IMPORTANT NOTICE REGARDING TIME SENSITIVITY:

Applying for an adult-use marijuana establishment license is a time-sensitive venture. The Michigan Regulation and Taxation of Marihuana Act (MRTMA) requires that a license determination be made—and the state license or notice of denial be issued—within 90 days after receiving a complete application.

In order to meet this statutory timeframe, the Cannabis Regulatory Agency (CRA) requires that any information or documentation requested by the agency be submitted to the agency within 5 calendar days.

Please do not submit an adult-use application unless you are able to meet this 5-day deadline. Failure to provide any of the requested items to CRA within 5 days may result in the denial of the application.

OVERVIEW – TWO-STEP APPLICATION PROCESS

The adult-use marijuana establishment licensing application process is divided into two steps.

Step 1 is the prequalification application. During prequalification, background checks are completed on the main applicant and all supplemental applicants. There is a \$3,000 application fee for the main applicant. The application fee is nonrefundable and does not apply to supplemental applicants.

Step 2 of the application process is the marijuana establishment license application. During Step 2, review of the proposed marijuana establishment is completed.

In short, prequalification involves vetting the entity and the individuals involved in the entity; establishment licensing involves vetting the physical establishment.

An application is considered complete when Step 1, the application fee, and Step 2 have been submitted. Because the MRTMA requires that a license determination be made within 90 days, it is not advised to submit a Step 2 application unless the establishment seeking a state license is fully built and ready to pass an inspection within 60 days after the Step 2 license application is submitted. If the establishment is unable to pass an inspection within 60 days of a complete application submission, the license application may be denied.

Prequalification status is valid for a period of two years after CRA issues a notice of prequalification. If the applicant does not submit a Step 2 application within that timeframe, the prequalification status will expire. If the applicant wishes to complete the adult-use marijuana establishment application process after that time, a new application and fee will be required.

If any questions arise while completing the application, please do not hesitate to contact CRA by telephone at:

Or by e-mail at:

STEP 2 – LICENSE APPLICATION

If any questions arise while completing the application, please do not hesitate to contact CRA by telephone at:
517-284-8599

After prequalification status has been granted to the main applicant and all applicable supplemental applicants, the main applicant should submit a Step 2 license application.

It is not recommended to submit a Step 2 license application unless the physical location of the establishment is in place and will be ready to pass an inspection within 60 days after the day you submit the application.

Prequalification status expires after two years. If you do not submit an adult-use Step 2 license application within that timeframe, you will be required to submit a new Step 1 prequalification application and application fee if you still wish to continue the adult-use licensing process.

Step 2 – Establishment License Application Types

- **Marijuana Establishment License Application:** This is the standard Step 2 license application. This application is intended for applicants seeking a license for a marijuana microbusiness, marijuana grower (class A, B, or C), marijuana processor, marijuana retailer, marijuana secure transporter, or marijuana safety compliance facility.
- **Marijuana Event Organizer License Application:** This application is intended for applicants seeking to hold temporary marijuana events. A marijuana event organizer license is required in order to apply for temporary marijuana event licenses.
- **Temporary Marijuana Event License Application:** This application is intended for licensed marijuana event organizers seeking a license for a temporary marijuana event.
- **Designated Consumption Establishment License Application:** This application is intended for applicants seeking a license for an establishment which permits adults 21 years of age or older to consume marijuana products on the premises.
- **Excess Marijuana Grower License Application:** This application is intended for licensees who have 5 adult-use class C marijuana grower licenses and at least 2 medical marijuana grower class C licenses.
