On behalf of Emergency Management and Homeland Security Division of the Michigan State Police and Michigan's Public Safety Communications System of the Department of Technology, Management and Budget, we would like to offer your company the opportunity to be a sponsor/exhibitor of our annual 2023 Michigan's Annual Statewide Interoperable Communications Conference.

The annual conference provides focused education and information about the advantages of interoperable communications, 911, evolutionary changes in interoperability, and the opportunity to strengthen relationships.
