

Shelter Diversion October News and Notable

Thank you to Good Samaritan for their presentation on their Shelter Diversion Project! You can contact Brenna for further details or questions
bzawacki@goodsamottawa.org

Upcoming presentations and touchpoint dates:

November 21st 1pm
Washtenaw and Wayne Metro

December 19th 1pm
NIBC, Advent House and Child and Family Charities, NWCAA

Attention!

Please track the number of households that you turn away after income verification. Do this in a way that makes sense for your organization, but I would recommend documentation to back up the stats – you can utilize the income verification form as a good option.

I hope to connect with all the Points of Contact for Shelter Diversion at the Homeless Summit next week!

Attached to this email is the following documents:

1. Updated policy guidance. This is designed to be a collaborative document so if you see something that needs changed, updated or more clarification, please say something.
2. The reporting document for State Treasury KPI – number of households served. Please be sure to upload this document with your quarterly FSR's.
3. HMIS Data Reporting Errors guidance document. Contact Lyn Raymond or Jill Shoemaker for any HMIS issues.
4. Income verification form
