To remain consistent with other states, Michigan relies on the National Safety Council to determine number of days within each holiday.

Holiday periods (in days) may differ from year to year, please keep this in mind when doing data analysis.

Although holiday data is usually fairly static, it is subject to change as more data becomes available.

*All New Year's holiday information is recorded in the year in which it began.

Fatality Report for the Memorial Day PeriodFatal Crashes 12 Fatalities 12

4/26/2021

This report covers dates ranging from 5/22/2020 at 6:00:00PM to 5/25/2020 at 11:59:59PM
