In connection with the Emergency Solutions Grant Agreement for the term October 1, 2020 to September 30, 2021 (the Grant Agreement), and pursuant to applicable Michigan State Housing Development Authority (MSHDA), state and federal requirements and regulations, including without limitation the regulations set forth in 24 CFR § 576.404, an Authorized Official of _____ (Grantee) states and affirms the following:

- 1) The provision of any type or amount of Emergency Solution Grant (ESG) assistance shall not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the Grantee, a subgrantee, or a parent or subsidiary of the Grantee; and
- 2) Grantee may not carry out initial evaluations or administer homelessness prevention assistance with respect to individuals or families occupying housing owned by the Grantee or any parent or subsidiary of the Grantee; and
- 3) For the procurement of goods and services, the Grantee and its subgrantees shall comply with the codes of conduct and conflict of interest requirements under 24 CFR 85.36 (for governments) and 24 CFR 84.42 (for private nonprofit organizations).
- 4) As provided in 24 CFR 576.404, unless granted an exception by HUD on a case-by-case basis no employee, agent, consultant, officer, contractor or elected or appointed official of the Grantee who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure; and
- 5) Grantee shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts; and
- 6) No employee, officer, or agent of Grantee shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Grantee shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subgrants.

However, subject to HUD and/or MSHDA approval, as applicable, Grantee may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient; and

- 7) Grantee shall keep records to show compliance with the organizational conflicts-of-interest requirements in 24 CFR 576.404(a), a copy of the personal conflicts of interest policy or codes of conduct developed and implemented to comply with the requirements in 24 CFR 576.404(b), and records, if any, supporting exceptions to the personal conflicts of interest prohibitions; and
- 8) If Grantee is operating continuum of care programs it shall not use leasing funds to lease units or structures owned by the Grantee, its parent organization(s), any other related organization(s), or organizations that are members of a partnership, where the partnership owns the structure, unless HUD authorized an exception for good cause; and
- 9) Neither Grantee or its contractors may enter into a contract or arrangement in connection with the tenant-based programs in which the following class of persons has any interest, direct or indirect, during tenure or for one year thereafter: any employee of the Grantee or any of its contractors who formulates policy or who influences decisions with respect to the programs, without those employees disclosing their interest or prospective interest to MSHDA and HUD.
