Instructions

The Owner and/or Management Agent at the HOME property must make a preliminary determination regarding whether a tenant qualified for an emergency transfer and then must send this Approval Form to the e-mail address listed below within 24 hours of the request. Indicate “VAWA Emergency Transfer Request for HOME-assisted Tenant” in the subject line.

MSHDAcompl@michigan.gov.

MSHDA’s role is limited to reviewing the property manager’s determination of whether a tenant qualified under the Emergency Transfer Plan. MSHDA does not process or handle transfers or transfer requests beyond that review. **Only this Approval Request form needs to be sent to MSHDA.** After MSHDA’s review of this Approval Form and if deemed necessary, MSHDA may request that the Agent send the emergency transfer request forms (HUD 5382 and HUD-5383) and/or documentation. MSHDA staff will respond to the owner/agent’s request within two (2) business days. If MSHDA has not responded within two business days, the owner/management agent shall treat the tenant’s request as approved. MSHDA HOME projects that have other government funding, such as Rural Development, should also consult the administrators of those programs about VAWA applicability and the tenant’s eligibility to transfer.

In situations in which MSHDA policy is unwritten or conflicting, the rules outlined in VAWA regulations, HUD VAWA regulations, and/or HOME Program rules shall prevail. Definitions and pertinent regulations are listed at the bottom of this form.
