ATTACHMENT 2 CENTURY TEL MICHIGAN LOCAL EXCHANGE COMPANIES		22

This Interconnection and Reciprocal Compensation Agreement (“Agreement”), is entered into by and between CenturyTel’s Michigan Local Exchange Companies as listed on Attachment 2 (“CenturyTel”) and Sprint Spectrum L.P., a Delaware limited partnership, as agent and General Partner for WirelessCo, L.P., a Delaware limited partnership and as agent for SprintCom, Inc., a Kansas corporation, all the foregoing entities jointly d/b/a Sprint PCS, (“SPCS”), (collectively, "the Parties").

WHEREAS, SPCS is authorized by the Federal Communications Commission (“FCC”) to provide commercial mobile radio service ("CMRS") and provides such service to its end user customers, operating wireless affiliates and switch share/managed markets; and

WHEREAS, CenturyTel is a certified provider of local exchange service; and

WHEREAS, SPCS terminates local telecommunications traffic that originates from CenturyTel’s subscribers, and CenturyTel terminates local telecommunications traffic that originates from SPCS’s subscribers; and

WHEREAS, SPCS provides a point of interconnection in the CenturyTel service areas, or interconnects with CenturyTel's network via a third party tandem switch; and

WHEREAS, the Parties wish to establish a reciprocal compensation interconnection arrangement that compensates each other for terminating local telecommunications traffic that originates on the other Party’s network.

NOW, THEREFORE, IN CONSIDERATION of the covenants contained herein, the Parties hereby agree as follows:

1. DEFINITIONS.

0.1 “Act” means the Communications Act of 1934, as amended.

1.2 An “Affiliate” of a Party means a person, corporation or other legal entity that, directly or indirectly, owns or controls a Party, or is owned or controlled by, or is under common ownership or control with a Party. For purposes of this definition, the term “own” means to have a majority ownership interest in, or have voting control of a majority of the ownership interests in, such corporation or other legal entity.

1.3 “Central Office” means a switching facility from which Telecommunications Services are provided, including, but not limited to:

(a) An “End Office Switch” or “End Office” is used to, among other things, terminate telecommunications traffic to end user subscribers.

- (b) A “Tandem Switch” or “Tandem Office” is a switching facility that is used to interconnect trunk circuits between and among End Office Switches, aggregation points, points of termination, or points of presence.
- (c) A “Mobile Switch Center” or “MSC” is a switching facility that provides tandem and end office switching capability.
- 1.4 “CMRS” means Commercial Mobile Radio Service as defined in the Act.
- 1.6 “Commission” refers to the state regulatory commission within a state.
- 1.7 “Interconnection,” as defined in 47 C.F.R. § 51.5, is the physical linking of two networks for the mutual exchange of traffic. This term does not include the transport and termination of traffic.
- 1.8 “Interconnection Facilities” are those CenturyTel facilities between the CenturyTel central office switch and the POI.
- 1.9 “Local Exchange Carrier” is as defined in the act 47 U.S.C. § 153 (26).
- 1.10 “Local Exchange Routing Guide” or “LERG” means the Telcordia reference customarily used to identify NPA-NXX routing and homing information.
- 1.11 “Local Traffic” is that telecommunications traffic, which originates and terminates within the same major trading area (“MTA”), as defined in 47 C.F.R. §24.202(a). For purposes of determining whether traffic originates and terminates within the same MTA, and therefore whether the traffic is local, the location of the landline end user and the location of the cell site that serves the mobile end user at the beginning of the call shall be used.
- 1.12 “POI” means Point of Interconnection.
- 1.13 “PSTN” means the Public Switched Telephone Network
- 1.14 “Tandem Switching” is when CenturyTel provides tandem switching at a CenturyTel tandem switch for traffic between SPCS and a CenturyTel end office subtending the CenturyTel tandem.
- 1.15 “Telecommunication Services” shall have the meaning set forth in 47 USC §153(46).
- 1.16 “Transiting” is when CenturyTel provides tandem switching at a CenturyTel access tandem switch for traffic between SPCS and a non-CenturyTel end office subtending the CenturyTel access tandem.

- 1.17 "Type 1 Wireless Interconnection" is a line side trunk provided by the LEC to the CMRS provider that utilizes NPA NXX's assigned to and resident in the LEC end office. The LEC numbers may be assigned by the CMRS provider to their individual customers or the interconnection may be used only for auxiliary services for which the LEC must record and/or provide billing information, i.e., Operator Service, Directory Assistance, etc. The numbers assigned to the CMRS provider from the LEC office remain under the control of the LEC and any access between these numbers and PSTN must be made utilizing the LEC end office to which the numbers are assigned.
- 1.18 "Type 2 Wireless Interconnection" is a trunk interconnecting the LEC central office with a CMRS provider's mobile switching center. This type of connection may only be used for Local Traffic or terminating interMTA traffic.
- i) Type 2A: is trunk interconnection between a LEC local tandem and a CMRS provider mobile switching center. Through this interface, SPCS can connect to Century Tel's end offices.
 - ii) Type 2B: is a trunk interconnection between a LEC end office and a CMRS provider mobile switching center. This interconnection will only provide access to numbers residing in the LEC end office to which the interconnection is made.

2. RURAL TELEPHONE COMPANY.

CenturyTel asserts that it is a "rural telephone company" as that term is defined in the Act, 47 U.S.C. 153. CenturyTel further asserts that, pursuant to Section 251(f)(1) of the Act, CenturyTel is exempt from Section 251(c) of the Act. Notwithstanding such exemption, CenturyTel has entered into and accepted this agreement for purposes of exchanging traffic, as defined herein, with SPCS. CenturyTel's execution of this agreement does not in any way constitute a waiver or limitation of CenturyTel's rights under Section 251(f)(1) or 251(f)(2). Accordingly, CenturyTel expressly reserves the right to assert its right to an exemption or waiver and modification of Section 251(c) of the Act, in response to other requests for interconnection by SPCS or any other carrier.

3. TRAFFIC INTERCHANGED.

- 3.1 The traffic subject to this Agreement shall be that Local Traffic which originates from a subscriber on the network of one Party and is delivered to a subscriber on the network of the other Party. Such traffic includes that traffic which is delivered via a third party tandem switch. Terms and conditions for the interchange of traffic between the Parties via Type 1 Wireless Interconnection are governed by CenturyTel's applicable local tariff.
- 2.2 Tandem Switched Services
CenturyTel may provide to SPCS's tandem switching to another CenturyTel end-office or a non-CenturyTel end office that subtends the CenturyTel access tandem.

4. FACILITIES.

Each Party shall construct, equip, maintain and operate its network in accordance with good engineering practices for telephone systems and in compliance with all applicable rules and regulations, as amended from time-to-time, of any regulatory body empowered to regulate any aspect of the facilities contemplated herein. Where appropriate and consistent with industry practices, each Party shall provide the other Party, at no charge, equipment space and electrical power at the POI necessary for the other Party to provide services under this Agreement. Where appropriate and consistent with industry practices and upon reasonable notice, each Party shall make the necessary arrangements to assure the other Party access to the point of physical interconnection for testing, maintenance, repairing and removing facilities.

When ordered by SPCS, CenturyTel shall provide interconnection circuits of a quality comparable to that provided to any other interconnected local exchange carrier or to private branch exchanges between the CenturyTel switching center and the POI located in CenturyTel's local exchange serving area. CenturyTel and SPCS will jointly determine the interconnection circuit design and routing as well as the selection of the switching center from which service will be provided.

CenturyTel shall provide dedicated private line circuits between SPCS's mobile switching center, remote cell sites and control points, when ordered by SPCS. When ordering these circuits, SPCS shall specify the originating and terminating points for such circuit, the bandwidth required, the transmission parameters and such other information as CenturyTel may reasonably require in order to provide the circuits. CenturyTel and SPCS will jointly determine the design and routing of these circuits, taking into account standard CenturyTel traffic engineering methods, the availability of facilities and equipment and CenturyTel's traffic routing plans.

It shall be the responsibility of each Party to program and update its own switches and network systems pursuant to the Local Exchange Routing Guide ("LERG") guidelines to recognize and route traffic to the other Party's assigned NXX codes. Neither Party shall impose any fees or charges whatsoever on the other Party for such activities.

The Parties expect that where feasible, traffic will be delivered to each involved network with CCS/SS7 protocol and the appropriate ISUP/TCAP message to facilitate full interoperability and billing functions. In-band signaling may be used if CCS/SS7 is not available.

Other facilities and services not identified within this agreement will be provided by tariff or by amendment to the existing agreement.

5. RATES AND CHARGES.

5.1 The Parties hereby agree to the following rates for the facilities and services to be provided pursuant to this Agreement. The Parties hereby agree the rates set forth herein shall become effective when this agreement is signed by both Parties. However, the Parties acknowledge

this Agreement cannot be implemented until it is duly approved by the Commission. Upon Commission approval of this Agreement, the Parties shall implement and apply the rates as though such rates were approved on the date the agreement was signed by both Parties.

<u>Facilities</u>	<u>Rates</u>
1. Interconnection Facilities	The rates for these facilities, if provided by CenturyTel, are specified in CenturyTel's applicable tariff
2. Local Network Usage	The Parties agree to compensate each other for terminating traffic that originates on the other Party's network. The reciprocal Local Network Usage rate is identified in Attachment 1.
3. Tandem Switching	SPCS's local traffic that is transported to a CenturyTel end office via a CenturyTel tandem. SPCS will compensate CenturyTel for the tandem switched traffic between SPCS's and the CenturyTel end office at rates defined on Attachment 1.
4. Transiting	SPCS's local traffic that is transported to non-CenturyTel end offices via a CenturyTel tandem. SPCS will compensate CenturyTel for the tandem switched traffic between SPCS and the non-CenturyTel end office company at rates defined on Attachment 1. By transporting traffic to non-CenturyTel end offices via a CenturyTel tandem, SPCS assumes any responsibility for compensation to the non-CenturyTel end office company.
5.2	The charges for Interconnection Facilities shall be determined by CenturyTel's applicable tariff for such facilities. Where these facilities are used for two-way traffic, the applicable recurring charges (if any) will be reduced by a percentage equal to the percentage of traffic on such facilities that originates on CenturyTel's network and terminates on SPCS's network. This percentage is referred to as the Land to Mobile Traffic Factor on Attachment 1. The Parties agree that they will review the initial percentages based on actual usage after the initial six (6) months and will revise the percentage at the time. The Parties agree to evaluate the percentage in each subsequent six (6) months.
4.3	Each Party shall compensate the other for transport and termination of Local Traffic at the reciprocal Local Network Usage rates set forth in Attachment 1. Traffic that originates on either Parties' network and terminates on the other Parties' network via a third party tandem (transit traffic) will be charged at the Local Network usage rates set forth in Attachment 1. If, at any time while this Agreement is in effect, CenturyTel enters into an agreement, whether

through negotiations or an arbitration proceeding before the appropriate state commission, or provides arrangements similar to those described herein to a third party under an agreement or tariff on terms different from those available under this Agreement, Sprint PCS may, upon 90 days written notice adopt any such agreement or tariff offered to the third party in place of this Agreement.

If Sprint PCS wishes to adopt an existing agreement, either in whole or in part, it must accept all terms and conditions set forth in the existing agreement verbatim, except for non-substantive changes (e.g., changes in the names of the parties, internal references, and dates). The insertion of footnotes or new language seeking to clarify rates, terms, or conditions in the underlying agreement is not permitted.

- 5.4 The Parties will exchange billing information on a monthly basis. CenturyTel will prepare its bill in accordance with its existing CABS billing systems. SPCS will prepare its bill in accordance with the now current OBF (CABS BOS) industry standards. The Parties will make an effort to conform to current and future OBF (CABS BOS) standards, insofar as is reasonable. In the event that neither Party is capable of measuring, or has access to a measurement of traffic originating on CenturyTel's network, the charge to SPCS for Local Network Usage shall be based upon a mutually agreed upon assumed usage factor.

For purposes of billing compensation for the interchange of Local Traffic, billed minutes will be based upon conversation time. Conversation time will be determined from actual usage recordings. Conversation time begins when the originating Party's network receives answer supervision and ends when the originating Party's network receives disconnect supervision.

6 BILLING AND PAYMENT OF CHARGES.

Nonrecurring charges will be billed upon completion of the work activity for which the charge applies; monthly recurring charges will be billed in advance; and Local Network Usage will be billed in arrears. All bills will be due when rendered and will be considered past due 30 calendar days after the bill date, provided the billing party delivers the invoice to the billed Party within 8 calendar days of the bill date. The Parties agree that they will each make a good faith effort to resolve any billing dispute.

If any undisputed amount due on the billing is not received by the billing Party by the payment due date, the billing Party may charge, and the billed Party agrees to pay, interest on the past due balance at a rate equal to the lesser of one and one-half percent (1-1/2%) per month or the maximum non usurious rate of interest under applicable law. Late payment charges shall be included on the next invoice. The late payment charge is conditioned upon the billing Party delivering an invoice to the billed Party within 8 calendar days of the billing date.

If any portion of an amount due to a billing Party under this Agreement is subject to a bona fide dispute between the Parties, the billed Party shall within thirty (30) days of its receipt of

the invoice containing such disputed amount give notice to the billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The billed Party shall pay when due all undisputed amounts to the billing Party. The balance of the Disputed Amount shall thereafter be paid with appropriate late charges, if appropriate, upon final determination of such dispute.

The billing Party shall charge and collect from the billed Party, and the billed Party agrees to pay to the billing Party, appropriate federal, state, and local taxes where applicable, except to the extent the billed Party notifies the billing Party and provides appropriate documentation that the billed Party qualifies for a full or partial exemption.

7. NON-LOCAL TELECOMMUNICATIONS TRAFFIC.

The Parties contemplate that they may exchange non-local telecommunications traffic over the interconnection facilities provided for under this Agreement. The originating Party will report to the terminating Party that traffic, if any, which is non-local in nature. Compensation for non-local traffic shall be subject to the appropriate access rates.

When the parties provide an access service connection between an interexchange carrier ("IXC") and each other, each party will provide its own access services to the IXC. Each party will bill its own access services rates to the IXC pursuant to the procedures described in Multiple Exchange Carrier Access Billing ("MECAB") document SR-BDS-000983, issue 5, June 1994, the Parties shall provide to each other the Switched Access Detail Usage Data and the Switched Access Summary Usage Data to bill for jointly provided switched access service, such as switched access Feature Groups B and D. The Parties agree to provide this data to each other at no charge.

If the procedures in the MECAB document are amended or modified, the Parties shall implement such amended or modified procedures within a reasonable period of time. Each party shall provide the other Party the billing name, billing address, and carrier identification ("CIC") of the IXCs that may utilize any portion of either Party's network in an SPCS/CenturyTel MPB arrangement in order to comply with the MPB Notification process as outlined in the MECAB document.

8. CREDIT ALLOWANCE FOR SERVICE INTERRUPTIONS.

Credit allowance for interruption of services provided under this Agreement shall be governed by terms and conditions set forth in CenturyTel's intrastate access tariffs.

9. SERVICE ORDERS.

SPCS shall order Interconnection Facilities on a per circuit basis and shall specify at the time the circuit is ordered the date on which SPCS desires that the service be provided. CenturyTel will process such orders in accordance with its normal procedures for the installation of comparable circuits and will advise SPCS whether or not it can meet the service date requested by SPCS and, if not, the date by which service will be provided. If SPCS wishes that the service be provided at an

earlier date, CenturyTel will make reasonable efforts to meet SPCS's request on the condition that SPCS agrees to reimburse CenturyTel for all additional costs and expenses, including but not limited to overtime charges, associated with providing service at the earlier date.

10. IMPAIRMENT OF SERVICE.

The characteristics and methods of operation of any circuits, facilities or equipment of either Party connected with the services, facilities or equipment of the other Party pursuant to this Agreement shall not interfere with or impair service over any facilities of the other Party, its affiliated companies, or its connecting and concurring carriers involved in its services, cause damage to their plant, violate any applicable law or regulation regarding the invasion of privacy of any communications carried over the Party's facilities or create hazards to the employees of either Party or to the public (each hereinafter referred to as an "Impairment of Service").

11. RESOLUTION.

If either Party causes an Impairment of Service, the Party whose network or service is being impaired (the "Impaired Party") shall promptly notify the Party causing the Impairment of Service (the "Impairing Party") of the nature and location of the problem and that, unless promptly rectified, a temporary discontinuance of the use of any circuit, facility or equipment may be required. The Impairing Party and the Impaired Party agree to work together to attempt to promptly resolve the Impairment of Service. If the Impairing Party is unable to promptly remedy the Impairment of Service, then the Impaired Party may at its option temporarily discontinue the use of the affected circuit, facility or equipment.

12. TROUBLE REPORTING.

In order to facilitate trouble reporting and to coordinate the repair of Interconnection Facilities, trunks, and other interconnection arrangements provided by the Parties under this Agreement, each Party has established a single point of contact available 24 hours per day, seven days per week, at telephone numbers to be provided by the Parties. Each Party shall call the other at these respective telephone numbers to report trouble with connection facilities, trunks, and other interconnection arrangements, to inquire as to the status of trouble ticket numbers in progress, and to escalate trouble resolution.

Before either Party reports a trouble condition, it must first use its reasonable efforts to isolate the trouble to the other Party's facilities, service, and arrangements. Each Party will advise the other of any critical nature of the inoperative facilities, service, and arrangements and any need for expedited clearance of trouble. In cases where a Party has indicated the essential or critical need for restoration of the facilities, services or arrangements, the other Party shall use its best efforts to expedite the clearance of trouble.

13. TERM AND TERMINATION.

- 13.1 This Agreement shall take effect as of the date it is signed by both Parties and have an initial term of one year, unless earlier terminated as provided for in this Agreement, and shall continue in force and effect thereafter, until replaced by another agreement or terminated by either Party upon 30 days written notice to the other.

Notwithstanding a notice of termination, this Agreement shall remain in effect until replaced by another agreement negotiated or arbitrated between the Parties pursuant to applicable law within 365 calendar days from the date that the notice of termination was received. This Agreement shall terminate on the 366th day after the date that the notice of termination was received if the Agreement has not been superseded by another agreement.

If this agreement is terminated, each Party agrees to disconnect from each other's network.

- 13.2 Notwithstanding 13.1, this Agreement shall be terminated in the event that:

- a) the FCC revokes, cancels, does not renew or otherwise terminates SPCS's authorization to provide CMRS in the area served by CenturyTel, or the Commission revokes, cancels, or otherwise terminates CenturyTel's certification to provide local service;
- b) either Party becomes bankrupt or insolvent, makes a general assignment for the benefit of, or enters into any arrangement with creditors, files a voluntary petition under any bankruptcy, insolvency or similar laws, or proceedings are instituted under any such laws seeking the appointment of a receiver, trustee or liquidator instituted against it which are not terminated within 60 days of such commencement.

- 13.3 Either Party shall have the right to terminate this Agreement upon written notice to the other Party in the event:

- a) a Party is in arrears in the payment of any undisputed amount due under this Agreement for more than 90 days, and the Party does not pay such sums within ten business days of the other Party's demand for payment;
- b) a Party is in material breach of the provisions of this Agreement and that breach continues for a period of thirty days after the other Party notifies the breaching Party of such breach, including a reasonably detailed statement of the nature of the breach.

14. LIABILITY UPON TERMINATION.

Termination of this Agreement, or any part hereof, for any cause shall not release either Party from any liability which at the time of termination had already accrued to the other Party or which thereafter accrues in any respect to any act or omission occurring prior to the termination or from an obligation which is expressly stated in this Agreement to survive termination.

15. AMENDMENTS.

Any amendment, modification, or supplement to this Agreement must be in writing and signed by an authorized representative of each Party. The term "this Agreement" shall include future amendments, modifications, and supplements.

16. ASSIGNMENT.

Any assignment by either Party of any right, obligation, or duty, in whole or in part, or of any interest, without the written consent of the other Party, which consent shall not be unreasonably withheld, shall be void, except that either Party may assign all of its rights, and delegate its obligations, liabilities and duties under this Agreement, either in whole or in part, to any entity that is, or that was immediately preceding such assignment, a Subsidiary or Affiliate of that Party without consent, but with written notification. The effectiveness of an assignment shall be conditioned upon the assignee's written assumption of the rights, obligations, and duties of the assigning Party.

17. AUTHORITY.

Each person whose signature appears on this Agreement represents and warrants that he or she has authority to bind the Party on whose behalf he or she has executed this Agreement.

18. BINDING AFFECT.

This Agreement shall be binding on and inure to the benefit of the respective successors and permitted assigns of the Parties.

19. COMPLIANCE WITH LAWS AND REGULATIONS.

Each Party shall comply with all federal, state, and local statutes, regulations, rules, ordinances, judicial decisions, and administrative rulings applicable to its performance under this Agreement.

20. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement of the Parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, negotiations, proposals, and representations, whether written or oral, and all contemporaneous oral agreements, negotiations, proposals, and representations concerning such subject matter. No representations, understandings, agreements, or warranties, expressed or implied, have been made or relied upon in the making of this Agreement other than those specifically set forth herein.

21. EXPENSES.

Except as specifically set out in this Agreement, each Party shall be solely responsible for its own expenses involved in all activities related to the subject of this Agreement.

22. FORCE MAJEURE.

In the event performance of this Agreement, or any obligation hereunder, is either directly or indirectly prevented, restricted, or interfered with by reason of fire, flood, earthquake or like acts of God, wars, revolution, civil commotion, explosion, acts of public enemy, embargo, acts of the government in its sovereign capacity, labor difficulties, including without limitation, strikes, slowdowns, picketing, or boycotts, unavailability of equipment from vendor, changes requested by the other Party, or any other circumstances beyond the reasonable control and without the fault or negligence of the Party affected, the Party affected, upon giving prompt notice to the other Party, shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, or interference (and the other Party shall likewise be excused from performance of its obligations on a day-to-day basis until the delay, restriction or interference has ceased); provided however, that the Party so affected shall use diligent efforts to avoid or remove such causes of nonperformance and both Parties shall proceed whenever such causes are removed or cease.

23. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the domestic laws of the state of Michigan as well as the Telecommunications Act of 1996 and other federal laws, and shall be subject to exclusive jurisdiction of the courts and/or regulatory commission of such state, except to the extent that the Telecommunications Act of 1996 and other federal laws provide for federal jurisdiction.

24. INDEPENDENT CONTRACTOR RELATIONSHIP.

The persons implementing this Agreement on behalf of each Party shall be solely that Party's employees or contractors and shall be under the sole and exclusive direction and control of that Party. They shall not be considered employees of the other Party for any purpose. Each Party shall remain an independent contractor with respect to the other and shall be responsible for compliance with all laws, rules and regulations involving, but not limited to, employment of labor, hours of labor, health and safety, working conditions and payment of wages. Each Party shall also be responsible for payment of taxes, including federal, state and municipal taxes, chargeable or assessed with respect to its employees, such as Social Security, unemployment, workers' compensation, disability insurance, and federal and state withholding. Each Party shall indemnify the other for any loss, damage, liability, claim, demand, or penalty that may be sustained by reason of its failure to comply with this provision.

25. LIABILITY AND INDEMNITY.

25.1 Indemnification.

Each Party agrees to release, indemnify, defend, and hold harmless the other Party from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorney's fees, whether suffered, made, instituted, or asserted by any other Party or person, for invasion of privacy, personal injury to or death of any person or persons, or for

losses, damages, or destruction of property, whether or not owned by others, proximately caused by the indemnifying Party's negligence or willful misconduct, regardless of form of action.

25.2 End User and Content-Related Claims.

Customer (that Party receiving service from the other Party, i.e., Provider) agrees to release, indemnify, defend, and hold harmless Provider, its affiliates, and any third-party provider or operator of facilities involved in the provision of services or facilities under this Agreement (collectively, the "Indemnified Parties") from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorney's fees, suffered, made, instituted, or asserted by Customer's end users against an Indemnified Party arising from provision of the services or facilities. Customer further agrees to release, indemnify, defend, and hold harmless the Indemnified Parties from all losses, claims, demands, damages, expenses, suits, or other actions, or any liability whatsoever, including, but not limited to, costs and attorney's fees, suffered, made, instituted, or asserted by any third party against an Indemnified Party arising from or in any way related to actual or alleged defamation, libel, slander, interference with or misappropriation of proprietary or creative right, or any other injury to any person or property arising out of content transmitted by Customer or Customer's end users, or any other act or omission of Customer or Customer's end users.

25.3 Disclaimer.

EXCEPT AS SPECIFICALLY PROVIDED TO THE CONTRARY IN THIS AGREEMENT, PROVIDER MAKES NO REPRESENTATIONS OR WARRANTIES TO CUSTOMER CONCERNING THE SPECIFIC QUALITY OF ANY SERVICES OR FACILITIES PROVIDED UNDER THIS AGREEMENT. PROVIDER DISCLAIMS, WITHOUT LIMITATION, ANY WARRANTY OR GUARANTEE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, OR FROM USAGES OF TRADE.

25.4 Limitation of Liability.

Provider's liability, whether in tort or otherwise, shall be limited to direct damages, which shall not exceed the pro rata portion of the monthly charges for the services or facilities for the time period during which the services or facilities provided pursuant to this Agreement are inoperative, not to exceed in total Provider's monthly charge to Customer. Under no circumstance shall Provider be responsible or liable for indirect, incidental, or consequential damages, including, but not limited to, economic loss or lost business or profits, damages arising from the use provisioning of services hereunder.

26. DISPUTE RESOLUTION.

26.1 Alternative to Litigation.

Except as provided under Section 252 of the Act with respect to the approval of this Agreement by the Commission, the Parties desire to resolve disputes arising out of or relating to this Agreement without litigation. Accordingly, except for action seeking a temporary restraining order or an injunction related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following alternative dispute resolution procedures with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

26.2 Negotiations.

At the written request of a Party, each Party will appoint a knowledgeable, responsible representative to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that these negotiations be conducted by non-lawyer, business representatives. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as confidential information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise discoverable, be discovered or otherwise admissible, be admitted in evidence, in the arbitration or lawsuit.

26.3 Arbitration.

If the negotiations do not resolve the dispute within sixty (60) Business Days of the initial written request, the dispute shall be submitted to binding arbitration by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association except that the parties may select an arbitrator outside American Arbitration Association rules upon mutual agreement. A Party may demand such arbitration in accordance with the procedures set out in those rules. Discovery shall be controlled by the arbitrator and shall be permitted to the extent set out in this section. Each Party may submit in writing to a Party, and that Party shall so respond to, a maximum of any combination of thirty-five (35) (none of which may have subparts) of the following: interrogatories, demands to produce documents, or requests for admission. Each Party is also entitled to take the oral deposition of one individual of another Party. Additional discovery may be permitted upon mutual agreement of the Parties. The arbitration hearing shall be commenced within sixty (60) Business Days of the demand for arbitration. The arbitration shall be held in Lansing, Michigan or in a mutually agreeable alternative city. The arbitrator shall control the scheduling so as to process the matter expeditiously.
