Attention!

Documents and resources for Shelter Diversion will be available here moving forward: [Shelter Diversion Pilot \(michigan.gov\)](#) This will include our DRAFT policy guidance, reporting documents, income verification, and HMIS Workflow.

MSHDA has asked for a spend goal of \$65,000 per organization by December 31st. Please submit FSR's by the 8th of January. This also aligns with the quarterly reporting deadline.

The pilot has been approved to serve clients up to 40% AMI. We are working on a plug in tool, in the meantime, this document should serve the need: [mshda_crh_il_112_income_limits_051523.pdf \(michigan.gov\)](#)
