Year Two grant project, revisions to the Work Plan and Budget may be necessary for Year Three.

Year Three allocations will be based on the performance, progress, and outcome of the Year One and Year Two grant project. Upon approval of a Year Three allocation, a new Grant Agreement will be executed incorporating any necessary Work Plan and Budget revisions.

Distributions to selected applicants will come from the LIEAF and the LIHEAP Assurance 16 funds designated to the MEAP. Selected applicants will receive the appropriate information necessary for compliance to Federal LIHEAP program CFDA 93.568-Low-Income Home Energy Assistance.

The grant(s) awarded from this solicitation will support actual expenditures incurred within the grant period that are supported by source documentation (further defined in II-G Accounting). This RFP provides interested parties with sufficient information to enable them to prepare and submit a proposal, budget, budget narrative, and timeline. Refer to Part V: Information Required from Applicant.

I-B Eligibility Requirements

To be eligible to receive a grant under this RFP, the applicant must be a non-profit, public or private entity or unit of government.

I-C Issuing Office and Funding Source

This RFP is issued by MPSC, an agency within the Department of Licensing and Regulatory Affairs (LARA). MPSC is the point of contact for this RFP for purposes of grant administration. The contact person at the MPSC is:

Jamie Curtis, Grant Administrator
Michigan Public Service Commission
Customer Assistance Division
MEAP Section
Telephone: 517-284-8182
Email: MPSC-Grants2@michigan.gov

Year One of the MEAP grant will be funded by \$50,000,000 collected through a low-income energy assistance funding factor approved by the MPSC; and in LIHEAP Assurance 16 funds provided by DHHS pending award by the US Department of Health and Human Services, Administration for Children and Families.

I-D Grant Award

Grant award negotiations will be undertaken with the applicants whose proposals show the organization to be responsible, highly qualified, prepared to efficiently assist low-income households beginning October 1, 2023, and capable of performing the project within the established timeline. It is anticipated that one or more grants will be awarded. The approximate amount available each year of the three-year grant is expected to be \$50,000,000 from the LIEAF and \$5,000,000 in LIHEAP Assurance 16 funds provided by DHHS once the US Department of Health and Human Services, Administration for Children and Families has awarded federal allocations.

The grants that may be entered into will be based on the RFP evaluation and selection criteria provided in Part VI and the objectives of the MPSC.

I-E Rejection of Proposals

The State reserves the right to reject any and all proposals received as a result of this RFP.

I-F Incurring Costs

The State of Michigan is not liable for any costs incurred by an applicant prior to signing of a Grant Agreement.

I-G Pre-Proposal Conference

A pre-proposal conference will be held to provide applicants with guidance and expectations when responding to the RFP. The conference will be held on **Tuesday, June 6th, 2023 at 1:00 p.m.** on the Microsoft Teams virtual platform; interested parties may also attend via telephone conference.

Applicants should RSVP to MPSC-Grants2@michigan.gov with the names of staff attending. Additional details will be provided through the MEAP list serve prior to the pre-proposal conference. Inquiries can also be submitted electronically as outlined in Section I-H, Inquiries.

I-H Inquiries

Questions that arise as a result of this RFP must be submitted no later than **5:00 PM on May 26, 2023**.

Inquiries may be submitted electronically to the Issuing Office at MPSC-Grants2@michigan.gov or made in writing to the Grant Administrator at the address listed in Section I-C, Issuing Office and Funding Source. All inquiries should reference “2024 MEAP Grant.”

Inquiries will be responded to and posted on the MPSC website at www.michigan.gov/energyassistance.

I-I Changes to the RFP

Written answers to questions that change or substantially clarify the RFP will be provided to all prospective applicants on the MPSC website at www.michigan.gov/energyassistance.

I-J Due Date

To be considered for a grant award, a proposal must be received in the Issuing Office no later than **5:00 PM on July 10, 2023**. Proposals must reference “2024 MEAP Grant.” **Proposals must be submitted electronically** to MPSC-Grants2@michigan.gov. A confirmation will be sent by the Issuing Office within 24 hours of receipt. If a confirmation is not received, applicant must contact the Grant Administrator identified in Section I-C, Issuing Office and Funding Source. Electronic submission of PDF documents cannot exceed 15 MB. **Mailed, hand delivered, and faxed proposals will not be accepted.**

I-K Proposals

To be considered, applicants must submit a complete response to this RFP using the format specified in Part V: Information Required from Applicant. The proposal must be signed by an official authorized to bind the applicant to the provisions of this RFP. For this RFP, the proposal must remain valid for at least 90 days.

I-L Acceptance of Proposal Content

The contents of this RFP and the proposal of the selected applicant may become grant obligations if a grant award ensues. Failure of the selected applicant to accept these obligations may result in cancellation of the award.

I-M Economy of Preparation

Using the format provided in Part V: Information Required from Applicant, proposals should be prepared providing a straight-forward, concise description of the applicant’s ability to meet the requirements of the RFP. Emphasis should be on completeness and clarity of content.

I-N Prime Applicant Responsibilities

The selected applicant will be required to assume responsibility for all services offered in their proposal whether or not they possess them within their organization. Further, the State will consider the selected applicant to be the sole point of contact with regard to grant matters, including payment of any and all charges resulting from the grant.

I-O Grant Payment Schedule

Payment for any grant entered into as a result of this RFP will be made according to the following schedule:

Year One

An initial advance of 50% of the total Year One grant award will be made to the selected applicant after a Grant Agreement is fully executed.

Two subsequent advances of 20% of the total Year One grant award will be provided upon submission of a Financial Status Report/Payment Request accompanied by documentation showing that at least 50% of the prior advance has been expended.

Ten (10) percent of the total Year One grant award will be held back pending verification and approval of monthly financial status reports as well as an Interim Project Status Report.

Year Two

An initial advance of 50% of the total Year Two grant award will be made to the selected applicant after selected applicant's Year Two Budget has been approved and a new Grant Agreement is fully executed.

Two subsequent advances of 20% will be provided upon submission of a Financial Status Report/Payment Request accompanied by documentation showing that at least 50% of the prior advance has been expended.

Ten (10) percent of the total Year Two grant award will be held back pending verification and approval of submitted financial status reports as well as an Interim Project Status Report.

Year Three

An initial advance of 50% of the total Year Two grant award will be made to the selected applicant after selected applicant's Year Two Budget has been approved and a new Grant Agreement is fully executed.

Two subsequent advances of 20% will be provided upon submission of a Financial Status Report/Payment Request accompanied by documentation showing that at least 50% of the prior advance has been expended.

Ten (10) percent of the total Year Two grant award will be held back pending verification and approval of submitted financial status reports as well as an Interim Project Status Report.

Public Act 279 of 1984, MCL 17.52, states that the State shall take all steps necessary to assure that payment for goods or services is mailed within 45 days after receipt of the goods or services, a complete invoice for goods or services, or a complete contract for goods or services, whichever is later.

I-P News Releases

News releases pertaining to this RFP or the service, study, or project to which it relates shall not be made without prior State approval and coordination with the Michigan Public Service Commission.

I-Q Disclosure of Proposal Contents

The information in all proposals and any grant resulting from the RFP are subject to disclosure under the Michigan Freedom of Information Act, 1976 PA 442, as amended, MCL 15.231, et seq.

I-R Copyrighted Materials

The selected applicant shall agree to grant to the State a nonexclusive, irrevocable license to reproduce, translate, publish, use, and dispose of all copyrightable material developed as a result of the project.

PART II: GENERAL PROVISIONS

II-A Project Changes

Grantee *must* obtain prior written approval for project changes from the Grant Administrator.

II-B Delegation

Grantee may not delegate any of its obligations under the Grant without the prior written approval of the State. Grantee must notify the State at least 90 calendar days before the proposed delegation, and provide the State any information it requests to determine whether the delegation is in its best interest. If approved, Grantee must: (a) be the sole point of contact regarding all contractual project matters, including payment and charges for all Grant Activities; (b) make all payments to the subgrantee; and (c) incorporate the terms and conditions contained in this Grant in any subgrant with a subgrantee. Grantee remains responsible for the completion of the Grant Activities, compliance with the terms of this Grant, and the acts and omissions of the subgrantee. The State, in its sole discretion, may require the replacement of any subgrantee.

II-C Program Income

To the extent that it can be determined that interest was earned on advances of funds, such interest shall be remitted to the Grantor. All other program income shall either be added to the project budget and used to further eligible program objectives or deducted from the total program budget for the purpose of determining the amount of reimbursable costs. The final determination shall be made by the Grant Administrator.

II-D Share-in-Savings

The Grantor expects to share in any cost savings realized by the Grantee. Therefore, final Grantee reimbursement will be based on actual expenditures. Exceptions to this requirement must be approved in writing by the Grant Administrator.

II-E Order of Spending

At this time, there is no required order of spending.

II-F Purchase of Equipment

The purchase of equipment not specifically listed in your approved MEAP budget must have prior written approval of the Grant Administrator. Equipment is defined as non-expendable personal property having a useful life of more than one year. Such equipment shall be retained by the Grantee unless otherwise specified at the time of approval.

II-G Accounting

The Grantee shall adhere to the Generally Accepted Accounting Principles and shall maintain records which will allow, at a minimum, for the comparison of actual outlays with budgeted amounts. The Grantee's overall financial management system must ensure effective control over and accountability for all funds received. Accounting records must be supported by source documentation including, but not limited to, balance sheets, general ledgers, time sheets and invoices. The expenditure of state funds shall be reported by line item and compared to the Budget.

II-H Records Maintenance, Inspection, Examination, and Audit

The State or its designee may audit Grantee to verify compliance with this Grant. Grantee must retain, and provide to the State or its designee upon request, all financial and accounting records related to the Grant through the term of the Grant and for 4 years after the latter of termination, expiration, or final payment under this Grant or any extension ("Audit Period"). If an audit, litigation, or other action involving the records is initiated before the end of the Audit Period, Grantee must retain the records until all issues are resolved.

Within 24 hours of providing notice, the State and its authorized representatives or designees have the right to enter and inspect a selected applicant's premises or any other places where grant activities are being performed, and examine selected applicant's books and records; and copy and audit all records related to the Grant Agreement anytime during the period of the grant and for a period of four (4) years after the latter of termination, expiration, or final payment under the Grant Agreement or any extension. Selected applicant must cooperate and provide reasonable assistance. If an audit, litigation, or other action involving the records is initiated before the end of the audit period, selected applicant must retain the records until all audit and monitoring issues are resolved. Any disqualified costs identified as a result of the monitoring review or audit will be refunded within 30 days.

This section applies to selected applicant, any parent, affiliate, or subsidiary organization of selected applicant, and any subcontractor that performs grant activities in connection with this Grant Agreement.

If the selected applicant is a governmental or nonprofit organization and expends the minimum level specified in OMB Uniform Guidance (\$750,000 as of December 26, 2013) or more in total federal funds in its fiscal year, then Grantee is required to submit an Audit Report to the Federal Audit Clearinghouse (FAC) as required in 200.36. Any questioned costs identified must be refunded within 30 days.

The MPSC will perform a close-out audit of all selected applicants at the end of the grant period. Any disqualified costs identified must be refunded within 30 days.

II-I Competitive Bidding

The Grantee agrees that all procurement transactions involving the use of state funds shall be conducted in a manner that provides maximum open and free competition. When competitive selection is not feasible or practical, the Grantee agrees to obtain the written approval of the Grant Administrator before making a sole source selection. Sole source contracts should be negotiated to the extent that such negotiation is possible.

II-J Liability

The State is not liable for any costs incurred by the Grantee before the start date or after the end date of this Agreement. Liability of the State is limited to the terms and conditions of this Agreement and the grant amount.

II-K Intellectual Property

Unless otherwise required by law, all intellectual property developed using funds from this Agreement, including copyright, patent, trademark and trade secret, shall belong to the Grantee.

II-L Safety

The Grantee, and all subgrantees are responsible for ensuring that all precautions are exercised at all times for the protection of persons and property. Safety provisions of all Applicable Laws and building and construction codes shall be observed. The Grantee, and every subgrantee are responsible for compliance with all federal, state and local laws and regulations in any manner affecting the work or performance of this Agreement and shall at all times carefully observe and comply with all rules, ordinances, and regulations. The Grantee, and all subgrantees shall secure all necessary certificates and permits from municipal or other public authorities as may be required in connection with the performance of this Agreement.

II-M General Indemnification

Grantee must defend, indemnify and hold the State, its departments, divisions, agencies, offices, commissions, officers, and employees harmless, without limitation, from and against any and all actions, claims, losses, liabilities, damages, costs, attorney fees, and expenses (including those required to establish the right to indemnification), arising out of or relating to: (a) any breach by Grantee (or any of Grantee's employees, agents, subgrantees, or by anyone else for whose acts any of them may be liable) of any of the promises, agreements, representations, warranties, or insurance requirements contained in

this Grant; (b) any infringement, misappropriation, or other violation of any intellectual property right or other right of any third party; (c) any bodily injury, death, or damage to real or tangible personal property occurring wholly or in part due to action or inaction by Grantee (or any of Grantee's employees, agents, subgrantees, or by anyone else for whose acts any of them may be liable); and (d) any acts or omissions of Grantee (or any of Grantee's employees, agents, subgrantees, or by anyone else for whose acts any of them may be liable).

The State will notify Grantee in writing if indemnification is sought; however, failure to do so will not relieve Grantee, except to the extent that Grantee is materially prejudiced. Grantee must, to the satisfaction of the State, demonstrate its financial ability to carry out these obligations.

The State is entitled to: (i) regular updates on proceeding status; (ii) participate in the defense of the proceeding; (iii) employ its own counsel; and to (iv) retain control of the defense if the State deems necessary. Grantee will not, without the State's written consent (not to be unreasonably withheld), settle, compromise, or consent to the entry of any judgment in or otherwise seek to terminate any claim, action, or proceeding. To the extent that any State employee, official, or law may be involved or challenged, the State may, at its own expense, control the defense of that portion of the claim.

II-N Termination

The State may terminate the Grant Agreement without further liability or penalty to the State, its departments, divisions, agencies, offices, commissions, officers, agents, and employees for any of the following reasons:

(1) Termination for Cause:

The State may terminate this Grant for cause, in whole or in part, if Grantee, as determined by the State: (a) endangers the value, integrity, or security of any location, data, or personnel; (b) becomes insolvent, petitions for bankruptcy court proceedings, or has an involuntary bankruptcy proceeding filed against it by any creditor; (c) engages in any conduct that may expose the State to liability; (d) breaches any of its material duties or obligations; or (e) fails to cure a breach within the time stated in a notice of breach. Any reference to specific breaches being material breaches within this Grant will not be construed to mean that other breaches are not material.

If the State terminates this Grant under this Section, the State will issue a termination notice specifying whether Grantee must: (a) cease performance immediately, or (b) continue to perform for a specified period. If it is later determined that Grantee was not in breach of the Grant, the termination will be deemed to have been a Termination for Convenience, effective as of the same date, and the rights and obligations of the parties will be limited to those provided in Subsection B, Termination for Convenience.

The State will only pay for amounts due to Grantee for Grant Activities accepted by the State on or before the date of termination, subject to the State's right to set off any amounts owed by the Grantee for the State's reasonable costs in terminating this Grant. The Grantee must pay all reasonable costs incurred by the State in terminating this Grant for cause, including administrative costs, attorneys' fees, court costs, transition costs, and any costs the State incurs to procure the Grant Activities from other sources.

(2) Termination for Convenience

The State may immediately terminate this Grant in whole or in part without penalty and for any reason, including but not limited to, appropriation or budget shortfalls. If the State terminates this Grant for convenience, the State will pay all reasonable costs, as determined by the State, for State approved Grant Responsibilities.

(3) Non-Appropriation

Selected applicant acknowledges that continuation of the Grant Agreement is subject to appropriation or availability of funds for the Grant Agreement. If funds to enable the State to

effect continued payment under the Grant Agreement are not appropriated or otherwise made available (including the federal government suspending or halting the program or issuing directives preventing the State from continuing the program), the State shall have the right to terminate the Grant Agreement, in whole or in part, at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to selected applicant.

The State shall give selected applicant at least thirty (30) days advance written notice of termination for non-appropriation or unavailability (or such time as is available if the State receives notice of the final decision less than thirty (30) days before the funding cutoff). In the event of a termination under this section, the selected applicant shall, unless otherwise directed by the State in writing, immediately take all reasonable steps to terminate its operations and to avoid and/or minimize further expenditures under the Grant Agreement.

(4) Criminal Conviction

The State may terminate the Grant Agreement immediately and without further liability or penalty in the event selected applicant, an officer of selected applicant, or an owner of a 25% or greater share of selected applicant is convicted of a criminal offense incident to the application for, or performance of, a State, public or private contract or subcontract or grant; convicted of a criminal offense, including any of the following: embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, attempting to influence a public employee to breach the ethical conduct standards for State of Michigan employees; convicted under State or federal antitrust statutes; or convicted of any other criminal offense which in the sole discretion of the State, reflects upon selected applicant's business integrity.

(5) Approvals Rescinded

The State may terminate the Grant Agreement without further liability or penalty in the event any final administrative or judicial decision or adjudication disapproves a previously approved request for purchase of personal services pursuant to Constitution 1963, Article 11, § 5, and Civil Service Rule 7-1. Termination may be in whole or in part and may be immediate as of the date of the written notice to selected applicant or may be effective as of the date stated in such written notice.

(6) Transition Responsibilities

Upon termination or expiration of the Grant Agreement for any reason, selected applicant must, for a period of time specified by the State (not to exceed 90 calendar days), provide all reasonable transition assistance requested by the State, to allow for the expired or terminated portion of the grant activities to continue without interruption or adverse effect, and to facilitate the orderly transfer of such grant activities to the State or its designees. Such transition assistance may include, but is not limited to: (a) continuing to perform the grant activities at the rates established in the Grant Agreement; (b) taking all reasonable and necessary measures to transition performance of the work, including all applicable grant activities, training, equipment, software, leases, reports and other documentation, to the State or the State's designee; (c) taking all necessary and appropriate steps, or such other action as the State may direct, to preserve, maintain, protect, or return to the State all materials, data, property, and confidential information provided directly or indirectly to selected applicant by any entity, agent, vendor, or employee of the State; (d) transferring title in and delivering to the State, at the State's discretion, all completed or partially completed deliverables prepared under the Grant Agreement as of the Grant Agreement termination date; and (e) preparing an accurate accounting from which the State and selected applicant may reconcile all outstanding accounts (collectively, "Transition Responsibilities"). The Grant Agreement will automatically be extended through the end of the transition period.

II-O Conflicts and Ethics

Grantee will uphold high ethical standards and is prohibited from: (a) holding or acquiring an interest that would conflict with this Grant; (b) doing anything that creates an appearance of impropriety with respect to the award or performance of the Grant; (c) attempting to influence or appearing to influence any State employee by the direct or indirect offer of anything of value; or (d) paying or agreeing to pay any person, other than employees and consultants working for Grantee, any consideration contingent upon the award of the Grant. Grantee must immediately notify the State of any violation or potential violation of these standards. This Section applies to Grantee, any parent, affiliate, or subsidiary organization of Grantee, and any subgrantee that performs Grant Activities in connection with this Grant.

II-P Non-Discrimination

Under the Elliott-Larsen Civil Rights Act, 1976 PA 453, MCL 37.2101, et seq., and the Persons with Disabilities Civil Rights Act, 1976 PA 220, MCL 37.1101, et seq., and [Executive Directive 2019-09](#). Grantee and its subgrantees agree not to discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex (as defined in Executive Directive 2019-09), height, weight, marital status, partisan considerations, any mental or physical disability, or genetic information that is unrelated to the person's ability to perform the duties of a particular job or position. Breach of this covenant is a material breach of this Contract.

II-Q Unfair Labor Practices

Under MCL 423.324, the State may void any Grant with a Grantee or subgrantee who appears on the Unfair Labor Practice register compiled under MCL 423.322.

II-R Force Majeure

Neither party will be in breach of this Grant because of any failure arising from any disaster or acts of god that are beyond their control and without their fault or negligence. Each party will use commercially reasonable efforts to resume performance. Grantee will not be relieved of a breach or delay caused by its subgrantees. If immediate performance is necessary to ensure public health and safety, the State may immediately Grant with a third party.

II-S Media Releases

News releases (including promotional literature and commercial advertisements) pertaining to the Grant or project to which it relates must not be made without prior written State approval, and then only in accordance with the explicit written instructions of the State.

II-T Website Incorporation

The State is not bound by any content on Grantee's website unless expressly incorporated directly into this Grant.

II-U Certification Regarding Debarment

The Grantee certifies, by signature to this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Agreement by any federal or State department or agency. If the Grantee is unable to certify to any portion of this statement, the Grantee shall attach an explanation to this Agreement.

II-V Illegal Influence

The Grantee certifies, to the best of his or her knowledge and belief that:

- A. No federal appropriated funds have been paid nor will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a

member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement.

- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this grant, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The Grantee shall require that the language of this certification be included in the award documents for all grants or subcontracts and that all subrecipients shall certify and disclose accordingly.

The State has relied upon this certification as a material representation. Submission of this certification is a prerequisite for entering into this Agreement imposed by 31 USC § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Grantee certifies, to the best of his or her knowledge and belief that no state funds have been paid nor will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of any State agency, a member of the Legislature, or an employee of a member of the Legislature in connection with the awarding of any state contract, the making of any state grant, the making of any state loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any state contract, grant, loan or cooperative agreement.

II-W Governing Law

The Grant Agreement is governed, construed, and enforced in accordance with Michigan law, excluding choice-of-law principles, and all claims relating to or arising out of the Grant Agreement are governed by Michigan law, excluding choice-of-law principles. Any dispute arising from the Grant Agreement must be resolved in Michigan Court of Claims. Selected applicant consents to venue in Ingham County, and waives any objections, such as lack of personal jurisdiction or forum non conveniens. Selected applicant must appoint agents in Michigan to receive service of process.

II-X Compliance with Laws

Grantee must comply with all federal, state and local laws, rules and regulations.

II-Y Disclosure of Litigation, or Other Proceeding

Grantee must notify the State within 14 calendar days of receiving notice of any litigation, investigation, arbitration, or other proceeding (collectively, "Proceeding") involving Grantee, a subgrantee, or an officer or director of Grantee or subgrantee, that arises during the term of the Grant, including: (a) a criminal Proceeding; (b) a parole or probation Proceeding; (c) a Proceeding under the Sarbanes-Oxley Act; (d) a civil Proceeding involving: (1) a claim that might reasonably be expected to adversely affect Grantee's viability or financial stability; or (2) a governmental or public entity's claim or written allegation of fraud; or (e) a Proceeding involving any license that Grantee is required to possess in order to perform under this Grant.

II-Z Assignment

Grantee may not assign this Grant to any other party without the prior approval of the State. Upon notice to Grantee, the State, in its sole discretion, may assign in whole or in part, its rights or responsibilities under this Grant to any other party. If the State determines that a novation of the Grant to a third party is necessary, Grantee will agree to the novation, provide all necessary documentation and signatures, and continue to perform, with the third party, its obligations under the Grant.

II-AA Entire Grant and Modification

This Grant is the entire agreement and replaces all previous agreements between the parties for the Grant Activities. This Grant may not be amended except by signed agreement between the parties.

II-BB Grantee Relationship

Grantee assumes all rights, obligations and liabilities set forth in this Grant. Grantee, its employees, and agents will not be considered employees of the State. No partnership or joint venture relationship is created by virtue of this Grant. Grantee, and not the State, is responsible for the payment of wages, benefits and taxes of Grantee's employees and any subgrantees. Prior performance does not modify Grantee's status as an independent Grantee.

II-CC Dispute Resolution

The parties will endeavor to resolve any Grant dispute in accordance with this provision. The dispute will be referred to the parties' respective Grant Administrators or Program Managers. Such referral must include a description of the issues and all supporting documentation. The parties must submit the dispute to a senior executive if unable to resolve the dispute within 15 business days. The parties will continue performing while a dispute is being resolved, unless the dispute precludes performance. A dispute involving payment does not preclude performance.

Litigation to resolve the dispute will not be instituted until after the dispute has been elevated to the parties' senior executive and either concludes that resolution is unlikely, or fails to respond within 15 business days. The parties are not prohibited from instituting formal proceedings: (a) to avoid the expiration of statute of limitations period; (b) to preserve a superior position with respect to creditors; or (c) where a party makes a determination that a temporary restraining order or other injunctive relief is the only adequate remedy. This Section does not limit the State's right to terminate the Grant.

II-DD Severability

If any part of this Grant is held invalid or unenforceable, by any court of competent jurisdiction, that part will be deemed deleted from this Grant and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining Grant will continue in full force and effect.

II-EE Waiver

Failure to enforce any provision of this Grant will not constitute a waiver.

II-FF Confidentiality

State Data

- (a) Ownership. The State's data ("State Data," which will be treated by selected applicant as Confidential Information) includes: (a) the State's data collected, used, processed, stored, or generated as the result of the grant activities; (b) personally identifiable information ("PII") collected, used, processed, stored, or generated as the result of the grant activities, including, without limitation, any information that identifies an individual, such as an individual's social security number or other government-issued identification number, date of birth, address, telephone number, biometric data, mother's maiden name, email address, credit card information, or an individual's name in combination with any other of the elements here listed; and, (c) personal health information ("PHI") collected, used, processed, stored, or generated as the result of the grant activities, which is defined under the Health Insurance Portability and Accountability Act (HIPAA) and its related rules and regulations. State Data is and will remain the sole and exclusive property of the State and all right, title, and interest in the same is reserved by the State. This section survives the termination of the Grant Agreement.
- (b) Selected Applicant Use of State Data. Selected applicant is provided a limited license to State Data for the sole and exclusive purpose of providing the grant activities, including a license to collect, process, store, generate, and display State Data only to the extent necessary in the

provision of the grant activities. Selected applicant must: (a) keep and maintain State Data in strict confidence, using such degree of care as is appropriate and consistent with its obligations as further described in the Grant Agreement and applicable law to avoid unauthorized access, use, disclosure, or loss; (b) use and disclose State Data solely and exclusively for the purpose of providing the grant activities, such use and disclosure being in accordance with the Grant Agreement, any applicable Statement of Work, and applicable law; and (c) not use, sell, rent, transfer, distribute, or otherwise disclose or make available State Data for selected applicant's own purposes or for the benefit of anyone other than the State without the State's prior written consent. This section survives the termination of the Grant Agreement.

- (c) Extraction of State Data. Selected applicant must, within one (1) business day of the State's request, provide the State, without charge and without any conditions or contingencies whatsoever (including but not limited to the payment of any fees due to selected applicant), an extract of the State Data in the format specified by the State.
- (d) Backup and Recovery of State Data. Selected applicant is responsible for maintaining a backup of State Data and for an orderly and timely recovery of such data. Selected applicant must maintain a contemporaneous backup of State Data that can be recovered within two (2) hours at any point in time.
- (e) Loss of Data. In the event of any act, error or omission, negligence, misconduct, or breach that compromises or is suspected to compromise the security, confidentiality, or integrity of State Data or the physical, technical, administrative, or organizational safeguards put in place by selected applicant that relate to the protection of the security, confidentiality, or integrity of State Data, selected applicant must, as applicable: (a) notify the State as soon as practicable but no later than twenty-four (24) hours of becoming aware of such occurrence; (b) cooperate with the State in investigating the occurrence, including making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by the State; (c) in the case of PII or PHI, at the State's sole election, (i) notify the affected individuals who comprise the PII or PHI as soon as practicable but no later than is required to comply with applicable law, or, in the absence of any legally required notification period, within 5 calendar days of the occurrence; or (ii) reimburse the State for any costs in notifying the affected individuals; (d) in the case of PII, provide third-party credit and identity monitoring services to each of the affected individuals who comprise the PII for the period required to comply with applicable law, or, in the absence of any legally required monitoring services, for no less than twenty-four (24) months following the date of notification to such individuals; (e) perform or take any other actions required to comply with applicable law as a result of the occurrence; (f) without limiting selected applicant's obligations of indemnification as further described in the Grant Agreement, indemnify, defend, and hold harmless the State for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the State in connection with the occurrence; (g) be responsible for recreating lost State Data in the manner and on the schedule set by the State without charge to the State; and, (h) provide to the State a detailed plan within 10 calendar days of the occurrence describing the measures selected applicant will undertake to prevent a future occurrence. Notification to affected individuals, as described above, must comply with applicable law, be written in plain language, and contain, at a minimum: name and contact information of selected applicant's representative; a description of the nature of the loss; a list of the types of data involved; the known or approximate date of the loss; how such loss may affect the affected individual; what steps selected applicant has taken to protect the affected individual; what steps the affected individual can take to protect himself or herself; contact information for major credit card reporting agencies; and, information regarding the credit and identity monitoring services to be provided by selected applicant. This section survives the termination of the Grant Agreement.

Non-Disclosure of Confidential Information

The parties acknowledge that each party may be exposed to or acquire communication or data of the other party that is confidential, privileged communication not intended to be disclosed to third parties. The provisions of this section survive the termination of the Grant Agreement.

- (a) **Meaning of Confidential Information.** For the purposes of the Grant Agreement, the term “Confidential Information” means all information and documentation of a party that: (a) has been marked “confidential” or with words of similar meaning, at the time of disclosure by such party; (b) if disclosed orally or not marked “confidential” or with words of similar meaning, was subsequently summarized in writing by the disclosing party and marked “confidential” or with words of similar meaning; and, (c) should reasonably be recognized as confidential information of the disclosing party. The term “Confidential Information” does not include any information or documentation that was: (a) subject to disclosure under the Michigan Freedom of Information Act (FOIA); (b) already in the possession of the receiving party without an obligation of confidentiality; (c) developed independently by the receiving party, as demonstrated by the receiving party, without violating the disclosing party’s proprietary rights; (d) obtained from a source other than the disclosing party without an obligation of confidentiality; or, (e) publicly available when received, or thereafter became publicly available (other than through any unauthorized disclosure by, through, or on behalf of, the receiving party). For purposes of the Grant Agreement, in all cases and for all matters, State Data is deemed to be Confidential Information.
- (b) **Obligation of Confidentiality.** The parties agree to hold all Confidential Information in strict confidence and not to copy, reproduce, sell, transfer, or otherwise dispose of, give or disclose such Confidential Information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with the Grant Agreement or to use such Confidential Information for any purposes whatsoever other than the performance of the Grant Agreement. The parties agree to advise and require their respective employees, agents, and subcontractors of their obligations to keep all Confidential Information confidential. Disclosure to a subcontractor is permissible where: (a) use of a subcontractor is authorized under the Grant Agreement; (b) the disclosure is necessary or otherwise naturally occurs in connection with work that is within the subcontractor's responsibilities; and (c) selected applicant obligates the subcontractor in a written contract to maintain the State’s Confidential Information in confidence. At the State’s request, any employee of selected applicant or any subcontractor may be required to execute a separate agreement to be bound by the provisions of this section.
- (c) **Cooperation to Prevent Disclosure of Confidential Information.** Each party must use its best efforts to assist the other party in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limiting the foregoing, each party must advise the other party immediately in the event either party learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of the Grant Agreement and each party will cooperate with the other party in seeking injunctive or other equitable relief against any such person.
- (d) **Remedies for Breach of Obligation of Confidentiality.** Each party acknowledges that breach of its obligation of confidentiality may give rise to irreparable injury to the other party, which damage may be inadequately compensable in the form of monetary damages. Accordingly, a party may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies which may be available, to include, in the case of the State, at the sole election of the State, the immediate termination, without liability to the State, of the Grant Agreement or any Statement of Work corresponding to the breach or threatened breach.
- (e) **Surrender of Confidential Information upon Termination.** Upon termination of the Grant Agreement or a Statement of Work, in whole or in part, each party must, within 5 calendar days from the date of termination, return to the other party any and all Confidential Information

received from the other party, or created or received by a party on behalf of the other party, which are in such party's possession, custody, or control; provided, however, that selected applicant must return State Data to the State following the timeframe and procedure described further in the Grant Agreement. Should selected applicant or the State determine that the return of any non-State Data Confidential Information is not feasible, such party must destroy the non-State Data Confidential Information and must certify the same in writing within 5 calendar days from the date of termination to the other party.

Data Privacy and Information Security

- (a) Undertaking by Selected Applicant. Without limiting selected applicant's obligation of confidentiality as further described, selected applicant is responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (a) ensure the security and confidentiality of the State Data; (b) protect against any anticipated threats or hazards to the security or integrity of the State Data; (c) protect against unauthorized disclosure, access to, or use of the State Data; (d) ensure the proper disposal of State Data; and (e) ensure that all employees, agents, and subcontractors of selected applicant, if any, comply with all of the foregoing. In no case will the safeguards of selected applicant's data privacy and information security program be less stringent than the safeguards used by the State, and selected applicant must at all times comply with all applicable State IT policies and standards, which are available to selected applicant upon request.
- (b) Audit by Selected Applicant. No less than annually, selected applicant must conduct a comprehensive independent third-party audit of its data privacy and information security program and provide such audit findings to the State.
- (c) Right of Audit by the State. Without limiting any other audit rights of the State, the State has the right to review selected applicant's data privacy and information security program prior to the commencement of grant activities and from time to time during the term of the Grant Agreement. During the providing of the grant activities, on an ongoing basis from time to time and without notice, the State, at its own expense, is entitled to perform, or to have performed, an on-site audit of selected applicant's data privacy and information security program. In lieu of an on-site audit, upon request by the State, selected applicant agrees to complete, within 45 calendar days of receipt, an audit questionnaire provided by the State regarding selected applicant's data privacy and information security program.
- (d) Audit Findings. Selected applicant must implement any required safeguards as identified by the State or by any audit of selected applicant's data privacy and information security program.
- (e) State's Right to Termination for Deficiencies. The State reserves the right, at its sole election, to immediately terminate the Grant Agreement or a Statement of Work without limitation and without liability if the State determines that selected applicant fails or has failed to meet its obligations under this section.

II-GG Background Checks

Upon request, selected applicant must perform background checks on all employees and subcontractors and its employees prior to their assignment. The scope is at the discretion of the State and documentation must be provided as requested. Selected applicant is responsible for all costs associated with the requested background checks. The State, in its sole discretion, may also perform background checks.

II-HH Subcontracting

Selected applicant may not delegate any of its obligations under the Grant Agreement without the prior written approval of the State. Selected applicant must notify the State at least 90 calendar days before the proposed delegation and provide the State any information it requests to determine whether the delegation is in its best interest. If approved, selected applicant must: (a) be the sole point of contact

regarding all contractual matters, including payment and charges for all grant activities; (b) make all payments to the subcontractor; and (c) incorporate the terms and conditions contained in the Grant Agreement in any subcontract with a subcontractor. Selected applicant remains responsible for the completion of the grant activities, compliance with the terms of the Grant Agreement, and the acts and omissions of the subcontractor. The State, in its sole discretion, may require the replacement of any subcontractor.

II-II No State Employees or Legislators

No member of the Legislature or Judiciary of the State of Michigan or any individual employed by the State shall be permitted to share in the Grant Agreement, or any benefit that arises from the Grant Agreement.

II-JJ E-Verify Certification

Section 291 of the fiscal year 2013 Omnibus Budget, PA 200 of 2012, requires verification that all new employees of the selected applicant and all new employees of any approved subcontractor, working under the Grant Agreement, are legally present to work in the United States. The selected applicant must perform this verification using the E-verify system (<http://www.uscis.gov/portal/site/uscis>). The selected applicant's signature on the Grant Agreement is the selected applicant's certification that verification has and will be performed. The selected applicant's signature also certifies that the selected applicant is not an Iran linked business as defined in MCL 129.312.

II-KK Survival

The provisions of the Grant Agreement that impose continuing obligations, including warranties and representations, termination, transition, indemnification, and confidentiality, will survive the expiration or termination of the Grant Agreement.

II-LL Independent Contractor

Selected applicant is an independent contractor and assumes all rights, obligations and liabilities set forth in the Grant Agreement. Selected applicant, its employees, and agents will not be considered employees of the State. No partnership or joint venture relationship is created by virtue of the Grant Agreement. Selected applicant, and not the State, is responsible for the payment of wages, benefits and taxes of selected applicant's employees and any subcontractors. Prior performance does not modify selected applicant's status as an independent contractor.

II-MM Conflicts

In the event of a conflict between the terms of the Grant Agreement and any federal or State laws or regulations, the federal or State laws or regulations will supersede any contrary term contained in the Grant Agreement.

PART III: WORK STATEMENT

III-A Purpose

The purpose of this Request for Proposals (RFP) is to obtain proposals from public or private entities or units of government that will outline plans to: assist in the resolution of energy crisis situations and work with eligible households to develop a self-sufficiency/energy security plan that will enable participants to become or move toward energy security. An energy security plan includes assisting participants with the following: paying their energy bills on time; budgeting for and contributing to their ability to provide for energy expenses, which may include enrollment into an affordable payment plan (APP); and utilizing energy services to optimize on energy efficiency.

The future of MEAP as a more data-driven program begins with the engagement of grantee partners committed to advancing a shared vision for program success. With this RFP, MPSC and DHHS are seeking partners willing and able to deliver holistic assessment, person-centered services, meaningful referral, tiered outcomes, and accurate data reporting and analytics. Successful applicants will demonstrate a customer-focused orientation, a commitment to understanding and serving whole families through a customer-focused lens, a willingness to understand and capture well-defined metrics of success, and a philosophy of partnership and stakeholder engagement.

Applicants selected as grantees through this funding announcement will play a critical role in developing and refining the data infrastructure, assessment tools, and service delivery processes that will guide MEAP into the future and promote energy security for all Michiganders.

III-B Problem Statement

According to the [2022 Home Energy Affordability Gap](#) report from Fisher, Sheehan & Colton: 844,754 households in Michigan fall below the 150% Federal Poverty Level (FPL). In 2022, fewer than 400,000 of these households received energy assistance services from one or more of the following programs: MEAP, State Emergency Relief, and/or the Home Heating Credit.

In order to maximize available funding streams, MPSC and MDHHS staff have worked to develop a streamlined energy assistance model: This client centered approach allows for a more strategic distribution of LIHEAP and LIEAF. This energy assistance model will ensure that crisis assistance is administered consistently throughout the state. To this end, proposals must include plans to assist eligible households with direct payment assistance regardless of the household's fuel type or energy provider.

Households who present with an energy crisis will initially apply for the State Emergency Relief (SER) program, either directly with MDHHS or with assistance from a grantee/MI Bridges Navigator and MDHHS will determine eligibility for LIHEAP assistance. SER applicants will be eligible to receive LIHEAP Assurance 16 self-sufficiency services, including case management through MEAP grantees. Households who qualify for SER energy services will be eligible for MEAP direct payment assistance, including enrollment into an affordable payment plan where available.

Continued improvements and efficiencies are being made to align State of Michigan energy assistance delivery with program goals and functionality, while working to measure success of program components as demonstrated by the self-sufficiency/energy security of the participants.

One such improvement involves the implementation of a common needs assessment tool and evaluating program success based on similar customer cohorts. Another involves efforts to streamline MEAP-funded Affordable Payment Plans (APPs).

MEAP strives to incorporate customer accountability or provide incentives for positive actions by the customer for more responsible bill payment and energy usage.

III-C Objectives

1. Provide support to households in applying for energy crisis assistance through the State Emergency Relief program.

2. Through a common needs assessment, align customer need with appropriate services and referrals for each household.
3. Provide resources and services, including vendor advocacy, energy use education, financial counseling and/or case management to qualifying households that will enable participants to become or move toward energy security. The household's self-sufficiency/energy security plan can incorporate direct payment assistance, including payments for customers enrolled in affordable payment plans.
4. Promote the coordination of energy assistance funding streams.
5. Provide a convenient, customer-friendly system for distribution of energy assistance.
6. Encourage innovation through pilot projects that target underserved households or special populations (e.g., low/fixed income, higher than average energy usage, non-metered fuel use).

III-D Tasks

1. Ensure the organization's Michigan 2-1-1 Profile/Database Listing(s) is maintained throughout the grant year. Note: Selected applicants must be listed in the Michigan 2-1-1 Provider Database.
2. Notify MEAP staff when organization's funding or availability of services has changed or is limited.
3. Partner with MDHHS to become a Navigator/Referral Partner to support households in applying for energy crisis assistance through SER; comply with MI Bridges established referral timeframes.
4. Comprehensively assess and group MEAP customers into service provision categories, as identified by MPSC and MDHHS.
5. Develop and implement an energy security plan for each MEAP household. Energy security plans must outline resources and services to be provided, and may include enrollment in an APP.
6. Collect and document standardized outcome measures at prescribed intervals as requested by the State MEAP Team.
7. Issue energy assistance services to households in compliance with the [Michigan LIHEAP State Plan and Program Integrity Assessment, MEAP Policy Manual, OMB Uniform Guidance](#), and applicable state and federal law. This includes the tracking of Assurance 16 activities and expenditures.
8. Ensure that all household personally identifiable information (PII) and personal health information (PHI) collected, used, processed, stored or generated during the client intake process is secured and maintained in a secure manner in compliance with II-FF, Confidentiality.
9. Evaluate the organization's administrative and program structure to determine process improvements and staffing changes that are needed to handle additional client services and distribution activities beginning October 1, 2023.
10. Participate in training opportunities as recommended by MPSC or MDHHS.
11. Maintain data and metrics as specified in Section IV-B, Monitoring and Reporting Program Performance.
12. Using the Salesforce database system, maintain and share client/household information with MPSC. Adhere to standardized reporting requirements, including uniform lists of values and parameters when submitting low-income household information to MPSC.
13. Ensure that not more than 30% of the funds awarded are spent outside the crisis season.

14. Coordinate availability of this low-income energy assistance program with other program services currently provided by the selected applicant (e.g., financial or energy education, other wrap-around self-sufficiency/energy security services).
15. Coordinate availability of this low-income energy assistance program with other grantees/agencies to provide energy crisis prevention programs, weatherization, and education focused on reducing energy consumption.
16. Provide referrals if grantee is not able to assist low-income households due to exhausting MEAP crisis funds before the end of the grant cycle.
17. Coordinate availability of this low-income energy assistance program with home energy suppliers. Coordinate energy assistance payments with energy suppliers, municipal owned utilities, cooperatives, distributors of deliverable fuels, and other energy assistance providers to more efficiently serve the needs of low-income households.
18. Coordinate availability of home energy kits and home energy audits with home energy suppliers' energy waste reduction services.
19. Ensure that the Affordable Payment Plan (APP) structure is followed by any utility company that makes the Plan available. Notify MSPC and MDHHS upon discovering any non-compliance with the contracted structure.
20. Ensure that the APP guidelines set forth in the grant agreement and reporting deadlines are met, and the standardized reporting template for APP payments (provided by MPSC) is implemented.
21. Ensure APP agreements with energy suppliers are in place with a fully executed contract by the start of the program year (October 1). Any additional stipulations must be approved by MPSC and MDHHS prior to contract execution.
22. Ensure the general household cap for MEAP is not exceeded. MEAP allows for payment of up to \$2,500 for each qualifying household during the grant period. Assistance payments that will cause the household to exceed \$2,500 but are less than \$3,500 must be approved and tracked by the grantee as outlined in the MEAP Policy Manual. Assistance payments that will cause the household to exceed \$3,500 must be approved by the Grant Administrator. Where possible, late fees for over-cap households must be waived by the energy provider.
23. Ensure that energy payments are released only to eligible home energy suppliers. All home energy suppliers must be registered in the State of Michigan's SIGMA Vendor Self-Service System (VSS) (www.michigan.gov/VSSLogin) and be enrolled as an eligible supplier by MDHHS.
24. In compliance with R460.122(2) of the Michigan Administrative Rules, ensure that MEAP funds are not used to pay late payment fees assessed by regulated utilities and included on clients' monthly heating bills. R460.122(2) states, "[a] utility shall not assess a late payment charge against a customer whose payments are made by the department of human services or who is participating in a shut off protection program. . . ."
25. In compliance with R460.125 of the Michigan Administrative Rules, ensure that MEAP funds are not used to pay for unregulated service charges, such as appliance repair or appliance protection programs, that may be included in a utility's monthly electric or gas service bill. R460.125 states, "[a] utility may include charges for unregulated services, such as appliance repair or appliance protection programs, together with charges for gas and electric service on the same monthly bill if the charges for the unregulated services are designated clearly and separately from the charges for the gas or electric service and it is noted that it is an unregulated service. Failure to pay for unregulated service charges may result in the termination of that service but not the termination [or shut off] of the gas or electric service.
26. Customers whose electric provider has opted out of collecting the MEAP surcharge are protected from shut off for nonpayment of a delinquent account between November 1 and

April 15 as outlined in PA 95 of 2013. Ensure that any customer of a non- participating or “opt-out” provider who seeks MEAP assistance prior to April 1 will not be considered eligible for services. Eligibility for applications submitted on or after April 1 will be considered.

27. Issue a 1099-Misc Form to each vendor (provider) who received \$600 or more in MEAP funds, see ‘Specific Instructions.’ State of Michigan’s guide for 1099 Reporting; IRS Instructions for the 1099-MISC
28. Ensure DHHS information, including provider enrollment lists, is not used (or distributed) for any purpose other than administering MEAP.
29. Establish and implement quality control measures to ensure funds are used for the intended purpose. Quality control measures should be documented in the Grantee’s work plan.
30. Work with MPSC and MDHHS to define and objectively evaluate the success of the program, including participating meaningfully in data capacity technical assistance activities.

PART IV: PROJECT CONTROL AND REPORTS

IV-A Project Control

The selected applicant will carry out the project under the review of the Grant Administrator. The Michigan Department of Licensing and Regulatory Affairs Grant Administrator shall have final authority over the Grant Agreement.

Along with continuous liaison with the selected applicant, the Grant Administrator will meet as needed with the selected applicant's contact person for the purpose of reviewing progress and providing necessary guidance to the selected applicant in solving problems that arise.

Prior to executing any changes to the scope of the project and/or budget, the selected applicant must inform the Grant Administrator in writing outlining the proposed changes.

Changes to the Grant Agreement, including the budget, can only be made during the term of the grant.

IV-B Monitoring and Reporting Program Performance

The selected applicant will be required to assume responsibility for monitoring and reporting. The selected applicant will monitor performance to assure that time schedules are met and projected work by time period is accomplished. If a required report's due date falls on a weekend or holiday, the report may be delivered the following business day. Selected applicant will be provided information regarding and access to a secure State data exchange gateway that must be utilized when electronically submitting required reports and requested client documentation.

- (1) **Performance Measures.** The selected applicant will manage and track customer measures related to energy security that could include energy burden, energy acumen, energy confidence, program participation.
- (2) **Financial Status Reports (FSR).** The selected applicant shall submit a signed and dated FSR to the Grant Administrator indicating the amount of funds expended in each line-item category of the budget. FSRs must include source documentation that supports reported expenditures including, but not limited to, general ledgers, time sheets, payroll registers, invoices, check copies and bank statements, or cancelled checks. Expenses will be verified based on actual expenditures incurred within the grant period that are supported by source documentation, not budgeted amounts. FSRs will be completed on Form C-108, which will be provided to the grantee by the Grant Administrator.
- (3) **Monthly Households Served Data and Documentation.** The selected applicant must submit the following:
 - a) Grantee will provide a monthly Validation Tool/Client List(s) that reflects every household served during the reporting period for each FSR and should include corresponding household assistance information. The Validation Tool/Client List must be submitted by the Grantee in Salesforce using an Excel format along with the corresponding FSR. The file will contain two tabs with one containing households that received a payment during the reporting period and the other containing households that received Assurance 16/energy security services. Once the file is reviewed and reconciled by MPSC, the grantee will upload each tab as a separate CSV file to the Household Assistance tab in Salesforce.
 - b) Grantee will provide a monthly summary on objectives, milestones and timeline progress. A form will be provided, and this completed form should be submitted each month under the Financial Status Report tab for the applicable reporting period.
 - c) Upon request, grantee will provide a copy of the entire client file maintained by the selected applicant that includes documentation that meets the requirements set forth in

the MEAP Manual. Grant staff will review and perform an attribute-sampling of the monthly client lists, and request that the selected applicant provide documentation collected during the reporting period.

- (4) **Interim Project Status Report.** The selected applicant must submit an Interim Project Status Report to the Grant Administrator no later than for Year One: April 30, 2024, for Year Two: April 30, 2025 and for Year Three: April 30, 2026. The report should include the following information at a minimum:

(a) Project Identification

Name of selected applicant, grant number and dates of current reporting period.

(b) Project Milestones

Percent (%) completion of the project objectives based on number of households served and amount of energy assistance funding spent based on their cohort of service provision.

(c) Project Progress

Brief outline of the work accomplished during the reporting period and the work to be completed during the subsequent reporting period(s).

(d) Assurance 16

Description of how LIHEAP funds have been utilized during the reporting period.

(e) Household Metrics

- i. Number of unduplicated households that presented for MEAP Assurance 16 services.
- ii. Number of unduplicated households that received MEAP Assurance 16 services, categorized by type of service.

(f) Noteworthy Accomplishments

Identify and describe any milestones reached or noteworthy accomplishments completed during the period.

(g) Delays

Brief description of problems or delays, real or anticipated, which should be brought to the attention of the Grant Administrator.

(h) Project Deviations

Statement concerning any significant deviation from the previously agreed-upon work plan developed in Part V: Information Required from Applicant, including any information about any Grant Amendments.

(i) Attachments and Other Materials

Provide project materials developed and implemented during the reporting period (e.g., newspaper articles, newspaper advertisements, forms, brochures, announcements, studies, reports, analyses, audits, etc.). Include pertinent customer feedback received during the reporting period in this section.

- (5) **Final Project Report.** The selected applicant must submit a draft of the Year One final project report by October 15, 2024 for the period October 1, 2023 through September 30, 2024; and a Year Two final project report by October 15, 2025 for the period October 1, 2024 through September 30, 2025; and a Year Three final project report by October 15, 2026 for the period

October 1, 2025 through September 30, 2026. After the Grant Administrator has determined the completeness and factual accuracy of the report, the selected applicant shall submit a final copy of the report to the Grant Administrator. The final project report shall include the following information at a minimum:

(a) Project Identification

Name of selected applicant, grant number, and dates of current reporting period.

(b) Project Milestones

Percent (%) completion of the project objectives based on number of households served and amount of direct assistance funding spent.

(c) Project Implementation

Outline of the work accomplished during the grant term.

(d) Assurance 16

Description of how LIHEAP funds have been utilized during the reporting period.

(e) Program Metrics

- i. Provide the number of households served at the varying levels of self-sufficiency/energy security services offered by your agency, include the total unduplicated number of households receiving any level of service.
- ii. Meet the LIHEAP Assurance 16 reporting requirements:
 1. Describe how you have used LIHEAP funds to provide Assurance 16 services.
 2. Describe the impact of Assurance 16 activities on households served.
 3. Describe the level of direct benefits provided to those households.
 4. Number of unduplicated households that presented for MEAP Assurance 16 services.
 5. Number of unduplicated households that received Assurance 16 services.
 6. Number of households achieving self-sufficiency/energy security.
 7. Number of households able to reduce dependency on LIHEAP.
- iii. Explain how your program assists clients with household budgeting. Provide the number of households, as well as the percentage of total unduplicated households reported, that have received assistance with household budgeting.
- iv. Explain how the program has encouraged and enabled households to reduce their home energy needs and thereby the need for future energy assistance. Provide the number of unduplicated households, as well as the percentage of total unduplicated households reported, utilizing energy services to optimize energy savings.
- v. For customers enrolled in energy supplier affordable payment plans:
 1. Provide the number of unduplicated households that were newly enrolled into CARE, LSP, MAP, or EASE during this reporting period.
 2. Provide the number of unduplicated households that were enrolled in a previous fiscal year that received any APP payment during this reporting period.

3. Provide the number unduplicated households that were removed from the energy supplier affordable payment plan prior to successful completion. Include information on the reason for removal.
4. Provide the number of enrolled households that received utility-sponsored Energy Waste Reduction services.
5. Provide the number of enrolled households that engaged in each of the following self-sufficiency/energy security services: Energy Education, Financial Counseling, Short and/or Long-term Case Management.

(f) Noteworthy Accomplishments

Accomplishments and problems experienced while carrying out project activities.

(g) Coordinated Efforts

Coordinated efforts with other organizations to complete the project.

(h) Project Impacts

Impacts, anticipated and unanticipated, experienced as a result of project implementation.

(i) Next Steps

Experience in applying the project products and anticipated “next steps.”

(j) Financial Summary

Summary of financial expenditures of grant funds; include the basis or reason for any discrepancies. Include information about any formal Grant Amendments, including the award of additional funds or the reduction in your grant award.

(k) Evaluation

Evaluate the success of the program. The program should be evaluated against the selected applicant’s work plan and objectives. Selected applicant should provide an honest and objective assessment of the successes and failures of the project. The evaluation should have both quantitative and qualitative components and be based on the outcome metrics at prescribed intervals.

(l) Attachments and Other Materials:

Provide project materials developed and implemented that were not provided in project status reports (e.g., newspaper articles, newspaper advertisements, forms, brochures, announcements, studies, reports, analyses, audits, etc.). Include pertinent customer feedback received during the reporting period in this section.

- (6) Final Financial Status Report (FSR).** The selected applicant must submit a signed and dated final FSR to the Grant Administrator indicating the amount of funds expended in each line-item category of the budget by October 15, 2024 for the period October 1, 2023 through September 30, 2024. A signed and dated Year Two final FSR must be submitted to the Grant Administrator indicating the amount of funds expended in each line-item category of the budget by October 15, 2025 for the period October 1, 2024 through September 30, 2025. A signed and dated Year Three final FSR must be submitted to the Grant administrator indicating the amount of funds expended in each line-item category of the budget by October 15, 2026 for the period October 1, 2025 through September 30, 2026

The Final FSR must include source documentation that supports all reported expenditures including, but not limited to, general ledgers, time sheets, payroll registers, invoices, check copies and bank statements, or cancelled checks. Expenses will be verified based on actual expenditures incurred within the grant period that are supported by source documentation, not budgeted amounts. The Final FSR will be completed on Form C-108.

PART V: INFORMATION REQUIRED FROM APPLICANT

Applicants must submit one proposal that encompasses the work to be performed in the three-year grant period. Grant proposals must be submitted on the provided response form with any necessary attachments.

Electronically submitted proposals must have a scanned signature or e-signature and cannot exceed 15 MB.

Applicant must provide responses to each section below on the form provided. Be as descriptive as possible and answer each question in its entirety; some questions have multiple components. In your responses consider section I-M Economy of Preparation which directs applicants to provide a straight-forward, concise description of the applicant's ability to meet the requirements of the RFP.

Questions that do not apply should be answered "NA."

V-A Identification of Organization

State the full name and address of the organization, the organization's federal identification number, and the organization's telephone number.

V-B Authorized Negotiator

State the name of one (1) contact person and his/her telephone number and electronic mail address. The contact person must be authorized to be the negotiator for the proposed Grant Agreement with the State.

V-C Method for Addressing the Problem

State in succinct terms the applicant's proposed method for addressing the problem presented in Section III-B, Problem Statement, including the method(s) of service delivery. Describe any significant obstacles the applicant has had meeting the needs of low-income households while providing energy assistance.

V-D Management Summary

- (1) Describe management procedures that will be used by the organization to complete the proposed project.
- (2) Provide the date that you anticipate that your program will begin to serve low-income households with energy assistance.
- (3) Describe the measures that will be taken to ensure that selected applicant will be prepared to handle client services and distribution activity. Include details on process improvements and staff additions that will be implemented to strengthen selected applicant's administrative and program structures, as well as to incorporate a common needs assessment to align customer need with services and referrals provided.
- (4) Provide the contact information and role for each staff member responsible for maintaining and updating the agency's (or service location's) Michigan 2-1-1 Profile/Database Listing.
- (5) Describe the organization's quality control measures, including measures for ensuring compliance as well as eligibility determination. In your description, include information regarding separation of duties.

Selected applicant must provide fiscal control and financial accounting procedures that will assure that grant funds will be accounted for and properly dispersed in a way that will allow the Issuing Office to clearly review and verify all grant related expenditures.

- (a) Describe the organization's internal control policy:
 - (i) Identify the type of accounting system/software the organization will use to account for grant funds,
 - (ii) Identify how duties will be separated,

- (iii) Describe how the organization will account for grant funds, i.e., will grant funds be placed in a separate bank account, will the grant funds be assigned a unique code(s) within the organization's overall accounting system. Ensure funds are maintained in a non-interest-bearing account.
- (iv) Indicate whether internal and external audits of the organization's operations are performed on an annual basis,
 - Selected applicant must provide a copy of the organization's most recent audited financial statement as well as the date of the most recent single audit submission to the Federal Audit Clearinghouse as required by OMB Circular 200.36 (if applicable)

(6) Describe your agency's data security plan.

V-E Work Plan

For Year One (October 1, 2023 through September 30, 2024), Year Two (October 1, 2024 through September 30, 2025) and Year Three (October 1, 2025 through September 30, 2026), provide separate clear and concise work plans for providing energy assistance to low-income households. The plans should include the following components at a minimum:

- (1) Provide a broad overview of your energy assistance program and how the services provided will enable low-income households to become or move toward energy security.
- (2) Describe how low-income households' service plan(s) will be developed and implemented. Include information on criteria that determine which energy and Assurance 16 services are provided to which household.
- (3) Provide a detailed description of each service component of the program. Distinguish services that will be provided by the agency, and which will be provided as a referral. Identify which services will be specifically targeted to households with an FPL below 20% and/or households with high energy consumption. Outline service delivery for each Assurance 16 service provided. Then, identify the objectives and milestones for the proposed project.
 - (a) Estimate the total number of eligible low-income households that will be served by MEAP in any capacity.
 - (b) Estimate the total number of eligible low-income households to be served by MEAP with any type of energy payment.
 - (c) Estimate the total number of eligible low-income households to be served by MEAP with enrollment in the Affordable Payment Plan.
 - (d) Estimate the total number of eligible low-income households to be served by MEAP through Assurance 16 self-sufficiency services.
 - (e) Provide the percent of total grant dollars allocated to energy payment assistance.
 - (f) Provide the estimated average energy payment(s) cost per household (total energy payment assistance divided by total households).
 - (g) Provide an estimate average total cost per household (total grant dollars divided by number of households).
 - (h) Provide a timeline for completing the planned activities and tasks for the proposed project during the grant period. Selected applicant assumes the responsibility for ensuring the grant project is performed within the established timeline. A month-by-month format shall include at a minimum:
 - The required dates for all reports due to the Issuing Office
 - Progress toward estimated number of households served.

- Number of households enrolled in an energy supplier affordable payment plan.
- (4) Provide the geographic area of the State that will be covered. Attach a spreadsheet with the list of each physical location including address, phone number and hours of operation. For each service location, include the location's service area (by county) as well as confirmation that the site has staff that are registered as Navigators with MI Bridges.
 - (5) Describe in detail how referrals from MI Bridges will be processed and the steps that will be taken to ensure that the low-income household's needs are assessed, documented and retained in the client file.
 - (6) Explain how this plan will be coordinated with other services offered by the applicant. Explain how this plan will leverage other funding sources and programs or services provided. Include information on programs currently administered by applicant that create opportunities for low-income customers to work toward energy security; include details on funding sources and matching dollars. If applicable; provide a list or table that includes the other wrap-around services as well as the location(s) where the services are offered.
 - (7) Explain how the applicant coordinates with other agencies that provide services not offered directly by the applicant. Describe how the referrals will be tracked and household progress documented.
 - (8) Provide a detailed explanation of how grantee will ensure that all household PII and PHI collected, used, processed, stored or generated during the client intake process will be secured and maintained in a secure manner in compliance with Section II-FF, Confidentiality. Provide the name and contact information for the person responsible for reporting any compromise or suspected compromise of State Data within the outlined timeframe.
 - (9) Describe how the grantee will conduct a review of internal performance management and implement process improvements.

V-F Current and Prior Experience and Funding Disclosure

Current and prior experience in administering energy assistance programs for low-income households is important to the selection process. Each applicant must provide a copy of the organization's most recent audited financial statement and information regarding the submission of the single audit to the Federal Audit Clearinghouse (if applicable). The audited financial statement may be sent under separate cover and is required.

Proposals submitted by applicants should include:

- (1) A description of the organization's experience in conducting the type of work proposed. Include current activities and activities for the previous three (3) years. Include project results.
- (2) If applicant received a similar grant award from the State of Michigan in prior years for the type of project proposed, provide a summary of project accomplishments, including number of households served, noteworthy accomplishments, and problems encountered while carrying out grant responsibilities. Include a plan for addressing and resolving past problems.
- (3) Current funding source(s) and the level of funding for the current year and the previous three (3) years.

V-G Key Personnel

Selected applicant must be able to staff a project team that clearly possesses skill and experience in providing energy assistance to low-income households. In the budget narrative, identify the authorized contact person and key personnel to be involved with this project by name and title and provide a brief summary of their experience, qualifications, and the work to be performed.

If other organizations will be playing a role in the proposed project, provide sufficient background information that will give the Issuing Office a reasonable understanding of each organization's

qualifications.

Include a detailed organizational chart including names and titles of all individuals that will contribute to the project.

Personnel involved in providing energy assistance to low-income households will have access to Sensitive Personal Information; selected applicant shall employ a data security plan to protect this information. Selected applicant shall have each employee and volunteer, involved in collecting, handling or analyzing Sensitive Personal Information, sign an agreement stating that they agree to follow your agency's confidentiality and security standards. Attach a copy of your confidentiality agreement and provide a list of personnel and the date that the confidentiality agreement was signed.

V-H Budget

To enable the Issuing Office to evaluate all project costs, applicants shall submit separate proposed budgets and corresponding separate budget narratives for Years One, Two and Three. The budgets and narrative must follow the format outlined in Attachment D. Include only MEAP grant funds in the budget; do not include matching, leveraged, cost share or any other type of supplemental funds. The budget narrative must identify the budget line item and number, provide a detailed description for each line, and include individual unit prices.

Selected applicant will be required to provide supporting documentation for grant expenditures incurred during the term of the grant. Accounting records must be supported by source documentation including, but not limited to, general ledgers, time sheets, payroll registers, invoices, check copies and bank statements, or cancelled checks. Expenses will be verified based on actual expenditures incurred within the grant period that are supported by source documentation, not budgeted amounts.

- (1) **Budget Changes** – Any changes to the budget must be pre-approved by the Grant Administrator. Changes in the budget of less than 5% of the total line-item amount, or \$2,000 (whichever is greater) do not require a formal amendment; however, a revised budget should be submitted to the Grant Administrator for approval. The allowable transfer should be calculated as less than 5% of the total line item that the funds are being transferred from, or \$2,000 (whichever is greater).

Cumulative changes in the budget equal to or greater than 5% of the total line-item amount, or \$2,000 (whichever is greater) may be permitted only upon prior review and written approval by the Grant Administrator and LARA. A formal grant amendment must be signed by both the grantor and grantee.

Note: Money cannot be moved from the Direct Assistance Category to other Budget Categories.

- (2) **Disallowed Costs** – Disallowed costs include but are not limited to the following: bonuses, overtime, tuition reimbursement/remission, vehicle allowance, seminars, conferences, meetings, subscriptions, dues, and memberships.
- (3) **Administrative Costs** – Administrative costs cover expenses related to general administrative functions and coordination of functions and oversight related to MEAP administrative functions. Administrative costs should include costs of goods and services required for administrative functions of the program; travel costs incurred for official business in carrying out administrative activities or the overall management of the MEAP; costs of information systems related to administrative functions; and contractual services related to sub-recipients or vendors that are solely for the performance of administrative functions. Total administrative and indirect costs included in the budget may not exceed 8% of the total grant award, or 10% with approval.
- (4) **Energy Assistance Program Costs**—EAP costs cover expenses related to the delivery of energy assistance program services. EAP costs should include Program Costs, Assurance 16 Program Costs and Direct Energy Assistance Payments.

Assurance 16 Program Costs – Assurance 16 (A16) funding covers expenses directly related to the

delivery of energy security activities offered by the Michigan Energy Assistance Program. Energy security activities must include services that will enable participants to become or move toward becoming energy secure.

Allowable Assurance 16 activities must include the following:

Needs assessment and referrals: assessing and holistically serving customers based on categories of service provision to be determined by their level of need (short-term versus long-term) and documented into an Energy Security Plan,

Vendor advocacy: helping the client to communicate effectively with the vendor to maintain service. This includes helping the client to enroll in a home energy supplier affordable payment plan,

Energy education: furnishing information about how to reduce energy usage and obtain energy efficiency services,

Financial counseling: working with the client to improve financial management skills and proactively manage energy bills, and

Short term case management: developing information and materials about services available to LIHEAP clients; developing an understanding of a client's needs and offering counseling during LIHEAP intake,

Longer term case management: developing a curriculum and training materials for service deliver; working with clients on energy education and/or financial counseling over an extended time period.

Examples of expenditures that are **not** allowable A16 expenditures include:

Outreach: Designing outreach materials, conducting outreach activities

Crisis Determination: assessing whether the client is in crisis

Benefit determination: using the information supplied by the client to determine their benefit

Intake: working with the client to complete the LIHEAP application

Assurance 16 activities should be included as separate items within the budget. Only expenditures for the portion of staff members' time spent on Assurance 16 activities may be charged under the Assurance 16 Program Costs budget category.

Additional information on Assurance 16 activities and allowable costs is available on the [LIHEAP Clearinghouse](#).

Program Costs cover other expenses related to the delivery of energy assistance program services.

Direct Energy Assistance Payments at a minimum indicate the approximate number of households to be assisted and the estimated average payment.

Total direct program costs included in the budget must be at least 92% of the total grant award. Note: *As allowed by PA 615 of 2012, an entity may, upon approval from the department, use less than 92% but not less than 90% of the funds received for the program for energy assistance.*

- (5) **Budget Requirements** – the proposed budget shall display three (3) headings identified as the: Line Item, Budget Category, and Total. The budget line items that need to be included, at a minimum, are listed below. The budget should reflect the best estimate of actual costs using whole numbers. Please refrain from using decimals or formulas. A budget template will be provided. Refer to the budget example provided in Attachment D.

(a) Personnel

- (i) *Salary* – in the budget, include the name and job title for each staff position to be paid for by the grant. Time sheets and payroll registers must be submitted for each staff position, and hours worked must be grant related.

Fringe Benefits – fringe benefits may not exceed 35% of each employee's salary. Fringe

benefits will be reimbursed based on actual expenditures per employee up to 35%, not on budgeted amounts. Allowable benefits include: health, dental, and optical insurance, employer-paid Social Security and Medicare tax, Michigan and Federal unemployment tax, and other miscellaneous fringe benefits (life insurance, long- and short-term disability insurance, worker's compensation, and retirement program contributions up to 4%). Applicants must provide details on the organization's method of calculating fringe benefit expenses that will be charged to the grant including whether fringe benefits are calculated on an annualized basis or based on the length of the grant term.

The budget narrative must include the number of weeks the individual will work on the grant; number of hours per week a full time employee of the organization is expected to work; a description of the work to be performed by each individual; the estimated hours to be worked; actual pay rate; the fringe benefit percentage being charged to the grant for each employee; the percentage of the employee's time allocated to the grant; whether each employee is salaried-exempt, salaried-non-exempt or hourly; and any other applicable information related to the individual's duties and responsibilities in connection with this grant.

Individuals that are not on selected applicant's payroll, e.g., independent contractors, individuals receiving a Form 1099, temporary workers, etc., must be placed under the **Contractual Services** budget category. **Only employees on the selected applicant's payroll should be included in the Personnel budget category.**

- (b) **Supplies, Materials, & Equipment:** specify item(s) and cost. The budget narrative should include the anticipated cost of each item, a detailed explanation of the item's purpose, and how it relates to the project being funded. Be as detailed as possible.
- (c) **Contractual Services:** these services must be competitively bid. Individuals that are not on selected applicant's payroll, e.g., independent contractors, individuals receiving a Form 1099, temporary workers, etc., must be placed under **Contractual Services**. When competitive selection is not feasible or practical, the selected applicant agrees to obtain the written approval of the Grant Administrator before making a sole source selection. Selected applicant must provide a copy of contracts, memoranda of understanding or agreements signed by selected applicant and contractors.

Selected applicant assumes responsibility to select subcontractors on a competitive basis. A minimum of three (3) bids must be solicited and proposals must include, at a minimum: (1) name of selected applicant, grant number, and grant period; and (2) the type, number, and description of projects as described in the proposal.

Selected applicant must provide the Grant Administrator with the solicitation, list of vendor responses (including amounts), and name of the selected vendor. Selected applicant must maintain bids on file at their place of business according to Section II-B, Records Maintenance, Inspection, Examination, Audit and Monitoring. The Grant Administrator will reserve the right to request a copy of all bids for services that are competitively bid.

Selected applicant must award the project to the lowest bid unless the Grant Administrator has given prior written approval for selection of a higher bid. Selected applicant must provide a written justification for the selection of a higher bid. When awarding subcontracts, the selected applicant must ensure that preference is given to products manufactured in or services offered by Michigan-based firms.

- (d) **Travel:** in the budget include the name, job title and official workstation for each staff member that will be traveling. Selected applicant must follow the State of Michigan [Standardized Travel Regulations](#). The State will reimburse for mileage, lodging, and meals, refer to the current State travel rates. Meals and lodging must be supported by itemized, legible receipts and reasons for travel. Itemized meal receipts must include a list of each item purchased; receipts for payments made by credit card that are not itemized will not be accepted.

Mileage must be supported by travel log(s) with beginning and ending addresses, mileage total, and reason for travel. Grantees will be provided a travel log example. Out-of-state travel must be directly related to the grant project and approved by the Grant Administrator prior to travel. Travel expenses listed in the travel budget category are strictly for individuals listed on the budget under Personnel. Per Diem payments and alcoholic beverage reimbursements are not allowed.

- (e) **Other Expenses:** This category is solely for use by organizations charging a per-case fee for work performed by subunits or internal agencies within the organization that do not require a competitive bid, i.e., contract, memorandum of understanding or any other type of signed agreement.
- (f) **Energy Assistance Program Costs:** The budget category is solely for costs incurred for delivery of energy assistance program services as set forth in Section V- H (4). At a minimum indicate the approximate number of households to be assisted and the estimated average payment.
- (g) **Indirect Costs:** Indirect costs are costs not directly or specifically related to the grant program. Indirect costs are costs of administering the organization and must be spread over a number of products, services, or grant programs proportionately. Examples include office supplies and equipment, utilities, rent, maintenance and repair, insurance, accounting and bookkeeping services, and legal services. Non-cash expenses like depreciation, amortization, and depletion are not allowable indirect costs under this grant.

Selected applicant will be reimbursed for its proportional share of indirect costs. This means the MPSC should be allocated a portion of the selected applicant's indirect costs and not 100% of the organization's total indirect cost.

Indirect costs should be displayed on the face of the budget on a single line item and the indirect rate should be rounded to six (6) decimal places. The budget narrative should contain a list of indirect costs, how the selected applicant determined its indirect costs, and the percentage rate calculation for reimbursable indirect costs. Selected applicant is not required to provide documentation supporting indirect costs; however, documentation verifying the costs must be retained by the selected applicant.

- (6) To ensure efficient review and approval of grant expenditures, selected applicant will be provided additional guidelines to assist with calculating and determining accurate and appropriate grant expenditures.
- (7) Each budget category should have a subtotal displaying the total anticipated amount to be expended, and the budget should include a subtotal for total direct project costs and a sum of total project costs.
- (8) After grants are approved by the MPSC, modifications of proposals and budgets may be necessary. If the MPSC does not approve the total amount requested in the original proposal, selected applicant will be required to submit a revised proposal, budget and budget narrative for the purpose of entering into a Grant Agreement. New line items to the revised budget are not allowed.

PART VI: EVALUATION AND SELECTION CRITERIA

VI-A Criteria and Scoring

All proposals received shall be subject to an evaluation by the MPSC and DHHS. The evaluation will be conducted to select organizations to perform the proposed grant project within the established timeline.

All proposals will receive an initial screening to ensure that the eligibility criteria are met. Proposals failing to meet the eligibility requirements described in Section I-B will be rejected automatically.

Proposals meeting the eligibility requirements will be evaluated based on the following factors:

- Experience and Financial Stability of the Organization (20 points)

- Management Summary (30 points):

- Work Plan (40 points):

- Budget and Budget Narrative (10 points)

A total of 100 points is possible.

Attachment F: Federal Provisions Addendum

The provisions in this addendum may apply if the purchase will be paid for in whole or in part with funds obtained from the federal government. If any provision below is not required by federal law for this Contract, then it does not apply and must be disregarded. If any provision below is required to be included in this Contract by federal law, then the applicable provision applies, and the language is not negotiable. If any provision below conflicts with the State's terms and conditions, including any attachments, schedules, or exhibits to the State's Contract, the provisions below take priority to the extent a provision is required by federal law; otherwise, the order of precedence set forth in the Contract applies. Hyperlinks are provided for convenience only; broken hyperlinks will not relieve Contractor from compliance with the law.

1. Federally Assisted Construction Contracts

If this contract is a “**federally assisted construction contract**” as defined in [41 CFR Part 60-1.3](#), and except as otherwise may be provided under [41 CFR Part 60](#), then during performance of this Contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Contractor will comply with all provisions of [Executive Order 11246](#) of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Contractor will furnish all information and reports required by [Executive Order 11246](#) of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in [Executive Order 11246](#) of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in [Executive Order 11246](#) of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of [Executive Order 11246](#) of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

2. Davis-Bacon Act (Prevailing Wage)

- a. If applicable, the Contractor (and its Subcontractors) for **prime construction contracts** in excess of \$2,000 must comply with the Davis-Bacon Act ([40 USC 3141-3148](#)) as supplemented by Department of Labor regulations ([29 CFR Part 5](#), "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").
- b. The Contractor (and its Subcontractors) shall pay all mechanics and laborers employed directly on the site of the work, unconditionally and at least once a week, and without subsequent deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications, regardless of any contractual relationship which may be alleged to exist between the Contractor or subcontractor and the laborers and mechanics;
- c. The Contractor will post the scale of wages to be paid in a prominent and easily accessible place at the site of the work;
- d. There may be withheld from the Contractor so much of accrued payments as the contracting officer considers necessary to pay to laborers and mechanics employed by the Contractor or any Subcontractor on the work the difference between the rates of wages required by the Contract to be paid laborers and mechanics on the work and the rates of wages received by the laborers and mechanics and not refunded to the Contractor or Subcontractors or their agents.

3. Copeland "Anti-Kickback" Act

If applicable, the Contractor must comply with the [Copeland "Anti-Kickback" Act \(40 USC 3145\)](#), as supplemented by Department of Labor regulations ([29 CFR Part 3](#), "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"), which prohibits the Contractor and subrecipients from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

4. Contract Work Hours and Safety Standards Act

If the Contract is **in excess of \$100,000** and **involves the employment of mechanics or laborers**, the Contractor must comply with [40 USC 3702](#) and [3704](#), as supplemented by Department of Labor regulations ([29 CFR Part 5](#)), as applicable.

5. Rights to Inventions Made Under a Contract or Agreement

If the Contract is funded by a federal “funding agreement” as defined under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

6. Clean Air Act

If this Contract is **in excess of \$150,000**, the Contractor must comply with all applicable standards, orders, and regulations issued under the Clean Air Act (42 USC 7401-7671q) and the Federal Water Pollution Control Act (33 USC 1251-1387). Violations must be reported to the federal awarding agency and the regional office of the Environmental Protection Agency.

7. Debarment and Suspension

A “contract award” (see [2 CFR 180.220](#)) must not be made to parties listed on the government-wide exclusions in the [System for Award Management](#) (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

8. Byrd Anti-Lobbying Amendment

If this Contract **exceeds \$100,000**, bidders and the Contractor must file the certification required under [31 USC 1352](#).

9. Procurement of Recovered Materials

Under [2 CFR 200.322](#), a non-Federal entity that is a state agency or agency of a political subdivision of a state **and its contractors** must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at [40 CFR part 247](#) that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
