2024 Board of Directors

Automobile Theft Prevention Authority (ATPA)

The ATPA operates under a Board of Directors appointed by the Governor. By law, the board includes the Department of State Police and representatives of law enforcement, the automobile insurance industry, and purchasers of automobile insurance.

Michigan Sheriff's Association

Mr. Daniel Pfannes, Chair

Representing Law Enforcement Officials

Director Steve Cooper

Department of Public Safety, City of Oak Park

Col. James Grady II

Michigan State Police

Representing Purchasers of Automobile Insurance

Dr. Christopher Melde

Director of the School of Criminal Justice, Michigan State University

Ms. Nicole Quisenberry

Oakland County Sheriff's Office (Retired)

Representing Automobile Insurers

Mr. William Patterson

Auto Owners Insurance Company

Mr. Christopher Helmick

Branch Insurance Exchange

Michigan Automobile Theft Prevention Authority

Michigan State Police

7150 Harris Drive

Dimondale, Michigan 48821

History and Overview

WHAT IS THE AUTOMOBILE THEFT PREVENTION AUTHORITY?

In the mid-1980s, Michigan had the highest motor vehicle theft rate in the nation. Members of the Michigan Anti Car Theft (ACT) Campaign Committee developed a concept that would combine the efforts of law enforcement, communities, and businesses against motor vehicle theft.

In 1986, Michigan's Governor and the Legislature decided to try the ACT committee's idea. So began one of Michigan's most effective weapons against the crime of motor vehicle theft, the Automobile Theft Prevention Authority (ATPA).

The ATPA was established with a sunset provision that automatically abolished the program unless it was renewed by the Legislature. The purpose of the sunset provision was to ensure that the program, created as an experiment in law enforcement, was doing its job as intended.

In 1992, the Governor and Legislature agreed the ATPA should become a permanent state authority, housed under the auspices of the Michigan State Police. The legislation was overwhelmingly passed in both the House and Senate.

HOW IT WORKS:

The ATPA is funded by an annual \$1 assessment on each insured motor vehicle, plus interest earned by investing those funds. Prior to 2017, assessments were collected only on private passenger vehicles; commercial vehicle assessments were added in 2017.

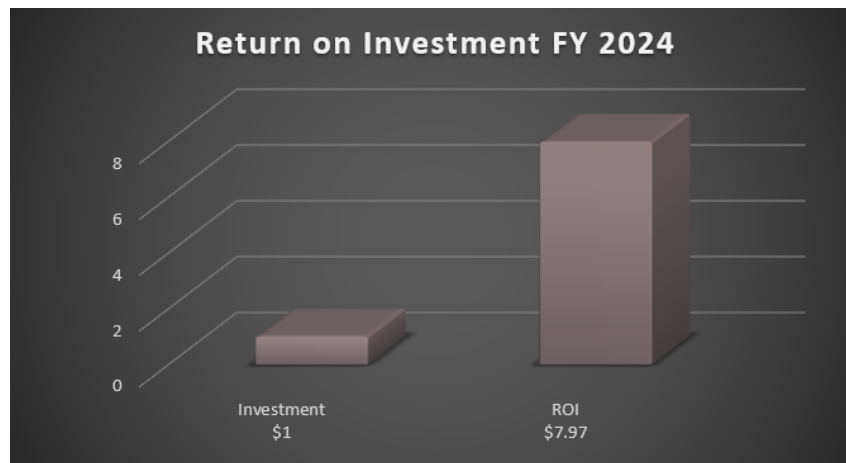

It is overseen by a seven-member board of directors appointed by the Governor, which includes representatives of law enforcement, automobile insurers, and consumers of motor vehicle insurance.

Each fiscal year, the board reviews grant applications submitted by law enforcement entities, prosecutors offices, and non-profit organizations. The board approves grant funding for one or more of the following purposes, all of which are associated with combating auto theft: investigating, apprehending, prosecuting, and deterring.

Finally, the ATPA board members and staff are involved in long-range planning. Regular meetings provide updated goals and objectives for fighting motor vehicle theft.

IMPACT ON MOTORISTS:

The return on investment (ROI) of ATPA funds for fiscal year (FY) 2024 was \$7.97 for every \$1 spent. In FY 2023, the ROI was \$10.45. The ROI for FY 2024 is reduced because it reflects an increase of more than \$2 million in carryforward money from previous years.

ATPA Grantees

The following law enforcement teams, prosecutors' offices, and non-profit organizations were funded by the ATPA in FY 2024.

Combined Auto Theft Team (CATT)

Grand Rapids Police Department*
Kentwood Police Department
Wyoming Police Department

Southeastern Michigan Auto Crimes Consortium (SMACC)

Dearborn Police Department*
Dearborn Heights Police Department
Detroit Police Department
Garden City Police Department
Livonia Police Department
Michigan State Police

Detroit Fire and Arson

Detroit Fire Department*

Genesee Auto Theft Investigation Network (GAIN)

Burton Police Department
Flint Township Police Department
Flint City Police Department
Flushing Police Department
Genesee County Sheriff's Office*
Metro Police Authority

Macomb Auto Theft Squad (MATS)

Centerline Department of Public Safety
Chesterfield Township Police Department
Clinton Township Police Department
Macomb County Sheriff's Office*
Roseville Police Department
Sterling Heights Police Department

Oakland County Auto Theft Unit (OCAT)

Detroit Police Department
Farmington Hills Police Department
Hazel Park Police Department
Oakland County Sheriff's Office*
Oakland County Sheriff's Office - Pontiac
Southfield Police Department
Waterford Police Department

Operation Auto Recovery Team Ingham County (ARTIC)

Lansing Police Department*

Preventing Auto Theft (PAT)

Dearborn Police Department
Detroit Police Department*
Oakland County Sheriff's Office
Wayne State University Police Department

Southwest Commercial Auto Recovery (SCAR)

Kalamazoo Township Police Department
Michigan State Police*

Prosecutors' Offices

Genesee County Prosecutor's Office
Macomb County Prosecutor's Office
Wayne County Prosecutor's Office

Non-Profit Organizations and State Departments

Michigan Auto Vehicle Theft Investigators (MAVTI)
Michigan Department of State
Wayne State University AmeriCorps Urban Safety
West Grand Neighborhood Organization

**Lead agency for the team*

ATPA Grant Performance

As Reported for the Period of October 1, 2023 - September 30, 2024

LAW ENFORCEMENT	ATPA Grant Award	VALUE	RECOVERIES			ARRESTS	
		Vehicles and Equipment Recovered	Passenger Vehicles	CMV/Other Vehicles	Parts Incidents	Motor Vehicle Thefts	Fraud
CATT	\$ 671,878	\$ 2,981,644	123	5	2	93	0

ATPA Teams Motor Vehicle Theft Data

Newer vehicles now utilize high-tech anti-theft devices making vehicles more difficult to steal, such as smart keys containing computer chips required to start the vehicle, kill switches, and devices that disable starters. However, key reprogramming, carjacking, stolen wheels and tires, and fraud cases have been on the rise. Simultaneously, motor vehicle theft arrest rates by ATPA funded teams have also increased, while the recovery value of stolen vehicles has increased.

Fiscal Year	ATPA Funded Team Arrests
2014	1,976
2015	2,012

ATPA Success Stories

Macomb Auto Theft Squad (MATS)

On December 17, 2023, a Clinton Township resident reported his silver 2020 Dodge Charger had been stolen from his home sometime overnight. This case was assigned to a Clinton Township Police Department MATS detective for further investigation. The detective learned the owner had installed an aftermarket global positioning system (GPS) in the dashboard of his vehicle. By actively monitoring the GPS, the detective was able to obtain several addresses as possible locations for the stolen Charger. These addresses were checked by MATS personnel, with negative results. After multiple locations were checked, the GPS tracker went dead. On January 24, 2024, the status of the tracker was checked and found to be pinging at a location in the City of Flint. With this information in hand, assistance was requested from the Genesee County Auto Theft Investigation Network (GAIN). Detectives from MATS and GAIN conducted a coordinated search warrant on a residence in the City of Flint. As detectives approached the home, a male suspect carrying a bumper from a suspected stolen vehicle was located outside the home. Upon securing the residence, detectives began a search for evidence and located a black Charger in the attached garage; however, the vehicle identification number (VIN) showed the vehicle was registered to the homeowner. This black Charger was further examined by detectives, who determined the engine and all the interior components belonged to the silver Charger that had been stolen. Also located in the garage were several items determined to be from other stolen vehicles in Southeast Michigan. It was discovered that once the dashboard with the aftermarket GPS from the stolen silver Charger was installed on the older black Charger, it had reactivated and broadcast its current location. With the coordinated efforts of these two teams, two suspects were taken into custody with an anticipated charge of operating a chop shop in the City of Flint. Several parts (e.g., engines, airbags, and doors) from multiple stolen vehicles were recovered.

Michigan Association of Vehicle Theft Investigators (MAVTI)

The ATPA, in conjunction with MAVTI, created and conducted the second Auto Theft Team Investigator School held at the Ingham County Sheriff's Office in Mason, Michigan, May 14-15, 2024. The training event was attended by 32 investigators assigned to ATPA funded auto theft teams.

This ATPA-MAVTI Auto Theft Team School is an effort designed to ensure the same training is provided to each officer assigned to an ATPA auto theft team or task force. The training focuses on newly assigned investigators without the technical training specific to an auto theft team or task force. MAVTI, along with ATPA staff, instructed on multiple modules of training, including vehicle identification number (VIN) restoration, watercraft identification, and Harley Davidson identification. This training consists of Phase 1 and Phase 2, with each phase lasting two calendar days and each phase being independently MCOLES approved.

ATPA Financial Statement

Schedule of Sources, Disposition of Authorizations and Changes in Balances Fiscal Year (FY) Ending September 30, 2024

SOURCES

Insurance Company Assessments	\$7,727,455
Interest on Investments	\$442,198
Grantee Payment Refund	\$344,965
Offsets of Revenue-Civil Service Assessment	(\$9,372)
	\$8,505,245

DISPOSITION

Grantee Expenditures	\$8,131,118
Office Operations	\$596,319
	\$8,727,437
Excess of Sources Over (Under) Disposition	(\$222,192)
Beginning Balances	\$6,616,221

TOTAL UNEXPENDED AND UNRESTRICTED BALANCES **\$6,394,029**

Note 1:

a. Reporting Entity

The above financial schedule reports the results of the financial transactions of the ATPA for FY 2024. The ATPA's operations are accounted for in the state's general fund and are reported in the Michigan Comprehensive Annual Financial Report.

The Michigan Comprehensive Annual Financial Report provides general disclosures regarding: Summary of Significant Accounting Policies Budgeting and Budgetary Control, State Treasurer's Common Cash, Pension Benefits, Compensated Absences, General Long-Term Obligations, Contingencies, and Other Commitments.

b. Basis of Accounting

The above financial schedule is prepared on the modified accrual basis of accounting, as explained in more detail in the Michigan Comprehensive Annual Financial Report.

The above financial schedule includes only the sources and disposition of authorizations and the changes in balances for the ATPA's general fund accounts. Accordingly, the financial schedule is not intended to constitute a complete financial presentation of either the ATPA or the general fund, in accordance with generally accepted accounting principles.

Note 2:

Matching Percent

The ATPA Board of Directors matching fund requirement is 60/40 percent match. There is no matching fund requirement for non-profit grantees, as they are funded at 100 percent.

** Due to rounding, totals may be off by one dollar.*

Insurance Company Assessments Received in 2024

(The following schedule represents 2023 assessments based on the number of written car years of insured vehicles in 2023 providing no-fault personal injury protection. Assessments were due April 1, 2024.)

	Name of Company	ATPA Assessment		Name of Company	ATPA Assessment
1	State Farm Mutual Auto Ins. Co.	\$1,248,379.00	46	Horace Mann Ins.	\$11,152.70
2	Auto Owners Ins. Co.	\$1,019,115.00	47	Foremost Ins. Co.	\$10,802.00
