U-21117 DER INTERCONNECTION PROCEDURES

Note on Utility Submissions

September 9, 2021 Order and Rule 20

MEGA members filed joint draft application procedures.

These **draft procedures** are submitted for discussion.

MEGA members will file separate procedures once directed by Commission after final rules take effect.

U-21117 DER INTERCONNECTION PROCEDURES 10-Day Extension

Rule 8 (460.908) 10 Additional Days

Utilities serving less than 1 million in-state customers have 10 additional business days to meet the timelines in rules.

MEGA documents reflect this grant of additional time.

U-21117 DER INTERCONNECTION PROCEDURES Fees

Rule 26 (460.926) Fees

Members will likely be seeking waiver for higher fee caps than in rules, specifically for the System Impact Study and Facilities Study.

Covering for actual costs and to reduce any processing times if fees exceed the lower caps in the rules.

U-21117 DER INTERCONNECTION PROCEDURES

Errata

- Interconnection Application – no specific diagram given in drafts. Each utility will supply.
- Interconnection procedures – voltage information – each utility will supply own information.
