

EWR Low Income Workgroup 01/13/22 - Chat

[12:21 PM] Martin Kushler (Guest) Looks like a great survey. Will results be publicly available?
(1 liked)

[12:22 PM] Aimee Gendusa-English (Guest)
Who is funding this survey and who owns the results?

[12:22 PM] Nicholas M Elkins (Guest)
I agree this looks great. I am already thinking next steps, could we as the utility when work with those folks who are not aware?
(1 liked)

[12:22 PM] Nicholas M Elkins (Guest)
*as the utility work with those

[12:23 PM] Aimee Gendusa-English (Guest)
It would be phenomenal if we could collaborate to get the survey out in other states as well.

[12:23 PM] Nicholas M Elkins (Guest)
Thanks!

[12:35 PM] ANTONETTE D. NOAKES (Guest)
As the workforce is developed, a number of people want to work but do not have their own transportation. Will this be an issue or is there some thought being given to this barrier?

Workforce Development - Clean Energy Jobs Accelerator - Elevate

With the passage of the Future Energy Jobs Act (FEJA) in Illinois, workforce development opportunities in energy efficiency and solar energy are rapidly increasing. As a direct benefit of FEJA, we ...
