

Training Announcement

Terminal Agency Coordinator (TAC) for Law Enforcement Training

The Michigan State Police, Criminal Justice Information Center, is now accepting registrations for the following 2024 TAC for Law Enforcement classes:

TAC Training: This full-day class is intended for new TACs and encompasses areas of required information and knowledge associated with being the agency's TAC. This class is required for all new TACs, and TACs who have not attended since 2022.

TAC Refresher Training: This half-day class is designed for the experienced TAC. Condensed content provides a review of some required information as well as new information. This class is offered only to TACs who have attended at least one session of full-day TAC Training in 2022 or 2023. Returning TACs may attend either the full-day or refresher training.

In accordance with the Law Enforcement Information Network (LEIN) policy, each agency with direct access to the LEIN and the National Crime Information Center (NCIC) must appoint a TAC. Direct access to the LEIN/NCIC includes the ability to conduct LEIN/NCIC transactions through a desktop computer, mobile data computer, in-car laptop, MiPistol, MSOR, etc. TAC training is mandatory for all new TACs and retraining/recertification is required biennially.

Classes will be conducted remotely using Microsoft Teams. Participants will be able to attend by computer or by telephone if a computer is not available. Registration must be completed via [MI-TRAIN](#). First time users must create an account. Registrants are required to provide their agency Originating Agency Identifier (ORI) and Michigan Commission on Law Enforcement Standards (MCOLES) number (if applicable) to register. TAC Refresher registrants are required to submit the date of the last TAC Training attended.

TAC Training for Law Enforcement (full-day) (MI-TRAIN Course ID: 1115220):
