Re: Proposed Tariff: CAF #8A

Dear Mr. Bryson:

The Michigan State Police, Commercial Vehicle Enforcement Division (CVED), Regulatory and Credentialing Section (RCS) has received and reviewed the proposed rate increase request Champion's Auto Ferry submitted September 11, 2025.

Pursuant to the Carriers by Water Act 246 of 1921, MCL 460.201, the RCS has reviewed your request and completed the required comparisons. Based on rates of comparable water carriers, it has been determined that your proposed rates are less than rates of comparable water carriers and is subject to automatic approval. Therefore, pursuant to MCL 460.207 of the act, the Department of State Police is required to approve the proposed rate.

If you have any questions, please contact the RCS at 517-284-3250.

Sincerely,

Keyonn Whitfield
