---	--

Effective 8/1/2019, MDOC will no longer use Pcard for MSI purchases. This change is due to the additional expenses incurred by MSI to provide this service.

In order to maintain the convenience of Pcard purchasing, MDOC will replace Pcard purchases with Internal Exchange Transaction (IET) purchasing Process.

- Items not allowed to purchase with IET:
 - Warehouse Inventory items (warehouse stock)
 - Optical / eyewear
 - Dental / dentures
- \$2,500 transaction limit (same as Pcard).
- Purchase should be received in the same fiscal year that it is ordered.
- If it is known at the time of ordering, that the order will not be received by 9/30 of the current fiscal year, then the order must be on a POI.
- No IET Purchases during the month of September.
- All September MSI purchases must be on a POI.

Ordering Process

- Pcard Holder:
 - Places order with MSI. Pcard holder status will be validated by providing cardholder's name and last 4 digits of the Pcard.
 - Records order on the monthly MSI IET Purchase Log including sales order number.
 - When order is received, enters received date on IET log and attaches documentation including order verification and packing slips.
 - At the end of the month, forwards log with attached packing slips to Pcard supervisor for approval.
 - Retains a copy of IET log and documentation.
 - If there are orders logged in a previous month that are still open, resubmit a copy of that log with attached documentation at the end of the month which the items are received.
