SUBJECT: New MSHDA PHA Utility Allowance Schedules Effective January 1, 2024

MSHDA has updated the PHA Utility Allowance Schedules effective January 1, 2024. All LIHTC developments that use MSHDA's PHA allowances must implement utility allowance changes and any resulting required rent adjustments no later than 90 days from the January 1st effective date, per the Internal Revenue Code Section 1.42-10. The 90-day implementation period begins on January 1, 2024 and ends March 31, 2024. All changes must be implemented for rent due April 1, 2024.

MSHDA-financed developments utilizing the PHA Utility Allowance Schedule will need to update the MSHDA Rent Schedule to include the new allowances.

MSHDA's PHA utility allowances can be downloaded from our website at the link listed below. Please note that the January 1, 2024 Utility Allowance Schedules are posted by region:

- Region A covers the Upper Peninsula,
- Region B covers the northern counties,
- Region C covers the western-central counties, and
- Region D covers the south-eastern counties.
