MICR Reportable Hit & Run

File Class 54001 – Hit & Run Motor Vehicle Accident is defined as the accidental striking of a person or persons outside of a vehicle (walker, jogger, cyclist, etc.) and the offender fails to stop and identify or give assistance. Only three arrest charge codes are MICR reportable:

- 8011 - Failed to Stop and Identify
- 8012 - Failed to Give Assistance
- 8013 - Failed to Report Accident

The below are not MICR reportable

- Traffic crashes
- Non-criminal incidents involving a motor vehicle and another object such as a building, sign, unoccupied vehicle, or tree

The below are MICR reportable under a different offense file class

- Intentionally running a motor vehicle into someone's property (Damage to Property)
- Using a motor vehicle to intentionally cause bodily harm to another person (Aggravated Assault)
