

**MPSC Certificate for Solar Energy, Wind Energy, and Energy Storage Facilities
Pursuant to Public Act 233 of 2023**

Pre-Meeting Preliminary Questionnaire

ver. Feb-2025-1

The following questions are provided to assist the Developer and the MPSC Staff to scope an agenda for the required pre-application meeting between a prospective Applicant and MPSC Staff. Responses to the following are being collected for informational purposes only, and do not constitute an application, nor would they be a part of the contested case record unless offered into evidence by a party and admitted into the record by the administrative law judge. Please note that responses may be subject to disclosure under the Freedom of Information Act, MCL 15.231 et seq. Please respond to each question by marking **Yes** or **No** and providing additional explanation as applicable.
