C2. TERMS AND CONDITIONS OF SERVICE(Contd)

C2.2. Ownership and Responsibility (Contd)

B. Customer-Owned Facilities-(Contd)

- (1) The customer shall be responsible for inadequate performance of such facilities. Before purchasing equipment or installing wiring, it shall be the customer's responsibility to check with the Company as to the characteristics of the service available. Any changes required to bring customer's service into compliance with code will be paid for by customer. The Company reserves the right to make reasonable service charges for work performed by Company personnel resulting from malfunction of the customer's facilities.
- (2) The customer shall be responsible for notifying the Company of any additions to or changes in the customer's equipment which might exceed the capacity of the Company's facilities, or otherwise affect the quality of service. The customer shall also be responsible for the installation of auxiliary or standby equipment and of alarms and protective devices as required to provide reasonable protection in the event of disturbance or interruption of electrical service. The customer shall install and maintain the necessary devices to protect his equipment against service interruptions and other disturbances on the Company's system, as well as the necessary devices to protect the Company's facilities against overload caused by the customer's equipment. Characteristics and installation of all such equipment or devices shall meet the approval of the Company.

C2.3 Use of Service

- A. Each customer shall, as soon as electric service becomes available, purchase from the Company practically all electric energy used on the premises, and shall become liable for all charges incurred in the purchase of said electrical energy from the Company. For customer billing under this provision, refer to Section B1, Part 4, R460.3401, Sheet Number B-1.0. Standby and/or supplemental on-site generation may be utilized only if approved by the Company and properly connected so as to prevent parallel operations with the Company's system.

C2. TERMS AND CONDITIONS OF SERVICE(Contd)

C2.6. Non-Standard Service

- A. Customer shall be liable for the cost of any special installation necessary to meet particular requirements for service at other than standard voltages, or for the supply of closer voltage regulation than required by standard practice.
- B. The usual supply of electric service shall be subject to the provision of Michigan Public Service Commission rules, but where special service-supply conditions or problems arise for which provision is not otherwise made, the Company may modify or adapt its supply terms to meet the peculiar requirements of such case.
- C. The Company reserves the right to make special contractual arrangements as to the provision of necessary service facilities, duration of contract, minimum bills or other service conditions, with respect to customers whose establishments are remote from the Company's existing suitable facilities, or whose service requirements exceed the capabilities of the Company system in the area, or otherwise necessitate unusual investments by the Company in service facilities, or where the permanence of the service is questionable.

C2.7. Resale of Electric Energy

Customers shall not resell to or share with others any electric service furnished by the Company under the terms of its filed rate schedules not applicable to such resale of energy, unless otherwise authorized by the Michigan Public Service Commission.

C2.8. Service to Single Metering Points

- A. Where resale of electric service exists, the Company will be under no obligation to furnish or maintain meters or other facilities for the resale of service by the reselling customer to the ultimate user.

C2. TERMS AND CONDITIONS OF SERVICE(Contd)

C2.16. Deposits - Commercial and Industrial

- A. Amount of the deposit will be limited to not more than two (2) times the customer's estimated maximum bill.
- B. Interest on deposits will be accrued at the rate of 7% per year and will be payable annually on request or at the time the deposit is returned.
- C. Deposits will be refunded when the customer has established a satisfactory payment record with the Company. Payment on time of bills for utility service for two (2) years shall be evidence of satisfactory credit.
- D. The Company may require a new or increased deposit from an existing customer when it determines that the customer's payment record with the Company has become unsatisfactory. An unsatisfactory payment record is one consisting of two or more late payments in any twelve-(12) month period or one necessitating the discontinuation of energy service.
- E. Failure to make the required deposit as a condition to receiving service shall constitute grounds for discontinuance of service.
- F. Deposits with accrued interest shall be refunded or credited to the final bill after discontinuance of service.

C3. CONSTRUCTION POLICY (Contd)

C3.4. Miscellaneous General Construction Policy

Except where specifically designated as overhead or underground construction policies, the following general policies will be applied to either overhead or underground construction:

A. Easements and Permits

- (1) New Residential Subdivisions - The developer of a new residential subdivision shall cause to be recorded with the plat of the subdivision a public utility easement approved by the Company for the entire plat. Such easement shall include a legal description of areas within the plat which are dedicated for utility purposes, and also other restrictions as shall be determined by the Company for construction, operation, maintenance and protection of its facilities.
- (2) Other Easements and Permits - Where suitable easements do not exist, the Company will provide the necessary easement forms and solicit their execution. The applicant(s), as a condition of service, will be ultimately responsible for obtaining all easements and permits as required by the Company for construction, operation, maintenance and protection of the facilities to be constructed. Where state and federal lands are to be crossed to extend service to an applicant or group of applicants, the additional costs incurred by the Company for rights-of-way and permit fees shall be borne by the applicant(s).

B. Temporary Service

Customers desiring temporary service for a short time only, such as for construction jobs, traveling shows, outdoor or indoor entertainments or exhibitions, etc., shall pay the charge per customer per month provided in applicable rate schedules. In addition, such customer shall pay installation and removal charges as follows:

- (1) When 120/240 volt single-phase service is desired and when such service can be provided at the site without exceeding 100 feet overhead or ten (10) feet underground at the time temporary service is desired, the charge for installation and removal of temporary, single-phase, three-wire, 120/240 volt service shall be:

For Temporary Overhead Service \$125.00
