Looking for assistance with your project?

Family Shelter: SOS Community Services

Youth Services: Child and Family Charities

In Shelter Diversion and CE resources: NMCAA

Adults only: SAWC

I was excited last week to facilitate a collaboration between Goodwill Northern Michigan and NEMSCA. I am happy to connect organizations to each other especially when then county borders touch and there is often bleed over. Every project gets to review and evaluate whether or not the collaboration fits within the scope of the project and your organizational intentions with the grant.

The webpage has been updated! This also means the URL has changed. [Shelter Diversion Program \(SDP\)](#) Please update your bookmarks. **NEW GRANT** communities, please review all the HMIS guidance before entering your first diversion candidates to ensure continuity across both grants.
