

# Vehicle to Grid and Energy Storage System Tariff Discussion

Jesse Harlow, MPSC Staff

April 1, 2024

# Why Are We Here

- On December 1, 2023, the Commission issued an Order in the DTE Electric Rate Case No. U-21297.
- In the Order, the Commission directed Staff to convene a workgroup, no later than May 1, 2024, to evaluate the three proposed tariff options and other compensation frameworks.

# Proposed Tariffs

- Distributed Generation Outflow Rate – DTE
- Full Retail Rate – Michigan Energy Innovation Business Council, Advanced Energy United, and Institute for Energy Innovation (collectively, MEIU)
- Demand Response Tariff Rate – Staff
- Other Compensation Frameworks? – Commission

# Agenda

- **Welcome and Introductions** - Jesse Harlow, MPSC
- **Distributed Generation Outflow Rate** - Aaron Willis, DTE
- **Full Retail Rate and Other State's Tariff Structures** - Douglas Jester and Sophia Schuster, MEIU
- **Demand Response Rate Discussion** - Kevin Krause, MPSC
