

The FY 24 NSGP Investment Justification will give the below message if you're default settings on your computer are set to open PDF's with a web browser. The investment justification must be downloaded/saved to your computer and opened with a PDF reader program.

First, you'll want to make sure you have installed Adobe Acrobat Reader, or a different version of Adobe Acrobat to open PDF's (Pro) Adobe Acrobat Viewer is free to download here: <https://get.adobe.com/reader/>

Once Adobe Acrobat Reader is installed, and the Investment Justification is downloaded/saved to your computer, navigate in your computers folder to where the Investment Justification was downloaded/saved. Right click the document's name and select, "Open with Adobe Acrobat".
