

IMPORTANT!

Read login instructions before accessing application portal.

IGX times out every 15 minutes, be sure to SAVE often on each screen. If you get "Are you still here?" pop-up, click Yes and then SAVE.

Please remember to save all application information.

MSHDA cannot guarantee access to past applications that were not funded.

LOGIN INSTRUCTIONS

A. If you are an existing IGX user:

1. Use existing username and password to access dashboard.
2. Select "My Opportunities – NDD MI Neighborhood Application."
3. Select "Proceed" to load the application.
4. See "[Application Instructions](#)."

B. If you are not an existing IGX user and have NOT applied for MI Neighborhood 1.0 in the last window and want to access the application immediately:

1. Select "NDD MI Neighborhood Application System Request." (Tip: Do not select "New User" or there will be a delay in accessing system.)
2. Complete the "MI Neighborhood Application Access Request" registration form.
3. Select "Save and Proceed."
4. Receipt of system email with username should occur in real time with no delay.
5. Login with username and password
6. Select "My Opportunity – NDD MI Neighborhood Application."
7. Select "Proceed" which will load the application.
8. See "[Application Instructions](#)."

OR

C. If you have applied for MI Neighborhood 1.0 in the last window and used the immediate access request option and would like to resubmit a new application for MI Neighborhood 2.0, please email IT security mshda-it-security@michigan.gov if you need your account reactivated:

1. After your login credentials have been reactivated login with username and password
2. Select "My Opportunity – NDD MI Neighborhood Application."
7. Select "Proceed" which will load the application.
8. See "[Application Instructions](#)."
