Questionnaire

Project Results Summary The community playground was replaced with up to date, safe equipment. The home improvement portion of the grant was not completed due to the lack of contractor interest	(SAMPLE RESPONSE) As a result of the NEP in Smithvale neighborhood, property values will increase. The updated playground improves the look & desirability of the community. Area children benefit with up to date safe & fun playground equipment.
What indicators were used to measure results? The look of the playground is more inviting.	(SAMPLE RESPONSE) Home sale prices in the neighborhood. Visual appearance of the community improved. Safety improved
How were the indicators measured? visually	(SAMPLE RESPONSE) Compared the average sale price at the start of the NEP to the average price at the end of 2-1/2 years.

<p>What were the findings of the measurements including baseline data?</p> <p>OBSERVED VISUALLY</p>	<p><i>(SAMPLE RESPONSE)</i> Average sales price in the beginning was \$61,000; at the end was \$67,000.</p> <p>community more inviting</p>
<p>What Lessons were Learned?</p> <p>Contractors not interested in small jobs. Lack of contractors in the area.</p>	<p><i>(SAMPLE RESPONSE)</i> Not only have the sales prices increased, the time on the market has decreased. The homes we built had waiting lists as we built them; and other properties in the neighborhood are selling more quickly.</p> <p>Unfortunately we were not able to perform the home improvement segment of this grant.</p>
