

Urban/Rural Map

The 2024-2025 Qualified Allocation Plan uses the U.S. Department of Agriculture Rural Development (USDA RD) Multifamily Map to determine if a project location is urban or rural. This map can be found at <https://eligibility.sc.egov.usda.gov/eligibility/welcomeAction.do?pageAction=mfhc>.

If the link is not working, please use these directions to navigate to the map:

- 1) Start at the USDA RD Homepage: www.rd.usda.gov
- 2) In the menu at the top, choose Programs & Services, then Multifamily Housing Programs.
- 3) Toward the bottom of the Multifamily Housing Programs page is a section called "Quick Links". Select the link in the bullet "Determine if a specific location is eligible for MFH programs." (See image below for correct option.)
