

**Michigan State Police  
Criminal Justice Information Center**

**Age Coding: Officer, Numeric, Alpha, and Unknown**

**Police Officer**

- Age cannot be less than 18 or greater than 90

**Victims and Offenders**

- Enter the numerical two-digit value; enter "09" for nine years old
- Enter "99" if the victim or offender is 99 years of age or older
- Enter "00" if the age is unknown

**Victims Only**

- Enter "NN" for victims under 24 hours old
- Enter "NB" for victims one to six days old
- Enter "BB" for victims seven to 364 days old

**Arrests**

- Arrest age is required
- If arrest age is unknown, enter an estimated age and later update with accurate information

**NOTE:** The correct Michigan Incident Crime Reporting (MICR) code for "Unknown Age" is "00". If you believe "99" was incorrectly coded in your Records Management System to equal "Unknown Age", contact your MICR representative, and vendor, for correction.
