

Registered Caregivers and Patients: Transition to Facility Licensee or Employee

The purpose of this bulletin is to explain the process by which persons registered pursuant to the Michigan Medical Marihuana Program (MMMP) as registered primary caregivers (caregivers) and registered qualifying patients (patients) may transition from being caregivers or patients to becoming medical marihuana facility licensees or employees of medical marihuana facilities.

Growers and Processors: Per Section R 420.602 (2)(i) Employees; requirements

When a registered primary caregiver is hired as an employee of a grower, processor, or secure transporter licensed under the MMFLA, ensure the individual withdraws, the individual's registration as a registered primary caregiver in a manner established by the agency.

Secure Transporters: Per Section R 420.110 (2) Secure transporter license.

To be eligible for a secure transporter license, the applicant and each investor with an interest in the secure transporter may not have an interest in a grower, processor, provisioning center, or safety compliance facility and may not be a registered qualifying patient or registered primary caregiver.

Provisioning Centers and Safety Compliance Facilities:

The MMFLA does not prohibit provisioning center and safety compliance facility licensees from being registered as patients or caregivers under the MMMA, nor does it prohibit these facilities from employing patients or caregivers.

How to Withdraw from the MMMP Registry: Patients or caregivers wishing to withdraw from the MMMP registry must submit a completed Withdrawal Form directly to the MMMP according to the instructions on the form.
