

Communities Without Recent Awards

Updated August 7, 2024

Section C.6 of the 2024-2025 Scoring Criteria allows projects located in counties that have not received awards of 9% Low Income Housing Tax Credits (LIHTC) in the previous four 9% LIHTC funding rounds to be eligible for a point.

Below is a list of counties that have received awards in the most recent four funding rounds. Projects located in counties that do **not** appear on this list will be eligible for points under Sections B.6 and C.6, as applicable, of the 2024-2025 Scoring Criteria. For more information, please see the Reservations MM/DD/YYYY documents located under the LIHTC Funding Round Information links here: <https://www.michigan.gov/mshda/developers/low-income-housing-tax-credits-lihtc>.
