

Secretary of State ATPA Expedited Record Lookup

The Michigan Department of the State provides an expedited record lookup service, funded by the ATPA (Auto Theft Prevention Authority). We are dedicated to providing record lookup service to law enforcement and insurance companies who are investigating or preventing fraud and theft cases in the state of Michigan.

Our unit will deliver your request within 48 hours, but our goal is much less than that. **Current turnaround time for requests is under 2 hours.** All requests can be sent electronically, and we even provide certified records.

Our Services Include:

- Title Histories
- Title Applications & Supporting Documents
- Address Histories
- Driver's License Images & Signatures
- License Status
- Registration Histories
- Signature Comparison Documents
- Driving Records
- Any and All Vehicles Registered to an Address
- NMVTIS Reports

To learn more about how you can create an account and begin to receive your expedited records, contact us at:
